TO WHOM IT MAY CONCERN

I am privileged to write in support of my esteemed staff Dr. Subin Bharath, who worked with me since 01.03.2007 till date, during which time I witnessed his tremendous growth and development. This development came not only in the area of clinical and academic achievement, but in maturity and character as well.

Dr. Subin Bharath manages his time and work in group situations under strict deadlines, and to recognize the importance of a strong work ethic, persistence, and intellectual integrity. His clinical skill and patient management has been par excellent. He has since become the most valuable member of my department, and a role model for his newer colleagues.

I recommend Dr. Subin Bharath to any academic or clinical program with absolute confidence. He has made me proud, as his Professor and friend, and I am sure will continue to do so in the future. I am sure and absolutely confident that he will be an asset to any institution that he joins.

Thank you for the opportunity of correspondence,
