## **INSTITUTIONAL BEST PRACTICES**

### **1. PALLIATIVE CARE**

#### **Best practice 1: “Palliative care” in association with Institute of Palliative Medicine (IPM), Calicut**

Our institute believes in helping the people who are terminally ill by providing both mental and medical support. Hence, the Department of Public health Dentistry, KMCT Dental college has been conducting training for interns of our institute, in collaboration with Institute of Palliative Medicine (IPM), Calicut since 2018.

Institute of Palliative Medicine is the first centre for Community Participation in Palliative Care and Long Term Care; which WHO is collaborating with and helps in spreading “Kerala model” of Palliative care worldwide. Hence our college considers this as a great opportunity, so that Interns of KMCT Dental College can learn the palliative care practices effectively and cultivate a mentality to help the people who are terminally ill.

#### **Objectives of practice:**

**KMCT**  
DENTAL COLLEGE

Recognised Research Centre of Kerala University of Health Sciences  
Recognised by Dental Council of India and Govt. of India  
KMCT Medical College Campus, Mukkam, Kozhikode-673602  
Phone: (0495)2292002, 2292004  
E-mail: dental@kmct.edu.in, website: www.kmctdentalcollege.org

1. To provide palliative care to the patients with life threatening diseases.
2. To improve the quality of life of the patients and that of their families who are facing challenges associated with the illness.
3. To reduce the unnecessary hospital admissions of the patients by doing intermittent home visits.
4. To prepare our Interns a better human being by providing them an opportunity to help the people who are critically ill.

**The context :**

- Palliative care aims to improve the quality of life of a patient with life threatening disease.
- Early delivery of palliative care is important, so that the unnecessary hospitalization can be minimized.
- The help provided by the volunteers must be regular and a team has to be set for this purpose.
- The volunteers must have a sense of humanity and empathy towards the patient and their family.

**The Practise:**

**KMCT**  
DENTAL COLLEGE

Recognised Research Centre of Kerala University of Health Sciences  
Recognised by Dental Council of India and Govt. of India  
KMCT Medical College Campus, Mulkam, Kozhikode-673602  
Phone: (0495)2292002, 2292004  
E-mail: dental@kmct.edu.in, website: www.kmctdentalcollege.org

The interns who are posted in the Department of Public health Dentistry of our institute will be sent for posting in IPM, Calicut; on a regular rotation basis for the entire year with duration of 1 week for each batch. Each batch usually consists of 2 to 3 interns and it is compulsory to attend the 7 days and if incase missed in between, they must compensate it later and then only completion certificate will be issued by the IPM institute. There will be both Out-Patient and In-Patient postings in the palliative center and each Intern will be directed by a Doctor of IPM. In OP area, they will be doing all sort of examinations needed and prescribing the medicines under the guidance of the IPM team. In the IP sessions, Interns will be going for regular check ups with the IPM team and in a week, one to two home visists also will be done for terminally ill patients.

**Evidence of success :**

The interns of KMCT Dental college who attended posting in Institute of Palliative Medicine, Calicut gets trained in Palliative care and medicine and they learn how to deal with the terminally ill patients in an appropriate manner.

**Problems encountered and Resources required :**

Iniatially we encountered delay to get permission from the IPM Authority and to get a working plan for our interns and later on the issue got solved and posting went smoothly.

WHEREAS, The Institute of Palliative Medicine, Kozhikode, Kerala- 673 008 which started in 2004. IPM is the pioneer of palliative care movement in South East Asia. As the first World Health Organisation Collaborating Centre for Community Participation in Palliative Care and Long Term Care (WHOCC) in developing countries. IPM is instrumental in developing the "Kerala Model" of palliative care which is popular among the palliative care fraternity worldwide. IPM is the training, research and outreach arm of Pain and Palliative Care Society (PPCS). It is located in the Medical College campus, Kozhikode.

