INSTITUTION'S INNOVATION COUNCIL

KMCT Medical College Campus,
Mukkam, Kozhikode - 673602

Message

Our commitment towards upholding the highest quality of education and making our student ready for the world of tomorrow remains intact. I am especially proud of the way that the KMCT dental college has worked to respond to excellence and quality challenges. There are many prominent milestones that we crossed during the last year, as documented in this Annual Report, will serve not only as retrospection for all but more importantly an inspiration for the future. We have received grade A+ in our 1st cycle of NAAC accreditation and A+ for KUHS QAS and that in itself is a huge milestone achievement.

I thank and congratulate the KMCT dental college family for their valuable contributions and involvement in the journey towards making this an institution of academic excellence. I also acknowledge the dedicated efforts of all our members of staff - teaching as well as non-teaching, along with the students, without which the vision of the college would never have been transformed into reality. Our achievements would not have been possible without their expertise, commitment, professionalism, hard work and passion. This annual report bears testimony to the commitment and dedication of KMCT dental college and its team. I am confident that we will be able to carry forward our vision on a much more ambitious scale in the coming year. I extend my best wishes for a brighter future.

Best regards,

Dr. Navas K. M.

Chairman

KMCT Group of Institutions

Message

I am very much delighted to pen down my thoughts for the Annual Report 2024- 2025 of KMCT dental college. Our college has grown into a destination with distinctive intellectual culture and environment, promising scholars, ambitious students, and dedicated staff who choose to pursue their highest aspirations. It is a matter of great pride to convey that our college is accredited by National Assessment and Accreditation Council (NAAC) and KUHS QAS with 'A+' grade. we strive to match to the expectations of our vision and mission to carry out various activities and take initiatives that fosters multi-dimensional progress of our college. and contribute proactively towards creating a better future for all. I am sure in the Annual report you will find the ongoing evolution of KMCT Dental College grounded and guided by our progress with integrity, ethical standards and social concern.

Sincerely,

Dr. Aysha Nazreen

Executive Trustee & Director

KMCT Group of Institutions

Message

This annual report reflects how we have navigated the challenges we have faced during this period, but also highlights our outstanding achievements and ambitious plans for the future. I am delighted to see that the performance of our institution has been outstanding despite the limitations posed by the pandemic scenario. All the stakeholders of the institution have done remarkably well. As detailed in this report, we can see positive inputs presented by the various departments and administrative units. Rather than fret over what was not possible, our team have chosen to act on what was possible to make meaningful contributions to the organization. The resilience, dedication and inventiveness that are evident are appreciable and admirable. I congratulate every member of Team of KMCT Dental College on making a difference despite all odds. Our commitment to, our local community are hugely important to us and we continue to strive for it. I congratulate the editorial team on compiling this Annual Report. It is well presented and documents all our achievements during the year with flair. It is a pleasure to see and uplifting to read. I extend my best wishes and look forward to greater accomplishments in the coming year.

Best regards,

Dr. Manoj Kumar K P

Principal

IQAC

ANNUAL REPORT 2024-25

IQAC

About IQAC

The Institute established an Internal Quality Assurance Cell (IQAC) in the year 2013.It works for the internalization and institutionalizing of quality practices in the institute, forms sound basis for decision making, documentation, communication and improvisation to achieve new standards. It has a well-defined quality policy in place. Dr. Manoj Kumar K P is the chairperson and Dr Amith Adyanthaya is the coordinator of IQAC. Our IQAC consists of key representatives from both academic and administrative cells. It also includes experienced alumni members. The IQAC hold's quarterly meetings to review the last quarter activities and creates agendas for the next one.

Aim

IQAC aims for the continuous planning and monitoring of qualitative academic and administrative performance of the institution

Vision:

To develop a quality culture in the institution by promoting innovation, advocating inclusion and catalyzing the holistic growth of the institution.

Mission:

1. Sustain and enhance the quality measures upgraded by the institution.
2. Arrange for periodic assessment and accreditations
3. Stimulate the academic environment for promotion of quality of teaching-learning and research
4. Promote collaboration with other stakeholders of higher education for quality evaluation, promotion and sustenance.
5. Encourage self-evaluation and accountability
6. Promote quality-related research studies, consultancy and training programmes.

