(Both NIT Calicut and KMCTDC are also jointly referred to herein as 'Parties' and individually as 'Party')

WHEREAS, National Institute of Technology Calicut, NITC (P.O.) PIN - 673601, Kozhikode, formerly known as Calicut Regional Engineering College, established in 1961, (herein after referred to as NIT CALICUT), has been conferred with the status of Institute of National Importance under National Institute of Technology Act in 2007. The institute, through its various activities, takes efforts for advancement of learning and dissemination of knowledge in various front-line areas of importance for the nation. In that pursuit, NIT CALICUT would like to link with similar Research Institutes and collaborate in applied research and consultancy in Science, Technology, Engineering and Management and also promote academic and professional excellence of personnel, including the students.

MUKKAM SRO VENDOR

30 OCT 2019

WHEREAS, KMCT Dental College (KMCTDC), a part of KMCT Group of Institutions set up by the Kunhitharuvai Memorial Charitable Trust (KMCT) Manassery , Mukkam Reg. no. 252/1999 is situated at Manassey, Mukkam, Kozhikode with 20 bed strength, spread over 50 acre area. Inaugurated in 2006, both the OP and IP departments are functional from 2006

WHEREAS the two Parties, agree to take part in the joint research initiative towards the development of efficient diagnostic procedures and design of medical equipments.

NOW, THEREFORE, in consideration of the mutual promises made herein and of good and valuable consideration, the receipt and sufficiency of which both NIT CALICUT and KMCTDC hereby acknowledge, NIT CALICUT and KMCTDC hereby agree to the following protocols governing their collaboration in the research projects and to sign this Memorandum Of Understanding (MoU).

ARTICLE-I: SCOPE

The Scope of collaboration on academic and research activities in this Memorandum of Understanding includes the following and such similar research areas of mutual interest:

1. Developing new dental implant materials and designs
2. Stress testing studies on dental materials
3. Computer aided design of dental prosthesis
4. Imaging in dentistry
5. Developing new dental restorative materials
6. Studies on oral cancer at tissue and molecular level
7. Developing Sensors and instruments
8. Rapid Prototyping in treatment planning and fabrication of patient specific implants in Maxillofacial Surgery
9. Navigation in Maxillofacial Surgery
10. NIT Calicut and KMCTDC can submit collaborative research proposals for funding to different funding agencies with prior approval from the competent authorities
11. NIT Calicut and KMCTDC can conduct joint workshops and training programmes either at NIT Calicut or at KMCTDC.

ARTICLE-II: TERMS OF INTERACTIONS

The two parties agree to take part in the joint research initiatives as mentioned above in Article I. In the projects identified for collaboration, faculty, students and staff from the two Institutes will collaborate in carrying out the research activity as proposed in the project proposals approved by the Institutional Ethics Committee of KMCTDC (to be added as an Annexure-I) after obtaining all necessary approvals and permissions subscribing to the guidelines applicable. The research proposals will be developed with the collaborative efforts of KMCTDC and NIT Calicut.

KMCTDC will provide de-identified medical data whenever necessary (viz., MRI, CT and such scan images, dead and live tissue for testing, microscopic images, etc.) after obtaining all necessary approvals and permissions subscribing to the guidelines applicable to NIT Calicut. NIT Calicut will work on the data provided, towards the accomplishment of research objectives, adapting recent technological aids. The materials, softwares (algorithms), medical tools, instrumentation etc developed may be tested on patients at KMCTDC, subject to the approval from internal departments in KMCTDC

ARTICLE-III: SHARING OF FACILITIES

a) NIT CALICUT and KMCTDC shall make provisions to share their respective important R&D facilities in order to carry out research projects.

b) NIT CALICUT and KMCTDC shall permit sharing facilities in their premises required to carry out research projects, if permissible within the rules governing the two organizations.

c) NIT CALICUT and KMCTDC shall provide access to the library facilities to personnel of both the organizations involved in the projects as per the applicable rules and norms.

d) For the use of laboratory resources and equipments at NIT CALICUT, an appropriate fee as fixed by NIT CALICUT from time to time will be applicable under consultancy mode.

ARTICLE-IV: RESPONSIBILITIES OF EACH PARTY

Responsibilities of KMCTDC

1. KMCTDC will provide de-identified data of patients to researchers in NIT Calicut, as required for the collaborative projects.
2. KMCTDC will also provide all required support in terms of data and de-identified clinical information which shall come to help in the projects.
3. The products developed and the results of the project works shall be tested and checked by professionals at KMCTDC.
4. KMCTDC will obtain all necessary permissions, approvals and certification, including informed consents and assure strict compliance with all ethical and legal mandates and follow all national and international guidelines including that of Indian Council of Medical Research (ICMR)
5. KMCTDC will also facilitate visits of researchers in NIT Calicut to its campus, without affecting the patient services.
6. The faculty and researchers in KMCTDC related to the research projects will visit NIT Calicut campus to have discussions and periodic monitoring of the progress of the research. The mutual visits will be done with prior discussion and appointments.

