WORKSHOP ON EBSCO HOST TRAINING

Date : 27.12.2021 Venue : Digital Library KMCT Dental College Time : 10.00 am – 3.30 pm
Faculty name: Mr. NANDLAL T S No. of Participants : 32
Summary: **The KMCT Dental College organised a workshop on "EBSCO host training on 27 thdecember held at Digital Library . Session begins at 10 am . Speaker was an eminent personality, Mr.Nandalal T S Senior Training Manager EBSCO . He has conducted so many workshops about EBSCO all over India.A total of 32 participants attended the programme including faculties and post graduates. He detailed about how to use EBSCO as a tool for research work followed by hands on session . At the end of the session, an assignment was given to all participants and instructed send the same to his mail id . Those who completed the assignment, got their participation certificate . The entire session ended by 3. 30. Tea and snacks are served . Session is ended with validictory note by librarian .** **The session was extremely useful for faculties and post graduates especially for thesis preparation and scientific write up and research purpose. This training helps to organise their research work and it is beneficial to the institution .**

EBSCO*host*® Training: Attend, Learn & be Future Ready

EBSCO*host* is an intuitive online research platform used by thousands of institutions and millions of users worldwide. With quality databases and search features, EBSCOhost helps researchers of all kinds find the information they need fast.

Invest in your future by attending our effective EBSCO*host* training class, which will introduce you to Dental Research Powered by EBSCO's Dentistry & Oral Sciences Source

Search EBSCO*host* at

Access URL: https://search.ebscohost.com

DATE: Monday, December 27, 2021

TIME: 08:30 am

VENUE: Digital Library KMCT Dental College

SPEAKER: Mr. Nanda Lal T.S., Sr Training Manager, EBSCO

CONVENER: : Mr. Shafeeqe, Librarian

KMCT Dental College, Mukkam, Kerala, 673602

Please install the redesigned EBSCO Mobile App

prior to the sessions from https://onelink.to/ebsco

The Learning Objectives:

- Want to discover new project/research ideas?
- Want to track the new trends?
- Want to spend less time trying to find information for your assignments? Learn time-saving features for your research using EBSCOhost?
- Do you want to retrieve the right set of articles out of millions of articles?
- Confused about referencing (APA, Harvard, etc.)?
- Want to save and organize your research information easily?
- Want to stay current in your area of interest without having to travel through library resources, page after page...? Learn how to receive alerts on the new contents and journals of your interest.
- Want to learn a quick way to navigation and understand an article? Know more about HTML articles.
- Don't want to read the article? Learn how to download and listen it later.
- Want to access 24X7? Know more about Mobile App, Google Authentication, Remote Access etc.

Outline of Workshop

- **How to prepare a scientific manuscript for high – impact journal**
  - **Original article**
  - **Systematic Review**
- **How to select a suitable journal**
- **How to respond to reviewer's comments**
- **How to use the reporting guidelines to enhance quality**

Dr. Betsy Joseph M.D.S., Ph.D.

Professor
Department of Periodontics
Saveetha Dental College & Hospital

Team Player, Problem-Solver, Solution-Focused and Creative-Thinker. Academically - oriented, ambitious periodontist who is passionate about seeking higher grounds in scientific research with 13 years of experience in academics, research, and active clinical practice with excellent organizational and interpersonal skills.

Programme Schedule

10.00 am : Welcome Speech

Dr. Usha Balan

(In Charge –Faculty Quality Improvement, KMCT Dental College)

10.15 am : Inauguration of the Session

Dr. Manoj Kumar K. P.

(Principal - KMCT Dental College)

10.30 am : Introduction of Keynote speaker

Dr. Prejith Sampath

(Co-in charge, Faculty Quality Improvement KMCT Dental College)

10.40 am. – 11.40 am

How to prepare a scientific manuscript for high-impact journal

11.40 am -12.00 pm : High tea

12.00 pm – 1.00 pm

How to select a suitable journal

How to respond to reviewer's comments

1.00 pm. - 2.00 pm : Lunch Break

2.00 pm. - 3.00 p.m.

How to use the reporting guidelines to enhance quality

3.00 pm – 3.30 pm

Interactive session with the Speaker

3.30 pm : Vote of thanks

Dr. Dhanya Muralidharan

(Head-in-charge of Research and Collaborations, KMCT Dental College)

"OPENING YOUR DOOR TO LASER DENTISTRY" BY BIOLASE

Date : 13.08.21 & 14.08.21 **Venue : Lecture Hall, Dental College**

Time : 09.00 am to 5.00 pm

Faculty name: Dr.AnishVarkey **No. of Participants : 34**

Summary:

The 2 day workshop had an objective to help the participants understand and implement the most effective DIODE LASER techniques and procedures into their routine dental practice to improve overall patient care.

Faculty was Dr AnishVarkey is the Reader in department of periodontics in KMCT dental college. He is been into laser practice for last 5 years and is very knowledgeable in the field of laser dentistry. The program offered a unique combination of lectures and hands-on training designed to benefit the budding dentists. On successful completion of this 2 full day hands on program, professionals were equipped with knowledge and skills to apply and integrate laser dentistry into their practice and move towards improved patience satisfaction.

This was organised by the Dept. of Periodontics, KMCT Dental College in collaboration with BIOLASE. A total of 34 participants actively attended the session including staffs, PGs and students.

WEBINAR ON STUDY DESIGNS IN BIOMEDICAL RESEARCH

Date : 15.03.2021	**Platform :CiscoWebex**	**Time : 9.30am to 3.30pm**
Resource Person: Dr.Dhanya M ,Dr.Arun Paul, Dr Bindu Mohandas		
Dept of Public Health Dentistry		**No. of Participants : 53**

Summary:

The webinar started on 9.30 am and it was on online platform . 53 participants attended the programme including the faculties and post graduates . The resource persons for the webinar are well knowledgeable about study designs with years of experience in the field.

