INTERNATIONAL DAY OF YOGA- June 21st 2020

Yoga is a 5,000-year-old physical, mental and spiritual practice Having its origin in India, Which Aims to transform both body and mind. **On December 11 in 2014, the United Nations General Assembly declared June 21st as the International Day of Yoga.** Yoga is an invaluable gift of India's ancient tradition . It embodies unity of mind and body; thought and action; restraint and fulfillment; harmony between man and nature; a holistic approach to health and well-being. It is not about exercise but to discover the sense of oneness with yourself, the world and the nature.

Considering the current situation of pandemic and the limitations in conducting live sessions and demonstrations,the**National Service Scheme** of **KMCT Dental College** organised online yoga demonstration session in accordance with International Yoga Day on 21/06/20.