Responsibilities of NIT Calicut

1. NIT Calicut will develop software algorithms, medical equipments based on the resources provided by KMCTDC.
2. The software engineering process will be planned by NIT Calicut researchers in an agile development manner. Multiple iterations of design and development will be done before the delivery of final product.

3. NIT Calicut will also facilitate visits of researchers in KMCTDC to its campus for interactions to facilitate the research.

4. The faculty and students in NIT Calicut related to research projects will visit KMCTDC campus to have discussions and periodic monitoring of the progress of the research. The mutual visits will be done with prior discussion and appointments.

5. Proper documentation and long term technical support for 2 years after the completion of projects and final release in the case of products will be provided by NIT Calicut.

ARTICLE-V: ACADEMIC COLLABORATION

1. All the activities under academic collaboration in this article will be subjected to the appropriate approval from the Senate of NIT Calicut and competent authorities and official bodies

2. Faculty from KMCTDC will be invited to handle selected topics in the courses of programmes offered by NIT Calicut

3. Joint research guidance between KMCTDC and NIT Calicut

4. Joint Internship and training will be provided at KMCTDC and NIT Calicut for students from both institutes as per need, as per the applicable rules and norms, and with prior permission

ARTICLE-VI: EFFECTIVE DATE AND DURATION OF MoU

a) This MoU shall be effective from the date of its approval by competent authorities at both ends.

b) The duration of the MoU shall be for a period of 3 years from the effective date.

c) This MoU may be extended or terminated by a prior notice of not less than three

months by either party. However, termination of the MoU will not in any manner affect the interests of the students/faculty/scientists who have been admitted to pursue a programme under this MoU, and the same shall be subjected to the final decision of the heads of the respective institutions.

d) The progress of the research will be reviewed periodically and necessary measures will be taken to address the challenges and to take it forward.

e) If any of the partner institution wishes to terminate the MOU at the end of the stipulated period (3 years) it must notify the other institution not less than three months prior to the expiry of the MoU.

ARTICLE-VII: IPR

Rights regarding publications, patents, royalty, ownership of software/design/product jointly developed etc. under the scope of this MoU shall be equally shared between NIT Calicut and KMCTDC, with mutual consent between the two parties.

ARTICLE-VIII: CONFIDENTIALITY

During the tenancy of the MoU, both NIT CALICUT and KMCTDC will maintain strict confidentiality and prevent disclosure of all the confidential information and data exchanged under the scope of this MoU for any purpose other than in accordance with this MoU.

'CONFIDENTIAL INFORMATION' shall mean any proprietary information, data or facts belonging to PARTIES collectively or severally, disclosed by the disclosing party under this agreement or any subsequent agreement, whether in writing, verbal or electronically, irrespective of the medium in which such information is stored, which is marked confidential or with any other words having similar meaning by the disclosing party, or specifically agreed to be kept confidential by the parties, or declared or identified so by the disclosing party before such disclosure or during the discussions.

Confidentiality of **patient related information** will be given prime importance as suggested by the Institutional Ethics Committee (IEC) of KMCTDC. No data related to patients will be used out of the purview of this research and all patient identifiers will be masked.

Both NIT CALICUT and KMCTDC shall bind their respective personnel who come into possession or knowledge of any confidential information not to disclose the same to third parties without written approval of the disclosing party or use such confidential information for any use other than intended under this agreement or projects.

Further, both NIT CALICUT and KMCTDC shall put in place adequate and reasonable measures to keep and store confidential information secure so as to prevent any unauthorized use. This clause shall survive the termination or expiry of this MoU.

ARTICLE-IX: INDEMNITY

KMCTDC shall always ensure that the universally accepted standard precautions and protocols are strictly followed and adhered while implementing the project and the practical application shall be done solely at their risk and responsibility. KMCTDC hereby agrees to indemnify and hold NITC indemnified against all proceedings, claims, liabilities, loss and damage whatsoever that may arise including those on account of any delay, default, breach or failure on their part.

ARTICLE- X: AMENDMENTS

Any Article or clause of the MoU may be modified or amended by mutual agreement of KMCTDC and NIT CALICUT. Any amendment or modification to this MoU shall be in writing and signed by both the parties hereto and shall only after such execution be deemed to form part of the MoU.

ARTICLE-XI: RESOLUTION OF DISPUTES

This agreement shall take effect and be construed in accordance with the Laws of India.

If dispute or difference whatsoever arises between the Parties in relation to or in connection with this MoU, both the parties shall first try to resolve the dispute/difference amicably between themselves failing which the matter shall be resolved through arbitration and the place of arbitration shall be Calicut.

06/11/19.

ARTICLE-XII: MISCELLANEOUS

The headings and sub-headings are inserted for convenience only and shall not affect the construction of this MoU.

a) No failure to exercise and no delay in exercising, on the part of a Party, and right, remedy, power or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, power and privileges herein provided are cumulative and not exclusive of any right, remedies, powers and privileges provided by law.

b) After this MoU has been signed, all the preceding understandings/negotiations and the correspondence pertaining to it shall become null and void.

IN WITNESS WHEREOF PARTIES HERE TO HAVE ENTERED INTO THIS AGREEMENT EFFECTIVE AS ON THIS DATE, 6th NOVEMBER, 2019.