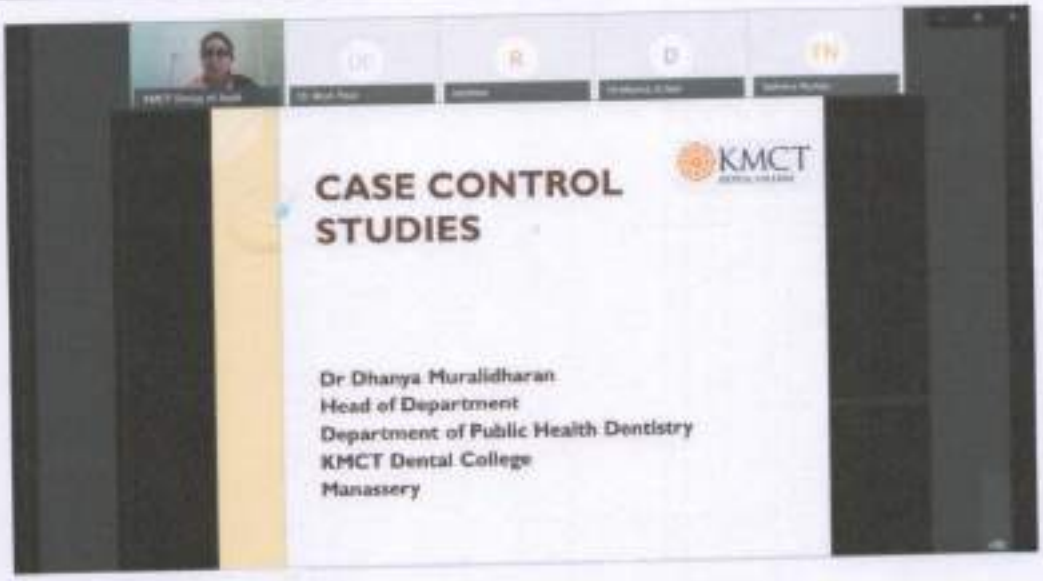

This webinar was mainly aimed at providing research scholars and young budding doctors with learning experience of Study designs that are being used for research in the medical field. Dr Dhanya gave an inroduction about importance of the biostatics study design. She focused more on practical aspect of biostatics . Dr Bindu Mohandas taken a session on various study designs and their pros and cons. After the class everybody got an idea about the study designs suited for their own research. The sessions in this workshop had been designed in such a way that the participant would have useful information of the descriptive study designs. It also focused on helping the attendees choose the appropriate study for their topic of interest.

It was organised and hosted by Dept of Public Health Dentistry, KMCT Dental College. There were also various group exercises to make the session and learning more simplified and interesting. Assignments were given during the programme which make the session more interactive . All the participants got certificate of participation .

Faculty name: Dr. RIAZ ABDULLAH		**No. of Participants: 54**

Summary:

The CDE conducted through online platform and session started on 10 am .resource person was Dr Riaz Abdullah, professor , department of oral pathology, KMCT dental college.

The purpose of this seminar is to give the participant information on how to write a research proposal to the funding agency so that he/she can get the desired budget. Key aspects were highlighted and practical tips were emphasized. As research budgets are being reduced by many funding agencies and more researchers are competing for it, it is becoming increasingly important to be able to write a grant proposal of high quality. He detailed about ICMR grant guideline for both postgraduates and interns . he emphasize more on differents grant options from Goverment and private organizations. He made more clarity on how to apply for different grants .

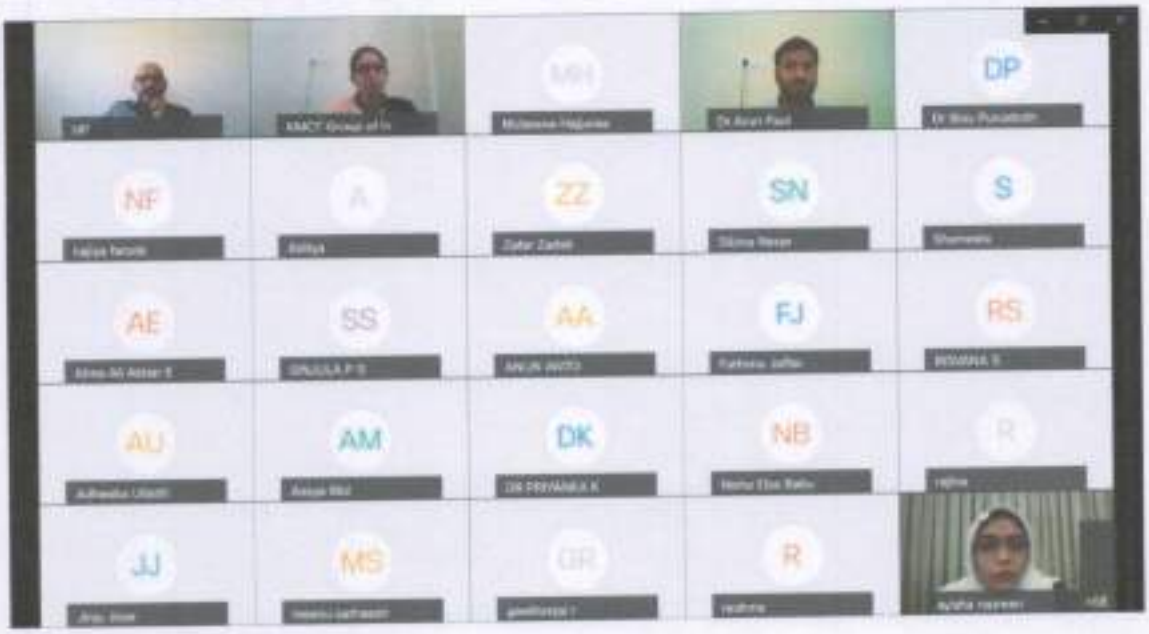

This Webinar emphasized basically the tips and tricks for successfully writing a Grants proposal to the staffs and PGs of KMCT Dental College. This was organised by the Dept. of Pedodontics, KMCT Dental College. A total of 54 participants actively attended the session including faculties and interns . session was really interactive and assignments were given after the session . certificate of participation was given to all participants . Session was well appreciated by participants .

THREE DAY INTERDISCIPLINARY WEBINAR ON RESEARCH METHODOLOGY FOR BIOMEDICAL RESEARCH

Date : 06.10.20 – 08.10.20 **Platform :CiscoWebex** **Time : 8.30am to 5.00pm**

Guest Faculties : Dr.ChandrashekharJanakiram& Dr.Biju George **No. of Participants : 97**

Faculties from Dept of Community Medicine and Public Health Dentistry

Summary:

Due to the Covid-19 pandemic and restrictions, the Workshop was conducted as a Webinar via CiscoWebex platform.

The resource persons were Dr Chandra sekharJanakiram, Professor and HOD, Department of public health dentistry, Amrita School Of Dentistry and Dr Biju George , associate professor deparment of community medicine , calicut medical college .Both of them are well known legends in biostatics and research.sessions were also taken by eminent resource personalities from kmct institutions. The webinar mainly aimed at building capacity among researchers regarding scientific ways of formulating research questions, adopting proper study designs, sampling tools and learning about data management in broader perspective. It also focused on research preparation abiding to the rules and regulations of ICMR, WHO. It also provided an overview and introduction to the basics of softwares used in research like SPSS, Excel etc.

