Year: 5/06/16 , final year part-I.

Report of Outreach activity participated:

We got an opportunity to attend community dental health awarness & treatment camp on 5/06/16 organised by dept of PHD, KMCT dental college in association with Unarvu swayam sahaya sangham kakkodi. 10 students from our batch attended the camp. Patient education on oral hygiene measures, screeny & treatments like scaling & restoration was done. It was a great experience for every part of this camp.

OUTREACH & EXTENSION ACTIVITY REPORT

Name of the student: VISHNU

Year: 4/06/16 , 3rd year.

Report of Outreach activity participated:

We are so greatful to be part of a camp organized on behalf of "world No Tobacco day" conducted by KMCT Dental College on 4/06/16 at Govt. childers home, vellimadukunnu.

The camp included a group of 10 students guided by 2 staffs & few non teaching staffs. The camp was successfully conducted & about 200 patients screening for oral hygiene status was done. Also around 30 of them underwent full mouth oral Prophylaxis treatment & oral hygiene instructions were given.

An open opportunity to interact with the rural community which helped us to share & develop our communication skills & understanding the patients requirements

We got a rare chance to analyze and interpret patients complaints & diagnose the problem accordingly. It would have been achieved without the wholehearted support & co-operation of the staffs & KMCT Dental College.