WHEREAS, KMCT Dental College (KMCTDC), a part of KMCT Group of Institutions set up by the Kunhitharuval Memorial Charitable Trust (KMCT) Manassery, Mulkam Reg. no. 252/1999 is situated at Manassery, Mulkam, Kozhikode with 20 bed strength, spread over 50 acre area. Inaugurated in 2006, both the OP and IP departments are functional from 2006

WHEREAS the two Parties, agree to take part in the academic and research collaboration.

NOW, THEREFORE, in consideration of the mutual promises made herein and of good and valuable consideration, the receipt and sufficiency of which both IPM and KMCTDC hereby acknowledge (IPM and KMCTDC hereby agree to the following protocols governing their collaboration in the academic programmes and research and to sign this Memorandum Of Understanding (MoU))

#### ARTICLE-I: SCOPE

The Scope of collaboration on academic and research activities in this Memorandum of Understanding includes the following and such similar research areas of mutual interest.

1. Joint Research and Development
2. Jointly Organizing seminars, workshops, conferences and other academic activities
3. Student Internship / observerships
4. Conduct of Community Development Programs
5. Faculty training / fellowship programmes
6. Home care visits

#### ARTICLE-II: TERMS OF INTERACTIONS

The two parties agree to take part in the joint research initiatives and academic programs as mentioned above in Article I. In the projects identified for collaboration, faculty, students and staff from the two Institutes will collaborate in carrying out the research activity in palliative medicine as proposed in the project proposals approved by the Institutional Ethics Committee of KMCTDC and IPM (to be added as an Annexure-1) after obtaining all

necessary approvals and permissions subscribing to the guidelines applicable. The research proposals will be developed with the collaborative efforts of KMCTDC and IPM.

IPM will allow student internship/observerships and faculty training and fellowship programs. IPM will collect a nominal fee from students undergoing observership etc as per the policy of the institute however exempting charging of fee from interns under this collaboration.

#### ARTICLE-III: SHARING OF FACILITIES

- A. IPM and KMCTDC shall make provisions to share their respective important R&D facilities in order to carry out research projects.
- B. IPM and KMCTDC shall permit sharing facilities to their premises required to carry out research projects, if permissible within the rules governing the two organizations.
- C. IPM and KMCTDC shall provide access to the library facilities to personnel of both the organizations involved in the projects as per the applicable rules and norms.

#### ARTICLE-IV: RESPONSIBILITIES OF EACH PARTY

##### Responsibilities of KMCTDC

1. KMCTDC will refer patients to IPM for further palliative care, as required for the collaborative projects.
2. KMCTDC will also provide all required support in terms of data and de-identified clinical information which shall come to help in the research projects.
3. KMCTDC will obtain all necessary permissions, approvals and certification, including informed consents and assure strict compliance with all ethical and legal mandates and follow all national and international guidelines including that of Indian Council of Medical Research (ICMR) for collaborative research.
4. The faculty and researchers in KMCTDC related to their research projects will visit IPM to have discussions and periodic monitoring of the progress of the research. The mutual visits will be done with prior discussion and appointments.

##### Responsibilities of IPM Calicut

1. IPM will allow access to de-identified patient's clinical data for the conduct of research and provide necessary reports for the research purpose following Ethical Committee approval.
2. IPM will also facilitate visits of faculty and students in KMCTDC to IPM for observership and training programmes and research based on palliative medicine.

3. IPM will also obtain all necessary permissions, approvals and certification, including informed consents and assure strict compliance with all ethical and legal mandates and follow all national and international guidelines including that of Indian Council of Medical Research (ICMR) for collaborative research.

#### ARTICLE-V: ACADEMIC COLLABORATION

1. All the activities under academic collaboration in this article will be subjected to the appropriate approval from the Director of IPM and competent authorities and official bodies.
2. Faculty from KMCTDC will be invited to handle selected topics in the courses of programmes offered by IPM.
3. Faculty from IPM will be invited to handle selected topics in the courses of programmes offered by KMCTDC.
4. Joint research and academic guidance in palliative care between KMCTDC and IPM.
5. Joint Internship and training will be provided at KMCTDC and IPM for students from KMCTDC as per need, as per the applicable rules and norms, and with prior permission.