It was a 3 day comprehensive workshop conducted by Dept of Public Health dentistry in conjunction with Dept of Community Medicine, KMCT Medical College. There were also various exercises and hands own on Thesis Protocol preparation, presentation and corrections as per the guidelines of the University. All the 97 participants (48 medical PG trainees, 23 dental PG trainees and 26 Pharm.D students) were present on all the 3 days.

Last Date For Registration- 30th Sept-2020

OBJECTIVES OF THE WORKSHOP

The Objective of this course is to enhance the knowledge in fundamentals of Research Methodology. The workshop aims at building capacity among researchers regarding scientific ways of formulating research questions; adopting proper study designs; sampling tools; learning data management in broader perspective along with rules and regulations of protocol writing. It will enable the Researchers to develop the most appropriate methodology for their Research Studies.

TOPICS TO BE COVERED

1. Introduction to research
2. Literature search
3. Developing research question and hypothesis
4. Study designs
5. Developing research protocol
6. Sample size estimation
7. Data management
8. Research ethics
9. Biostatistics- Basic to advanced
10. Hands on Research software- SPSS

TEACHING AND LEARNING METHODS

- Online sessions with discussion on every topic
- Home assignments
- Protocol designing with individual guidance

ORGANIZING COMMITTEE

CHIEF PATRON

Dr. K. Moidu
Chairman - KMCT Group of Institutions

Dr. Navas K. M.
CEO & Executive Trustee - KMCT Group of Institutions

WEBINAR ON GUIDELINES FOR GOOD CLINICAL PRACTICE TRIALS ON PHARMACEUTICAL PRODUCTS

Date : 17.09.2020	**Platform :CiscoWebex**	**Time : 9.30 am – 3.30 pm**

Faculty name: Dr. Shaikh Ubedulla SID &Dr.ReshmiHaridas

No. of Participants : 62

Summary:

This seminar emphasized basically the importance of Good Clinical Practice (GCP) as an international ethical and quality standard for the design, conduct, performance, monitoring, auditing, recording, analyses, and reporting of clinical trial that provides assurance that the rights, safety, and well-being of human research participants are well protected, data and reported results are credible and accurate.

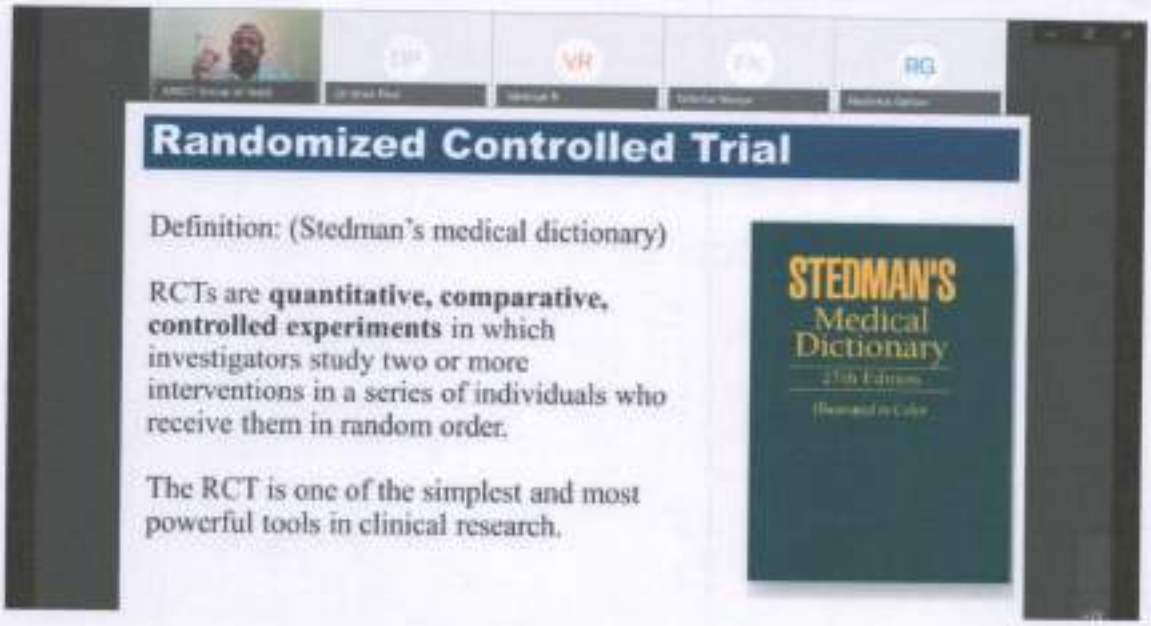

This was organised by the Dept. of Public Health Dentistry, KMCT Dental College. Session was organised through Cisco Webex and started at 9.30 am . Speakers are eminent personalities in the field and well knowledgeable in the filed . This is unique in a way that it is well interactive . Doubt clearance session was well appreciated by particpitants .A total of 62 participants actively attended the session.

WORKSHOP ON BASICS OF DIFFERENT TOOLS USED FOR DATA COLLECTION AND ANALYSIS IN BIOMEDICAL RESEARCH

Date : 07.02.20 Time : 9.30am to 3.30pm	Venue :Lecture Hall, Dental College No. of Participants : 34
Resource Person: Dr.MeeraS Nair (Assistant Professor, Dept of Community Medicine, KMCT Medical College) Dr.Dhanya M and Dr.Arun Paul (Faculties from Dept of Public Health Dentistry)	

Summary:

Programme started at morning 9.30 and ended by 3.30 pm . Lunch was provided in the afternoon and tea and snacks was provided in between the session.

Dr Meera S Nair is the Assistant professor in department of community medicine , KMCT Medical college .in her speech study design , formulation of hypothesis and protocol writing was discussed . she has also talked about sampling and sample size calculation . Dr Dhanya talked about ethics in research and Dr Arun Paul discussed about reaserch tools.

This workshop was mainly aimed at providing research scholars and young budding doctors information regarding the various methods of collecting and measuring information on variables of interest in a systematic way for the purpose of formulating the result.

It also summarised about the different methods of data analysis which helps in arriving at our conclusion of the study. An introduction to the basics of different softwares that

SEMINAR ON STANDARDS OF GOOD CLINICAL RESEARCH PRACTICE (GOOD CLINICAL, LABORATORY, PHARMACY AND COLLECTION PRACTICES)

Date :20.01.20 Venue : Lecture Hall, Dental College Time : 9.30 am – 3.30 pm

Faculty name: Dr.ShaikhUbedulla SID &Dr.ReshmiHaridas

No. of Participants : 40

Summary:

Dr.ShaikhUbedulla SID is the professor in department of pharmacology in KMCT &Dr.ReshmiHaridas is HOD in department of public health dentistry in Kannur dental college.programme started at 9.30 am in the morning and ended by 3.30 pm.

