# Introduction:

It is the responsibility of our institution to provide quality education to each and every student. A sudden transition from student / college life is a highly challenging event in every student's life. They come from diverse thoughts and backgrounds, and have little knowledge of Professional college or University. An important task therefore is to welcome our new students to a higher education and prepare them for their new role.

- This program aims at helping students to acclimatise with new surroundings, develop bond with fellow students and teachers, imbibe human values so as to become responsible citizens.
- This program will set a pace of fruitful teaching and learning experience and expose them to large purpose and self-exploration.
- Orientation course is designed to be offered prior to beginning of BDS course and the course is according to the guidelines of Deeksharambh and which also include universal human values.

## Objectives

- To familiarize newly joined students to the college campus and dental curriculum.
- To appraise students regarding campus life and rules and regulations in the college.
- To acquaint the students with support system available for them, to deal with various challenges of professional students and hostel life.
- To ensure students with extra-curricular activities and various facilities available within the campus(Library, sports complex, E- learning etc)
- To enlighten in extension activities like NSS and enlighten their role and commitment to the society
- To create awareness about Ragging a Menace