Academic Functions:

- Act as nodal unit for all quality related activities.
- Prepares the academic plan and calendar
- Monitors the execution of academic plan / calendar for both BDS and MDS students in coordination with Academic/curriculum committee as per DCI and university guidelines
- Ensures fair assessment and evaluation processes along with focus on quality of Examination process and directs Examination committee for the same.
- Evaluates academic progress and achievements
- Conducts and documents various activities and programs related to continuous quality enhancement.
- Encourages quality research in coordination with institutional research committee
- Obtains feedback from various stake holders.
- Facilitates faculty development by creating learner-centric approaches.
- Conducts a Continuous gap analysis and takes necessary actions for further improvement.
- Disseminates vital information to all stake holders on a timely basis
- Upgrades teaching materials, methods and library resources.
- Conducts Seminars/ Workshops/ hands on/ conferences /interdepartmental seminars/ CDE programs on regular basis in co-ordination with dental education unit for continuous academic enhancement.
- Prepares Annual Quality Assurance Report (AQAR) as per NAAC
- Supports students in extracurricular activities like sports, cultural programs, etc.

Administrative functions

- IQAC prepares the institute for various accreditations and awards like NAAC, NIRF,UGC etc.
- Signs new MOUs and analyse progress of existing MOUs with specialized institutes for continuous research and clinical advancement
- We have a fully digitalized students' section to look after all academic activities and university examinations
- Ensures proper allocation, adequacy and maintenance of support structure and services.
- Ensures development and application of quality benchmarks.

Clinical functions:

Discusses activities of patient centered care with regards to treatment, appointments and follow

Regular monitoring of standards for infection control and sterilization in various departments.

Analysis of patient satisfaction and feedback and take actions for any lacunae.

Looks after vaccination of students and employees

Monitors functioning of specialized clinics-esthetic clinic, geriatric clinic, clinic for special need patients, implant clinic, comprehensive clinic, etc.

Looks after continuous supply of specialized instruments/equipments and materials for better patient care.

Conducts community outreach programs, school health camps, dental awareness camps, tobacco cessation program, national healthcare programs etc.

Monitors proper functioning of satellite centers.

IV. ACTIVITIES OF:

iii) ALUMINI ASSOCIATION

KMCTDC Alumni Association – Annual Report 2024–25

The academic year 2024–25 has been a remarkable period for the KMCTDC Alumni Association, marked by growth, engagement, and significant achievements.

1. Membership Growth

- Alumni WhatsApp group expanded from 200 members to over 600 active members.
- The group has become a vibrant platform for sharing updates, achievements, job opportunities, and maintaining strong alumni connections.

2. Alumni Engagement

- In Almashine, the inter-institutional alumni website of the KMCT Group, KMCT Dental College recorded the highest alumni participation, reflecting the unity and enthusiasm of our members.
- The Association actively shared timely job opportunities through the group, supporting the professional journeys of many alumni.

3. Events & Achievements

- Sponsored ever-rolling trophies for the KMCT Dental Champions League in both men's and women's categories, promoting sportsmanship and healthy competition.
- Successfully organized the Mega Alumni Meet – Yaadein 2.0, a landmark event that brought together alumni from various batches. This event was the most remarkable achievement of the year, realized through the dedicated efforts of our alumni community.

4. Future Plans

- Establishing a Student Support Fund to assist financially needy students.
- Conducting career guidance sessions, mentorship programs, and workshops led by alumni to help students explore opportunities after BDS.
- Contributing useful amenities to the college, such as mobility aids and other resources benefiting both students and patients.
- Expanding alumni networking through regional chapters and digital platforms to enhance connectivity and collaboration.

5. Acknowledgment

The Alumni Association extends heartfelt gratitude to all alumni members, faculty, and the college management for their unwavering support and encouragement. Together, we look forward to continuing this journey with pride and commitment, contributing positively to the legacy of KMCT Dental College.