Good Clinical Practice (GCP) is an international ethical and quality standard for the design, conduct, performance, monitoring, auditing, recording, analyses, and reporting of clinical trials. It also provides assurance that the rights, safety and well-being of human research participants are well protected as well as the data and reported results are credible and accurate. The conduct of clinical research in accordance with the principles of GCP helps to ensure that clinical research participants are not exposed to undue risk, and that data generated from the research are valid and accurate. By providing a basis both for the scientific and ethical integrity of research involving human subjects and for generating valid observations and sound documentation of the findings,

This seminar made the participants aware of the national ethical guidelines for biomedical and health research involving human participants by ICMR and national ethical guidelines for biomedical research involving children by ICMR to the staffs, students and PGs of KMCT Dental College.

SEMINAR ON WRITING FOR RESEARCH GRANT : "BASIC UNDERSTANDING OF RESEARCH GRANT PROPOSALS"

Date : 23.11.19 Venue : Lecture hall 2, Dental College Time : 10.00 am – 3.00 pm
Faculty name: Dr. RIAZ ABDULLAH No. of Participants : 75

Summary:

Research funding is essential to enable high quality research, but training in how to apply for such funding is relatively limited. This seminar aimed to provide guidance for new researchers setting out to write a research grant proposal

Programme started at 10 am and ended at 3 pm . Dr. RIAZ ABDULLAH is the professor in department of oral pathology, Yenopoya Dental college . He is well reputed personality in the topic . He highlighted the importance, at the outset, of selecting the correct research environment, ensuring adequate support and supervision and identifying the necessary knowledge and expertise needed to deliver the project efficiently and effectively. It also covered the important practical steps involved in developing the proposal, writing and submitting the application, and provides suggestions for maximizing chances of success. He also suggested that the most important component of a grant application that will likely determine the success of the grant is the proposal itself. The proposal needs to be clear, flow well, and should not contain any structural or grammatical errors.

The theory session was followed by an interactive Q n A session and a feedback form by the speaker. This was organised by the Dept. of Pedodontics, KMCT Dental College. A total of 75 participants actively attended the session including staffs, PGs and students.

WORKSHOP ON MYOFUNCTIONAL APPLIANCE TRAINING PROGRAM BY INDOCO REMEDIES.

Date : 11.11.19 **Venue : Lecture Hall, Dental College** **Time : 9.00 am to 4.00 pm**

Faculty name: Dr.AmithAdyanthaya **No. of Participants : 45**

Summary:

This workshop aimed at providing dental students and PGs information to incorporate the use of myofunctional appliance into our clinical practice. The etiology, contributing factors and different treatment options available for correcting different types of malocclusion at the different age groups were discussed. They also suggested the use of myofunctional appliance is a very effective tool in treating malocclusion in mixed dentition patients. He also suggested that conventional orthodontics aimed to force teeth into the desired position. But usually it doesn't address underlying orofacialmyofunctional disorders that were the main cause of the misaligned teeth to begin with, which is why orthodontic relapse occurs in many adults. So inorderto lessen the need for orthodontics and possibly shorten the amount of time spent wearing orthodontic braces by addressing the root of the problem with myofunctional therapy. He suggested that this therapy can stimulate jawbone growth, help expand the upper dental palate and the airway, which allows teeth to become straighter, faster, and remain that way.

This was organised by the Dept. of Pedodontics, KMCT Dental College in collaboration with INDOCO REMEDIES. A total of 45 participants actively attended the session including staffs, PGs and students.

SEMINAR ON PROTECTION OF INTELLECTUAL PROPERTY RIGHTS

Date : 18.09.19	**Venue : Lecture hall, Dental College** **Time : 9.30 am – 2.00 pm**
Faculty name: Dr. LAW WELL MAN.P	**No. of Participants : 69**

Summary:

A CDE Program (lecture) was organized by KMCT Dental College in collaboration with KMCT Law College on 18th September 2019. The topic of the lecture was on Intellectual Property Rights and the guest speaker for the day was Mr. Law Well Man. P, Assistant Professor, Govt. Law College. The program enlightened the participants with the various rights and the laws available to protect their intellectual property.

He also suggested that according to the international convention for protection of industrial (Paris Convention), the protection of industrial property has its objects patents, utility models, the industrial designs, trademarks, service marks, trade names, indications of source or appellations or origin and the repression of unfair competition especially when copyrights, geographical indicators, layout designs and confidential information were included to industrial property, they all become intellectual property.

The event was attended by 69 delegates which included teaching faculty and post graduates of the institution

THREE DAY INTERDISCIPLINARY BASIC WORKSHOP ON RESEARCH METHODOLOGY FOR BIOMEDICAL RESEARCH

Date:27.08.19 – 29.08.19	**Venue: Lecture Hall, Dental College**
Time : 8.30am to 5.00pm	**No. of Participants: 38**

Resource Person: Dr.Biju George (Associate Professor, Dept of Community Medicine, Government Medical College, Kozhikode)

Dr.Dhanya M and Dr.Arun Paul

Faculties from Dept. of Community Medicine and Public Health Dentistry

Summary:

The 3 day collaborative comprehensive workshop was mainly aimed at providing research scholars with learning experience of research methodology and hands-on experience with the various tools which will be useful in their research pursuit. The session was inaugurated by Dr. Manoj Kumar KP, Principal, KMCT Dental College. The sessions in this workshop had been designed in such a way that the participant would have the practical training with each and every element in research process. It also focussed on research preparation abiding to the rules and regulations of ICMR, WHO.

It was organised and hosted by Dept of Public Health Dentistry, KMCT Dental College in conjunction with Dept of Community Medicine, KMCT Medical College. There were also various exercises and hands-on on Thesis Protocol preparation, presentation and corrections as per the guidelines of the University. The session finally ended with emphasizing on the importance of medical and research ethics, biosafety, code of conduct and steps to eliminate plagiarism.

Dr.BinuPurushothaman (Professor and HOD, Dept of Orthodontics) was appointed as

KMCT MEDICAL COLLEGE

3rd THREE DAY INTERDISCIPLINARY BASIC WORKSHOP ON

RESEARCH METHODOLOGY FOR BIOMEDICAL RESEARCH

27th to 29th August 2019

(DCI Credit points / hours awarded)

Sponsored by

Department of Community Medicine
KMCT Medical College, Manassery

IQAC & Department of Public Health Dentistry
KMCT Dental College, Manassery

OBJECTIVE OF THE WORKSHOP

The workshop aims at building capacity among researchers regarding scientific ways of formulating research questions, adopting proper study designs, sampling tools, learning about data management in broader perspective along with rules and regulations of protocol submission to Kerala University of Health Sciences.

