Sir,

Sub: Request to organize free dental treatment camp at our institution.

ULCCS Foundation, the social responsibility wing of Uralungal Labour Contract Co-operative Society, has recently launched a new project of an elderly day care center named Madithattu at vagbhatananda Mandiram Karaparamb, Kozhikode. The geriatric friendly institution now functions well with inmates who are aged above 65. Most of the inmates are financially backward and the free services that we provide here satisfying their needs are ,of greater advantage to them.

As part of the services we offer here at Madithattu, we regularly conduct free health checkups for our inmates with the support of prominent medical institutions. Considering the inconvenience of many of our inmates to travel, the health camps are usually held at our center itself. That being so, we now plan to organize a free denture treatment camp for our inmates at the center for which we seek your kind support. We request the services of your specialist doctors and supporting staff for the camp at early as possible at Vagbhatananda Mandiram, Karaparamb, Kozhikode starting from 9: AM onwards. Thank you in advance.

Sir,

Sub: Request to organize free dental checkup camp at our institution.

ULCCS Foundation, the social responsibility wing of Uralungal Labour Contract Co-operative Society, has recently launched a new project of an elderly day care center named Madithattu at Vagbhatananda Mandiram Karaparamb, Kozhikode. The geriatric friendly institution now functions well with 50 inmates who are aged above 65. Most of the inmates are financially backward and the free services that we provide here satisfying their needs are of greater advantage to them.

As part of the services we offer here at Madithattu, we regularly conduct free health checkups for our inmates with the support of prominent medical institutions. Considering the inconvenience of many of our inmates to travel, the health camps are usually held at our center itself. That being so, we now plan to organize a free dental checkup for our inmates at the center on 16th December 2022, Friday, for which we seek your kind support.

We request the services of your specialist doctors and supporting staff on the day mentioned above at Vagbhatananda Mandiram, Karaparamb, Kozhikode for a 2 hrs dental checkup camp starting from 9:00 AM onwards. Please note that, we have already arranged a convenient space for parking your vehicle and also you can have lunch with us after the camp. We hope for a favorable response from you. Thank you in advance.