Integrated Library Management System

KMCT dental college insist on spending quality and productive hours in library to update themselves the newer trends in dentistry. The library provides a calm and peaceful environment for learning. There are separate sections for students and staff inside the library. Teachers are given half day weekly library off to update the recent advances published in the index journals. The digital section of the library enables access to wide range of e-journals, which can be accessed online also. The library is fully automated and its entire collection is accessible through library management system. Orientation programme for undergraduates and postgraduates are done in the first year beginning for the purpose of orienting them to how to use the library, how to access the e journals and reference books. Students are given orientation classes about the library softwares. Book exhibition is conducted once in a year, which provides platform for students and faculty to see the latest editions and detailed catalogue. Method of documenting per day usage of library is done by RFID gates scanner.

EVENTS AND CELEBRATIONS

REPORT: COLLEGE DAY

07 MARCH 2024, KMCT DENTAL COLLEGE

Arts Day, held on 4th, 5th and 6th of March 2024, marked a three-day extravaganza celebrating creativity and talent within our college. With almost 200 enthusiastic participants across various roles, including students, staffs, postgraduates, interns, and non-teaching staffs, the event featured 55 diverse items spread across Library, Lecture Halls, Mini Auditorium, and Main Auditorium. Judges were assigned within the college. Offstage items took place on the first two days, while the final day showcased onstage performances, culminating in the announcement of results and the championship award ceremony at the College Day.

DAY 1: The inaugural day commenced by our Principal Dr. Manoj Kumar Sir, with a burst of energy as participants from all walks of college life poured their hearts into a multitude of offstage events. Lecture halls transformed into workshops and studios as participants engaged in activities such as painting, sketching, photography, and literary competitions. Meanwhile, the Mini Auditorium echoed with the power of oratory and captivated the audiences with their literary power.

DAY 2: The excitement continued to build on the second day as participants delved deeper into their artistic pursuits. Lecture halls were
abuzz with creativity and it provided platforms for participants to unleash their imagination. Concurrently, the Mini Auditorium was filled with the rhythm of music.

DAY 3: The final day of Arts Day culminated in a spectacular showcase of onstage performances, featuring music, dance, and group and individual acts. The Mini Auditorium came alive with the melodious strains of vocal and instrumental performances, showcasing the diverse talents within our college. Simultaneously, the Main Auditorium served as the stage for captivating dance performances.

Following three days of intense competition and creative expression, the results of Arts Day were meticulously tabulated and published. Participants eagerly awaited the announcement of winners, which took place amidst much anticipation at the College Day. The champions, Batch 2022 were awarded, recognizing their exemplary talent, dedication, and contribution to the arts within our college community. Dr. Richu Joji from Interns was awarded as kalaprathiba and Sweety Shaji from batch 2022 as kalathilakam.

Arts Day 2024 was a testament to the vibrant creativity and talent that thrives within our college. We aim to continue to foster a culture of creativity, innovation, and artistic expression, ensuring that the arts remain a cornerstone of our college for years to come.

REPORT: COLLEGE DAY

07 MARCH 2024, KMCT DENTAL COLLEGE

On March 7, 2024, our college hosted a spectacular College Day event, commenced at 11:00 PM and continued till night. The event served as a platform to showcase the diverse talents of our students, teachers, interns, postgraduates, and non-teaching staff members. Each batch presented a variety of events, and the highlight of the evening was a captivating performance by the teaching staffs. The active participation of the students added vibrancy to the event, culminating in a memorable night of celebration.

The event began with a prayer by Hridya Dasan and a Rangapooja by the Freshers. The newly elected union was formed and recognized. Felicitation was done by our Principal, Dr. Manoj Kumar Sir to the students and staffs excelled in various fields.

Each batch presented a wide array of performances, including dance, skits, musical performances, and many more. The students showcased their creativity and talent, leaving the audience in awe.

The college music band stole the show with their mesmerizing performance. They entertained the crowd with a blend of popular songs and original compositions, demonstrating their musical powers.

The movie "Three Losers", a comedy-drama film directed by Dr. Sajai Bharat, from the department of orthodontics was released on the day. The movie involved the collaborative efforts of several staff and students, making it a remarkable project within the College community.

The active involvement of the teaching and non-teaching staff members added a unique dimension to the event. Several staff members showcased their talents through solo performances and group acts.