TOPICS TO BE COVERED DURING WORKSHOP

1. Introduction to research
2. Literature search
3. Developing research question, hypothesis and objectives
4. Study designs
5. Developing research protocol
6. Sampling and randomisation
7. Sample size estimation
8. Developing research tools
9. Data managememt
10. Research ethics

TEACHING AND LEARNING METHODS

Interactive lectures (PPT)
Practical exercises (manual and computer based)
Group Project presentation by participants

Please note: The participants shall receive a certificate of participation only after attending all sessions of all 3 days. All participants shall bring their own laptop along with internet connection.

Report of workshops/seminars conducted during 2018-2019

WORKSHOP ON PROSTHETIC PROTOCOL IN IMPLANTOLOGY COURSE BY IMPLANT GENESIS.

Date : 18.05.19	**Venue : Lecture Hall**	**Time : 09.00 am to 4.00 pm**
Faculty name: Dr.Sheejith. M		**No. of Participants : 28**

Summary:

This workshop aimed at providing dental students and PGs an overview of the prosthetic rehabilitation protocol to be followed after placement of dental implants. It explained in detail about the various impression techniques and the different materials used for same. The participants were divided into groups and were given opportunity to do impression making on study models (casts). Dr.SheejithM (Professor and HOD, Dept of Prosthodontics) explained about the different impression techniques and demonstrated on the study models. Dr Sheejith was one of the faculty in the field of implantology . The other faculties from department also guided the participants during their hands-on session.

This was organised by the Dept. of Prosthodontics, KMCT Dental College in collaboration with GENESIS IMPLANTS. A total of 28 participants actively attended the session including staffs, PGs and students. All the participants received participation certificate .

WORKSHOP ON BASICS OF DIFFERENT TOOLS USED FOR DATA COLLECTION AND ANALYSIS IN BIOMEDICAL RESEARCH

Date : 06.03.19 **Venue :Lecture Hall, Dental College**

Time : 9.00am to 2.00pm **No. of Participants : 68**

Resource Person: Dr.Bindu Mohandas (Associate Professor, Dept of Community Medicine, KMCT Medical College)

Dr.Dhanya M and Dr.Arun Paul

(Faculties from Dept of Public Health Dentistry)

Summary:

This workshop was mainly aimed at providing research scholars and young budding doctors the various methods of collecting and measuring information on variables of interest in a systematic way for the purpose of formulating the result. The sessions in this workshop also explained the various data collection methods used in biomedical research . topics covered were literature search ,study design , developing hypothesis and protocol writing . Protocol writing on session was really beneficial to the participants especially postgraduates

It also summarized about the different methods of data analysis which helps in arriving at our conclusion of the study. An introduction to the basics of different softwares that can be used in research was also discussed and demonstrated to the participants.

It was organised and hosted by Dept of Public Health Dentistry, KMCT Dental College. There were also various group exercises on preparation of google forms and questionnaires to make the session and learning more interesting and interactive.

SEMINAR ON WRITING FOR RESEARCH GRANT: "GRAB THE GRANT"

Date : 18.12.2018 Venue : Lecture hall 2, Dental College Time : 10.00 am – 3.00 pm

Faculty name: Dr. RIAZ ABDULLAH No. of Participants : 38

Summary:

Dr Riaz Abdullah is a professor of oral pathology in Yenopoya dental college He is very keen in grabbing the grant from different organizations and government bodies .

The purpose of this seminar is to give the participant guidance on how to organize a research proposal in order maximize chances to obtain the desired funding. Key aspects were highlighted and practical tips were emphasized. As research budgets are being reduced by many funding agencies and more researchers are competing for it, it is becoming increasingly important to be able to write a grant proposal of high quality.

The 2 most challenging tasks that every investigator faced in the present seenario were to secure grants and publish papers. He also suggested that in the current funding environment, preparing an outstanding grant proposal is critical, as even minute deficiencies can potentially lead to rejection. Furthermore, publications in reputable journals were crucial to disseminate research findings and promote career development.

This seminar emphasized basically the tips and tricks for successfully writing a Grants proposal to the staffs, students and PGs of KMCT Dental College. This was organised by the Dept. of Pedodontics, KMCT Dental College. A total of 38 participants actively attended the session.

SEMINAR ON CLINICAL TRIAL PROTOCOL AND DESIGN

Date :03.10.18 Venue : Lecture hall 3, Dental College Time : 09.30 am – 3.30 pm
Faculty name: Dr. Shaikh Ubedulla SID &Dr.Rajani Mary George **No. of Participants : 38**
Summary: **Programme started at 9.30 in morning and ended by 3.30 . Dr. Shaikh Ubedulla SID is the professor in department of pharmacology in KMCT dental college &Dr.Rajani Mary George is the professor in department of public health dentistry in PSM dental college .both of them are well knowledgeable about the subject . A total of 38 participants attended the programme and all of them given certificate of participation.** **The objectives of this seminar were to seek cognizance towards principles of Good clinical practice, roles and responsibilities of various stakeholder involved in a clinical research / trials and to understand current ethical and regulatory requirements for conducting clinical research/trial in India. It was also aimed to make participants aware of the national ethical guidelines for biomedical and health research involving human participants by ICMR and national ethical guidelines for biomedical research involving children by ICMR. They also suggested that compliance with GCP provides public assurance that the rights, safety, and well-being of research subjects are protected and respected, consistent with the principles enunciated in the Declaration of Helsinki and other internationally recognized ethical guidelines, and ensures the integrity of clinical research data. Then only our research will receive a global acceptance and recognition.**

WORKSHOP ON BASIC RESEARCH METHODOLOGY FOR BIOMEDICAL RESEARCH

Date : 04.09.18 – 06.09.18	**Venue : Lecture Hall 3, KMCT Medical College**
Time : 8.30am to 5.00pm	**No. of Participants : 42**

Guest Faculty name: Dr.Anish TS

Faculties from Dept of Community Medicine and Public Health Dentistry

Summary:

The collaborative workshop mainly aimed at building capacity among researchers regarding scientific ways of formulating research questions, adopting proper study designs, sampling tools and learning about data management in broader perspective. It also focussed on research preparation abiding to the rules and regulations of ICMR, WHO. It also provided an overview and introduction to the basics of softwares used in research like SPSS, Excel etc.

It was a 3 day comprehensive workshop conducted by Department of Public Health Dentistry in conjunction with Dept of Community Medicine, KMCT Medical College. There were also various exercises and hands own on Thesis Protocol preparation, presentation and corrections as per the guidelines of the University. All the 42 participants (19 medical PG trainees and 23 dental PG trainees) were present on all the 3 days.