#### ARTICLE-VI: EFFECTIVE DATE AND DURATION OF MoU

- A. This MoU shall be effective from the date of its approval by competent authorities at both ends.
- B. The duration of the MoU shall be for a period of three years from the effective date.
- C. This MoU may be extended or terminated by a prior notice of not less than three months by either party. However, termination of the MoU will not in any manner affect the interests of the students/faculty/scientists who have been admitted to pursue a programme under this MoU, and the same shall be subjected to the final decision of the heads of the respective institutions.
- D. The progress of the research will be reviewed periodically and necessary measures will be taken to address the challenges and to take it forward.
- E. If any of the partner institution wishes to terminate the MoU at the end of the stipulated period (3 years) it must notify the other institution not less than three months prior to the expiry of the MoU.

#### ARTICLE-VII: IPR

Rights regarding publications, patents, royalty, etc. under the scope of this MoU shall be equally shared between IPM and KMCTDC, with mutual consent between the two parties.

#### ARTICLE-VIII: CONFIDENTIALITY

During the tenancy of the MoU, both IPM and KMCTDC will maintain strict confidentiality and prevent disclosure of all the confidential information and data exchanged under the scope of this MoU for any purpose other than in accordance with this MoU.

'CONFIDENTIAL INFORMATION' shall mean any proprietary information, data or facts belonging to PARTIES collectively or severally, disclosed by the disclosing party under this agreement or any subsequent agreement, whether in writing, verbal or electronically, irrespective of the medium in which such information is stored, which is marked confidential or with any other words having similar meaning by the disclosing party, or specifically agreed to be kept confidential by the parties, or declared or identified so by the disclosing party before such disclosure or during the discussions.

Confidentiality of patient related information will be given prime importance as suggested by the Institutional Ethics Committee (IEC) of KMCTDC and IPM. No data related to patients will be used out of the purview of this research and all patient identifiers will be masked.

Both IPM and KMCTDC shall bind their respective personnel who come into possession or knowledge of any confidential information not to disclose the same to third parties without written approval of the disclosing party or use such confidential information for any use other than intended under this agreement or projects.

Further, both IPM and KMCTDC shall put in place adequate and reasonable measures to keep and store confidential information secure so as to prevent any unauthorized use. This clause shall survive the termination or expiry of this MoU.

#### ARTICLE-IX: AMENDMENTS

Any Article or clause of the MoU may be modified or amended by mutual agreement of KMCTDC and IPM. Any amendment or modification to this MoU shall be in writing and signed by both the parties hereto and shall only after such execution be deemed to form part of the MoU.

#### ARTICLE-X: RESOLUTION OF DISPUTES

This agreement shall take effect and be construed in accordance with the Laws of India.

If dispute or difference whatsoever arises between the Parties in relation to or in connection with this MoU, both the parties shall first try to resolve the dispute/difference amicably between themselves failing which the matter shall be resolved through arbitration and the place of arbitration shall be Calicut.

We need your help in fulfilling the mission to relieve pain and suffering among long term patients

To

The Principal  
KMCT DENTAL COLLEGE

Dear Sir,

Institute of Palliative Medicine (IPM) at Kozhikode Medical college campus has been attempting to improve the quality of life of people in their last phase of life. We are involved in running outpatient units, inpatient beds and home care for the incurably ill, bed ridden and dying people in and around Calicut.

Currently students from more than 35 colleges in and around Kozhikode are associating with us in various activities under the banner of SIP ( Students In Palliative Care).

We seek your permission to give an awareness class to your students and also make them aware of various volunteering opportunities at IPM. We kindly request you to nominate one of your teachers to coordinate the activities. We at IPM will then approach the students through the nominated teacher.

Thanking you  
Yours faithfully

Secretary  
PPCS