The event featured special performances such as a violin night, where a talented musician, Gokul Krishna, enthralled the audience with soulful melodies. Additionally, a DJ set by DJ Zaviyox, brought everyone to the dance floor, concluding the evening on a high note of energy and excitement.

The College Day was a resounding success, as a result of the enthusiastic participation and talent displayed by our students and staff members. The event not only provided a platform for showcasing creativity and talent but also fostered a sense of community and camaraderie among the college community. As the night came to a close with the DJ spinning energetic beats, it left everyone with fond memories and anticipation for future celebrations.

REGULAR ACTIVITIES OF THE COLLEGE

SPORTS ACTIVITIES

1. KUHS interzone womens football tournament 2025

KMCT Dental College Women's Team Makes Historic Debut at KUHS Football Tournament

For the first time in its history, KMCT Dental College's women's football team proudly represented the institution at the KUHS Women's Football Tournament.

A team of 15 enthusiastic players, accompanied by their team managers, participated in the tournament held at Nehru College of Pharmacy, Thrissur, from April 11th to 14th. The event saw the participation of 9 teams from various colleges across Kerala, showcasing their talent and passion for the sport.

KMCT Dental College's team gave a commendable performance, fighting hard in their match against Government Medical College, Thrissur. In a closely contested game, the team was narrowly defeated with a score of 1-0.

Although the team couldn't secure a win, their participation marks a significant milestone — the beginning of a promising journey and many more victories to come in the future.

2. KMCT Dental Champions League 2025 (DCL 25)

Aims & Vision

DCL 25 was conceptualized with the following objectives:

- Strengthen bonding between juniors and seniors.
- Foster collaboration among teaching and non-teaching staff.
- Encourage physical fitness and sporting spirit within the dental fraternity.
- First-ever introduction of a Women's Football League at KMCT Dental College.
- Promote equality, energy, and engagement through football.

INDOOR
SPORTS MEET

ANNUAL REPORT 2024-25

23rd & 24th AUGUST 2024
KMCT DENTAL COLLEGE

On behalf of Independence Day and in alignment with the ongoing Anti-Drug Campaign, an Indoor Sports Day was conducted on the 23rd and 24th of August 2024. The event, which promoted both physical fitness and a drug-free lifestyle, was a significant initiative aimed at encouraging healthy living and awareness against drug abuse. The event was inaugurated by our esteemed principal, Dr. Manoj Kumar, who emphasized the importance of sports in fostering discipline, teamwork, and a healthy mind. Following the inauguration, the Sports Chairman, Dr. Ashik, addressed the gathering and highlighted the role of sports in promoting a drug-free campus and how such events strengthen the bond between students, staff, and faculty. The two-day event saw enthusiastic participation from various segments of the college community, including students, interns, postgraduates, teaching staffs & non-teaching staff. On the first day, badminton matches were held, where participants demonstrated their agility, focus, and sportsmanship. The atmosphere was vibrant, with students and staff cheering for their respective teams.The second day was packed with a variety of indoor games, including chess, carroms, and table tennis. Each event witnessed competitive yet friendly matches, fostering a spirit of camaraderie and teamwork. The Indoor Sports Day was not only a platform for competition but also a reminder of the values the college upholds—discipline, unity, and the importance of a healthy, drugfree lifestyle. The event was a resounding success, promoting physical fitness and bringing together the college community in a celebration of sports and national pride. The College Union, along with the support of the administration and participants, ensured that this event not only contributed to the festivities of Independence Day but also reinforced the message of the anti-drug campaign, demonstrating how sports can be a powerful tool in promoting wellness and a positive lifestyle.