Dr.BinuPurushothaman (Professor and HOD, Dept of Orthodontics) was appointed as observer by the Kerala Dental Council for these days.

2nd THREE DAY INTERDISCIPLINARY BASIC WORKSHOP ON

RESEARCH METHODOLOGY FOR BIOMEDICAL RESEARCH

4th to 6th September 2018

(DCI Credit Points / Hours Awaited)

Organised by

- Department of Community Medicine
  KMCT Medical College, Manassery
- IQAC & Department of Public Health Dentistry
  KMCT Dental College, Manassery

OBJECTIVE OF THE WORKSHOP

The workshop aims at building capacity among researchers regarding scientific ways of formulating research questions. Adopting proper study designs, sampling tools, learning about data management in broader perspective along with rules and regulations of protocol submission to Kerala University of Health Sciences

TOPICS TO BE COVERED DURING WORKSHOP

1. Introduction to research
2. Literature search
3. Developing research question, hypothesis and objectives
4. Study designs
5. Developing research protocol
6. Sampling and randomisation
7. Sample size estimation
8. Developing research tools
9. Data management
10. Research ethics

TEACHING AND LEARNING METHODS

Interactive lectures (PPT)
Practical exercises (manual and computer based)
Group Project presentarion by participants

Please note: The participants shall receive a certificate of participation only after attending all sessions of all 3 days. All participants shall bring their own laptop along with internet connection.

Report of workshops/seminars conducted during 2017-2018

SEMINAR ON WRITING FOR RESEARCH GRANT : "GRANT WRITING AND PROPOSAL DEVELOPMENT"

Date :16.05.18 Venue : Lecture hall 2, Dental College Time : 10.00 am – 2.00 pm
Faculty name: Dr. RIAZ ABDULLAH No. of Participants : 48
Summary: **The content and quality of the research proposal you submit to the agency will determine whether or not you are successful. Therefore, it is vital that you have a full understanding of what is required, as well as knowing the various stages of the application process, so that you can maximise your chances of gaining a grant. This seminar discussed in detail what makes a good research proposal and offers a helpful overview for applicants on how to structure your research proposal before sending it for Grants to various funding agencies. The 2 most challenging tasks that every investigator faced in the present scenario were to secure grants and publish papers. He also suggested that in the current funding environment, preparing an outstanding grant proposal is critical, as even minute deficiencies can potentially lead to rejection. Furthermore, publications in reputable journals were crucial to disseminate research findings and promote career development.** **This seminar emphasized steps to follow for successfully writing a Grants proposal to the staffs, students and PGs of KMCT Dental College. This was organised by the Dept. of Pedodontics, KMCT Dental College. A total of 48 participants actively attended the**

SEMINAR ON PROTECTION OF INTELLECTUAL PROPERTY RIGHTS

Date : 20.04.18 Venue : Lecture hall 1, Dental College Time : 9.30 am – 2.00 pm
Faculty name: Dr. LAW WELL MAN.P No. of Participants : 59
Summary: **Session started at 9.30 in the morning and ended by 2 pm in afternoon .** **This seminar emphasized basically the different intellectual property rights to the staffs, students and PGs of KMCT Dental College. These rights provide for the right to benefit from the protection of moral and material interest resulting from the sculpt shape of scientific literature. This programme dealt with understanding of IPR and patents as a whole especially for the dental professionals involved in research and development. It also covered the various components of IPR like Patents, Copyrights, Trademarks, etc. Dr. Law Well Man working as Assistant Professor in Government Law College, Kozhikode headed the sessions.** **This was organised by KMCT Dental College in association with KMCT Law College. A total of 59 participants actively attended the session. All the participants received certificate of participation . the session was well appreciated by participants . active involvement from audience and doubt clearance session made the event a mega success .**

BASICS OF ORAL IMPLANTOLOGY BY IMPLANT GENESIS.

(INDUSTRY ACADEMIA COLLABORATION)

Date : 24.02.18	**Venue : Lecture Hall 2**	**Time : 09.00 am to 4.00 pm**
Faculty name: Dr. Harish Kumar VV and Dr.Santhosh VC		**No. of Participants : 30**

Summary:

Dr harishkumar is the professor in department of period ontology and Dr santhosh VC is the professor in the same department . Both of them have years of experience in implant dentistry taken so many CDEs in the topic .

A continuing dental education on the Basics of Oral Implantology was conducted. The learning objectives were delivered using a combination of small group discussion, practical exercises and lectures. This combination enabled the participants to hear about the concepts, discuss them in cases and apply them during the hands-on session on models. There were also lectures on Basic Implantology, treatment planning, sterilisation, case selection, CBCT interpretation & complications and failures of dental implants. There was an active interactive session with the mentors in the Q n A session in which their queries and doubts were cleared.

This was organised by the Dept. of Periodontics, KMCT Dental College. A total of 30 interns actively attended the session. Hands on session was really appreciated by the participants . certificate of participation is awarded at the end of session .

WORKSHOP ON BASICS OF VARIOUS METHODS OF DATA COLLECTION IN BIOMEDICAL RESEARCH

Date : 27.01.2018 **Venue : Lecture Hall 1, Dental College**

Time : 09.00am to 3.00pm **No. of Participants : 75**

Resource Persons: Dr. Ali Zameel B (Assistant Professor, Dept of Community Medicine, KMCT Medical College)

Dr.Dhanya M and Dr.Arun Paul (Dept of Public Health Dentistry, KMCT Dental College)

Mr.Durgesh Kumar (Statistician, Dept of Community Medicine, KMCT Medical College)

Summary:

This workshop was mainly aimed at providing research scholars and young budding doctors the various methods of collecting and measuring information on variables of interest in a systematic way for the purpose of completing the research. The sessions in this workshop also explained the various data collection methods used in biomedical research such as

- Interviews
- Questionnaires
- Observations
- Documents and research
- Oral histories.

It was organised and hosted by Dept of Public Health Dentistry, KMCT Dental College. There were also various group exercises to make the session and learning more simplified and interesting.