GENDER SENSITIZATION PROGRAMME

ANNUAL REPORT 2024-25

REPORT: WOMEN'S DAY CELEBRATION

12th MARCH 2024, KMCT DENTAL COLLEGE

The Women's Day celebration at KMCT Dental College on March 12, 2024, was an event that brought together students, interns, post graduates, teaching and non teaching staffs to celebrate the achievements and contributions of women in our society. The event was inaugurated by the Principal, Dr. Manoj Kumar and Dr. Swapna Honwad addressed the gathering. The program commenced with a self-defense class conducted by Dr. Rekha Binu, empowering attendees with valuable skills and knowledge to ensure their safety and security. Following this, enlightening awareness talks were delivered on crucial topics such as breast cancer, entrepreneurship, and women empowerment, shedding light on issues affecting women's health, professional growth, and social status. A photography competition was held as a part of the event, providing a platform for students to showcase their creativity and talent by capturing the essence of Women's Day, and prizes were distributed to the winners. In addition, the non-teaching staff members were honored for their dedication and hard work, acknowledging their invaluable contributions to the college community. One of the most impactful sessions of the day was the introduction of a period pain simulator, where male students and faculty members had the opportunity to experience simulated muscle cramps similar to those experienced during menstruation. This innovative initiative aimed to foster empathy and understanding among male participants, raising awareness about menstrual health and breaking down stigmas surrounding menstruation. The session was met with great enthusiasm and proved to be a thought-provoking experience for all involved. The Women's Day celebration at KMCT Dental College was a resounding success, thanks to the collaborative efforts of the Women's Cell, Union Batch, NSS, and IEDC Unit. Through a diverse range of programs, the event succeeded in promoting gender equality, empowering women, and fostering a culture of inclusivity and respect within the college community.

EXTENSION AND OUTREACH PROGRAMS

SPECIAL CAMP 2024-2025

A REPORT ON SEVEN DAYS NSS SPECIAL CAMP 2024-2025

The NSS unit of KMCT Dental College conducted the 7 day special camp (from 6/01/25 to 12/01/25)

6/01/25 to 12/01/25 (7 days)

NATIONAL SERVICE SCHEME popularly known as NSS was launched in Mahatma Gandhi's Birth Centenary Year 1969, under the Ministry of Youth Affairs & Sports Govt. of India. The scheme was launched simultaneously in 37 Universities involving 40,000 students with primary focus on the development of personality of students through community service and promotion of National solidarity.

Special Camping forms an integral part of National Service Scheme. It has special appeal to the youth as it provides unique opportunities to the students for group living, collective experience sharing and constant interaction with community. The key objective of this camp was to begin the interface with community, rapport building with community leaders and members in the village 9and inculcate the moral values which can be achieved only through community interaction and empathy.

GREEN CAMPUS

ANNUAL REPORT 2024-25

KMCT dental college works to promote environmental education through action-oriented awareness and advocacy. We practice self-sustaining eco- friendly activities and promote environmental consciousness among the younger generation. Our Environmental Policy reflects the commitment of the college towards the environment on reducing the impact of healthcare activities on the environment and conservation of biodiversity. The eco- friendly stance is seen in the college commitment as a no smoking, plastic free, clean and green campus. Efforts are being made to develop the campus on green concepts particularly focus on water conservation, use of alternative sources of energy, solid waste management, green belt development and sustainable architectural designs of building.

Report on the School Gardening Drive and Health Education Talk Conducted by KMCT Dental College in Collaboration with the NSS Team at GLP School, Poovanthodu, Mukkam

Introduction

In line with KMCT Dental College's commitment to community engagement and sustainability, a collaborative program was organized with the National Service Scheme (NSS) team at GLP School, Mukkam. The event combined a school gardening drive with a health education session, emphasizing the importance of green spaces and well-being among students. This joint effort aimed to foster environmental stewardship and promote health education in the local community.

Program Overview

The program took place on [insert date] and featured active involvement from KMCT Dental College's Green Campus Initiative team, NSS volunteers, teachers, and students of GLP School. By blending practical gardening activities with an educational talk, the event sought to instill a sense of responsibility for environmental care and personal health.

Key Activities

1. Collaborative School Gardening Drive:

Planting and Demonstration: With the assistance of KMCT Dental College and NSS volunteers, students planted various saplings, including vegetables, flowering plants, and medicinal herbs. The team demonstrated essential gardening techniques such as soil preparation, planting, and watering.

Sustainability Insights: The volunteers emphasized how caring for these plants contributes to creating a green campus that supports biodiversity, reduces carbon footprint, and provides a healthy learning environment.