The classes were taken by the faculties and a hands-on session on the introduction to various methods

SEMINAR ON ETHICAL GUIDELINES FOR BIOMEDICAL RESEARCH

Date : 20.10.17 Venue : Lecture hall 1, Dental College Time : 10.00 am – 2.00 pm

Faculty name: Dr. Shaikh Ubedulla SID and Dr.ReshmiHaridas

No. of Participants : 58

Summary:

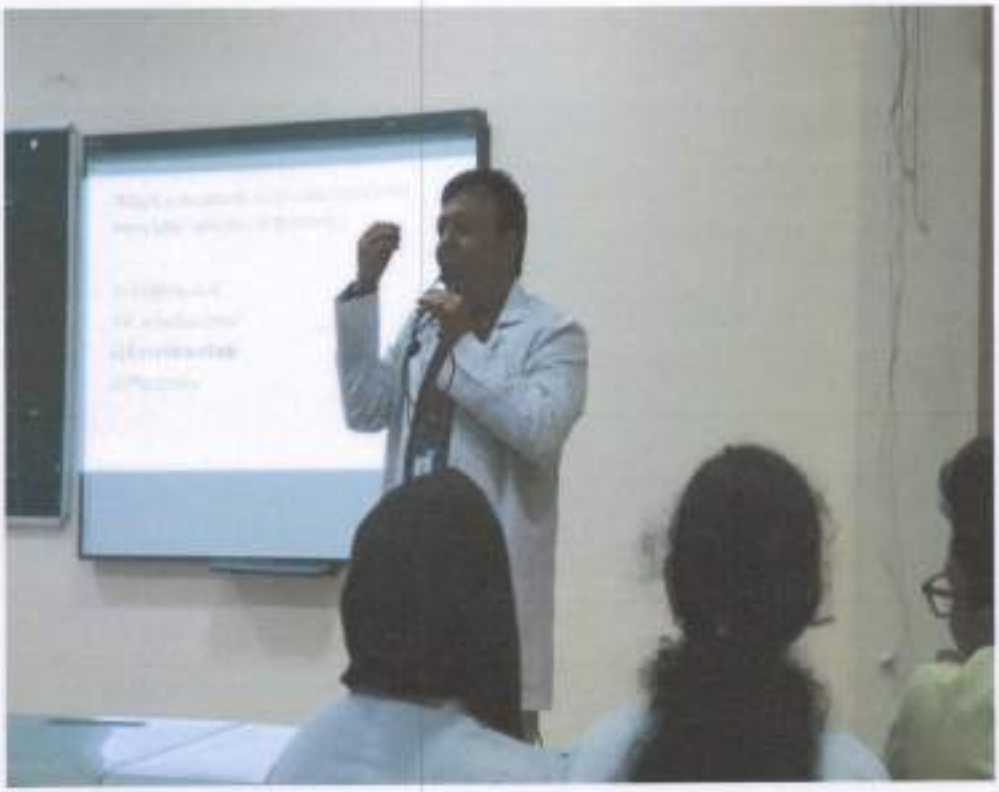

Dr. Shaikh Ubedulla SID and Dr.ReshmiHaridas have conducted many workshops and CDE on ethical guidelines for biomedical research .

The primary objective of the seminar was to enable the participants to understand that by seeking compliance to Good clinical practice, they can give public an assurance that the rights, safety and well-being of human participants are well protected and the data from the study results are credible and accurate. The resource persons, Dr. Shaikh Ubedulla SID and Dr.ReshmiHaridas also suggested that compliance with GCP provided public assurance that the rights, safety, and well-being of research subjects are protected and respected, consistent with the principles enunciated in the Declaration of Helsinki and other internationally recognized ethical guidelines, and ensures the integrity of clinical research data. It also made the staffs, students and PGs of KMCT Dental College aware about the requirements for seeking accreditation/ registration of ethics committees.

This was organised by the Dept. of Public Health Dentistry, KMCT Dental College. A total of 58 participants actively attended the session. All of them received certificate of participation .

WORKSHOP ON RESEARCH METHODOLOGY FOR BIOMEDICAL RESEARCH

Date : 25.09.17 – 27.09.17 **Venue : Lecture Hall 2, KMCT Medical College** **Time : 8.30am to 5.00pm**
Guest Faculty name: Dr. Anish TS **No. of Participants : 20** **Faculties from Dept of Community Medicine and Public Health Dentistry**
Summary: **This 3 day collaborative comprehensive workshop mainly aimed at building capacity among researchers regarding scientific ways of formulating research questions, adopting proper study designs, sampling tools and learning about data management in broader perspective. Dr. Anish TS headed the sessions along with the staffs from Dept of Community Medicine, KMCT Medical College and Dept of Public Health Dentistry, KMCT Dental College. They also focussed on research preparation abiding to the rules and regulations of ICMR, WHO. It also provided an overview and introduction to the basics of softwares used in research like SPSS, Excel etc.** **It was organised Dept of Public Health Dentistry, KMCT Dental College in conjunction with Dept of Community Medicine, KMCT Medical College. There were also various exercises and hands own on Thesis Protocol preparation, presentation and corrections as per the guidelines of the University. The session finally ended with Dr.Dhanya M HOD, Dept of Public Health Dentistry, KMCT Dental College emphasizing on the importance of medical and research ethics, biosafety, code of conduct and steps to eliminate plagiarism.**

"OPENING YOUR DOOR TO LASER DENTISTRY" BY BIOLASE

Date : 27.08.17 Venue : Lecture Hall 2, Dental College Time : 09.00 am to 5.00 pm
Faculty name: Dr.M.S.Saravanakumar No. of Participants : 66
Summary: **The objective of the course was to help the participants understand and implement the most effective DIODE LASER techniques and procedures into their routine dental practice to improve overall patient care. The program offered a unique combination of lectures and hands-on training designed to benefit the dentists. On successful completion of this full day hands on program, professionals were equipped with knowledge and skills to apply and integrate laser dentistry into their practice and move towards improved patience satisfaction. Dr.M.S.Saravanakumar (Senior Consultant in Apollo hospitals, Chennai) who underwent specialized training in Laser Dentistry was the resource person.Live patient demonstration was there. Hand on session on tomatoes is really benefited to the participants . Different uses of laser tip was demonstrated on tomato.** **This was organized by the Dept. of Periodontics, KMCT Dental College in collaboration with BIOLASE. A total of 66 participants actively attended the session including staffs, PGs and students. All of them received certificate of participation and the programme ended by 5 pm . lunch was served in the session**

Report of workshops/seminars conducted during 2016-2017

SEMINAR ON PROTECTION OF INTELLECTUAL PROPERTY RIGHTS

Date : 19.05.17 Venue : Lecture hall 2, Dental College Time : 9.30 am – 2.00 pm
Faculty name: Dr. LAW WELL MAN.P No. of Participants: 63
Summary: Dr. LAW WELL MAN.P is well known for his talks reagarding intellectual property rights . he is the assistant professor in gove law college calicut . programme started at 9.30 am and ended by 2pm with a high tea .

The contents of this seminar were:

- Concepts and relevance of IPR
- Components of IPR
- International Agreements in IPR
- Procedure for Patent writing, filing and granting.