2. Health Education Talk:
Importance of a Green Campus: A speaker from KMCT Dental College, supported by NSS members, delivered a talk on how a green campus positively impacts physical and mental health. The session explained how access to green spaces enhances cognitive development, reduces stress, and contributes to overall well-being.
Practical Health Tips: The talk included practical advice on maintaining hygiene, balanced nutrition, and clean surroundings, tying these practices to the benefits of a greener environment. The discussion was interactive, with NSS volunteers engaging students through questions and sharing simple health tips they could adopt daily.

Educational Focus
Interactive Approach: The program was designed to maintain high levels of engagement. NSS volunteers played a key role in facilitating small group discussions and interactive activities, such as a quiz on the benefits of trees and plants.
Long-Term Impact: Students learned that their efforts in maintaining the school garden would contribute to a sustainable and healthy campus for years to come.

Impact and Feedback
The collaboration between KMCT Dental College and the NSS team brought significant value to the program, leveraging the NSS's experience in community service to enhance the overall impact. Students expressed their excitement about participating in the gardening drive, with one student noting, "It was fun learning how to plant and understanding why we need to take care of the environment." Teachers highlighted the importance of such collaborative efforts, praising the initiative for combining practical learning with educational talks.

The principal of GLP School thanked KMCT Dental College and the NSS team for their commitment to the school's development, emphasizing that the event was both educational and motivational for the students.

Conclusion

The school gardening drive and health education talk conducted in collaboration with the NSS team successfully combined environmental education with health awareness. This joint effort underscored the importance of nurturing green spaces and maintaining personal health, creating a lasting impact on the students and staff at GLP School. The success of this program reinforced KMCT Dental College's mission to contribute to community well-being through partnerships and sustainability initiatives. Future plans include more collaborative activities with the NSS and similar organizations to extend the reach and impact of the Green Campus Initiative.

2. NSS and Green Campus Initiative at KMCT Dental College

On January 8, 2024 (Monday), the NSS unit of KMCT Dental College launched a notable event comprising a cleanliness drive and the "Sneharamam" project at Kambanimukku, demonstrating the college's commitment to community welfare and environmental stewardship.

Cleanliness Drive and Community Impact

The cleanliness drive was designed to enhance the hygiene and aesthetic value of Kambanimukku. Volunteers, including students and faculty members, actively engaged in tasks such as collecting litter, sweeping streets, and clearing debris. This initiative not only improved the physical environment but also fostered a sense of unity and responsibility among the local population. The event was marked by the presence of prominent figures such as Dr. Manoj Kumar, the principal of KMCT Dental College, and Dr. Makal Madhav, the NSS programme officer. Their involvement underscored the institution's commitment to social initiatives.

Collaborative Support and Local Involvement

The support of ward members and other local government representatives highlighted a collaborative approach. Their participation reinforced the importance of joint efforts between educational institutions and the community in ensuring the sustainability of such projects.

Sneharamam Project: A Step Towards Compassion

The Sneharamam project was inaugurated as part of the day's activities, further enriching the initiative with its emphasis on compassion and support for community well-being. Through this project, the NSS unit showcased its dedication to social responsibility.

Green Campus Activities

The initiative extended beyond mere cleaning, incorporating sustainable practices such as tree planting and area beautification. These actions aligned with KMCT Dental College's Green Campus ethos:

- Planting Saplings: Volunteers planted saplings to contribute to environmental conservation, enhance air quality, and add natural beauty to the area. These efforts were aimed at fostering a greener community and mitigating climate change.
- Waste Management: Measures were taken to transform waste dump sites into cleaner, more functional spaces. This involved waste collection, proper disposal techniques, and strategies to prevent future littering, laying

the groundwork for a sustainable waste management system.

- Beautification Efforts: Enhancing the visual appeal of Kambanimukku included installing decorative elements, repairing existing infrastructure, and creating community-friendly spaces such as benches and flower beds. Such efforts help build a sense of pride among residents and encourage continued upkeep of public areas.

Conclusion

The NSS and Green Campus initiative at KMCT Dental College, highlighted by the cleanliness drive and the Sneharamam project, stands as a testament to the college's dedication to holistic development—merging environmental conservation, community service, and the promotion of social welfare. These initiatives collectively contribute to a sustainable and healthy environment while inspiring ongoing community participation and support.