He also suggested that according to the international convention for protection of industrial (Paris Convention), the protection of industrial property has its objects patents, utility models, the industrial designs, trademarks, service marks, trade names, indications of source or appellations or origin and the repression of unfair competition especially when copyrights, geographical indicators, layout designs and confidential information were included to industrial property, they all become intellectual property. This was organised by KMCT Dental College in association with KMCT Law College. A total of 63 participants actively attended the session.doubtclearnce session really beneficial . benefits of IPR really made a spark in the young minds of KMCT .

SEMINAR AND LIVE DEMO IN DIRECT RESTORATIVE THERAPY BY IVOCLAR VIVADENT INDIA.

Date : 28.04.17	**Venue : Lecture Hall 1, Dental College**
Time : 09.00 am to 3.00pm	
Faculty name: Dr.ShaikhShafe Khalid MdShakil	**No. of Participants : 50**

Summary:

Dr.ShaikhShafe Khalid MdShakilis a busy endodontist aspiring new techniques and concepts into the practice

A comprehensive and illustrious presentation covered certain new materials and techniques in the world of restorative dentistry and the recent concepts of functional aesthetics for predictable and long-lasting results. He also covered Direct restorative principles and their application to rehabilitate worn out dentition. The lecture was complemented with a live demonstration of the application of this restoration on a patient. This was really helpful for the participants . Discussion about different dental materials made the audience really lively. Finally, some marketing and practice management pointers were discussed.

This was organised by the Dept. of Conservative Dentistry & Endodontics, KMCT Dental College. A total of 50 participants actively attended the session including staffs, PGs and students. All of them received certificate of participation at the end of the seesion .

SEMINAR ON WRITING FOR RESEARCH GRANT: "WRITE WINNING GRANTS"

Date : 23.03.17 Venue : Lecture hall 1, Dental College Time : 10.00 am – 3.00 pm
Faculty name: Dr. RIAZ ABDULLAH No. of Participants : 62
Summary: Dr. RIAZ ABDULLAH is a highly skilled person in obtaining different grants from organization and government bodies . his talks gave us an insight how the grants and funds helps research of the individual and institution. **At the present scenario, all the national and international funding agencies of research are reducing the funds that they used to allow as grants for budding scientists and research scholars. In order to get a good funding source, the idea of your research needs to be excellent and also the presentation of your research needs to be according to the mission of the agency. In this seminar, the speaker gave a great narration on how to structure your research proposal before sending it for Grants to various funding agencies.** **This seminar emphasized basically the importance of successfully writing a Grants proposal to the staffs, students and PGs of KMCT Dental College.** **This was organized by the Dept. of Pedodontics, KMCT Dental College. A total of 62 participants actively attended the session including post graduates and faculties. First year post graduates are really benefited as their research work was just started. Many faculties gave positive feedback abou the session .session ended by 3 pm**

WORKSHOP ON BASICS OF VARIOUS STEPS IN BIOMEDICAL RESEARCH

Date : 17.02.17	**Venue : Lecture Hall 1, Dental College**
Time : 9.30am to 3.30pm	**No. of Participants : 68**

Resource Person: Dr.Dhanya M and Dr.ArunPaul

Faculties from Dept of Public Health Dentistry

Summary:

Dr.Dhanya M and Dr.Arun Paul are well known speakers for research methodology and conducted so many work shop in the topic and was part of many CDE in other institutions . programme started at 9.30 am and tea and lunch served in between the sessions

This workshop was mainly aimed at providing research scholars and young budding doctors the importance of conducting various clinical and pathological researches for the development of their ideas. The sessions in this workshop also explained the various steps in biomedical research that is from formulating a research idea till writing the report and publishing the work. The formulating of a research idea was done Dr.DhanyaMuralidharan, HOD, Dept of Public Health Dentistry, KMCT Dental College and completion of research and publishing was discussed by Dr.Arun Paul, Senior Lecturer, Dept of Public Health Dentistry. It was organized and hosted by Dept of Public Health Dentistry, KMCT Dental College. There were also various group exercises to make the session and learning more simplified andinteresting.doubt clearing session was really helpful. Doubts regarding synopsis and study designs of different short studies were discussed during the class. Participants are awarded

SEMINAR ON INTERNATIONAL GUIDELINES ON GOOD CLINICAL PRACTICE

Date : 18.11.16 **Venue : Lecture Hall 2, Dental College** **Time : 9.00 am – 3.00 pm**

Faculty name: Dr. Shaikh Ubedulla S I D

Dr.Rajani Mary George **No. of Participants : 57**

Summary:

This seminar emphasized basically the importance of having Good clinical practice guidelines to have a set of guidelines for biomedical studies which encompasses the design, conduct, termination, audit, analysis, reporting and documentation of the studies involving human subjects to the staffs, students and PGs of KMCT Dental College. Recent modifications made to the GCP guidelines had been incorporated into the instructional material. The theory sessions were highly engaging and relevant e-learning interactions have been incorporated throughout the course to improve the learner's ability to understand and retain the instructional material.

GCP guidelines include protection of human rights for the subjects and volunteers in a clinical trial. It also provides assurance of the safety and efficacy of the newly developed compounds. GCP guidelines include standards on how clinical trials should be conducted, define the roles and responsibilities of institutional review boards, clinical research investigators, clinical trial sponsors, and monitors. In the pharmaceutical industry monitors are often called clinical research associates.

Dr. Shaikh Ubedulla S I D and Dr.Rajani Mary George are well known for their talk in

WORKSHOP ON BASIC RESEARCH METHODOLOGY FOR BIOMEDICAL RESEARCH

Date : 07.08.16 – 08.08.16	**Venue : Lecture Hall 3, Medical College**
Time : 8.30 am to 5.00pm	**No. of Participants : 64**

Resource Persons: Dr. RVS Krishna Kumar (Associate Professor, Dept of Public Health Dentistry, Narayana Dental College, Nellore)

Dr.Dhanya M and Dr.Arun Paul

Faculties from Community medicine &Dept of Public Health Dentistry

Summary: Dr. RVS Krishna Kumar is the Associate Professor, Dept of Public Health Dentistry, Narayana Dental College, Nellore. His session was brilliant . His speech was informative and helpful to the young researchers in the campus to design their studies . The 2 day comprehensive workshop was designed to equip participants with the key concepts on qualitative methodology and methods in order for them to become effective qualitative researchers and policy makers. They also were taught about methods of data collection, sampling, analyzing the data and to develop competencies to produce a qualitative report. It also focused on research preparation abiding to the rules and regulations of UGC.

It was organized and hosted by Dept of Public Health Dentistry, KMCT Dental College in conjunction with Dept of Community Medicine, KMCT Medical College. There were also various exercises and hands-on on Thesis Protocol preparation, presentation and corrections as per the guidelines of the University by Dr.Bindu Mohandas, Assistant
