Respected Sir,

Sub: Request for permit to organize a workshop to sensitize faculty and PG's on Grant proposal writing and incubating ideas leading to Research and Development concentrating on Animal studies and Cell line cultures.

This letter is a formal request for permission to organize a workshop aimed at sensitizing faculty and postgraduate students on grant proposal writing and incubating ideas leading to Research and Development, with a particular focus on Animal Studies and Cell Line Cultures. The workshop aims to enhance the research capabilities within our institution, fostering innovation and excellence in these critical areas.

Workshop Details

Title: Navigating the Reviewers Lens: Best practices in Grant proposal Evaluation and Protocols for cell culture and Animal Studies.

Proposed Date: May 3rd 2023

Venue: Mini Auditorium, KMCT Dental College

The workshop will feature lectures and interactive sessions led by Dr. Aravind SR, our distinguished Keynote Speaker. Dr. Aravind SR is a Research Scientist and currently serves as an Assistant Professor at Tata Consultancy Services. He boasts an impressive track record, having received numerous patents, research grants, and publications. Additionally, he contributes as a reviewer for funding agencies such as the Department of Science and Technology, India. His expertise in grant writing, reviewing and research development will be beneficial for our institutions. His presentation will inspire the attendants with networking opportunities to foster

collaborations among attendees and presentation of successful grant proposals and research projects in the field.

Financial Expenses: In order to successfully conduct the workshop, we anticipate the following financial expenses in Rs:

1. Travel and Accommodation (TA) for Speakers - 16000
2. High Tea and Snacks for Participants: 6000
3. Lunch for Organizers and Speaker: 3000
4. Memento and Certificate Printing: 2000
5. Bouquet for Guest Speaker: 1000
6. Petrol (Conveyance to Venue): 1500

Total Estimated Expenses: Rs. 29500

We assure you that every effort will be made to keep expenses within the proposed budget. Benefits of this workshop could be

- Enhance the research capabilities of faculty and postgraduate students.
- Foster interdisciplinary collaborations and networking opportunities.
- Contribute to the advancement of knowledge and innovation in Animal Studies and Cell Line Cultures

We firmly believe that this workshop will be instrumental in advancing our institution's research agenda and fostering a culture of excellence in research and development. We kindly request your support and approval to proceed with the organization of this workshop.

Thank you for considering our request. We look forward to your favorable response.

Warm regards,

Dr. Usha Balan

OBJECTIVES OF THE WORKSHOP

The Objective of this course is to enhance the knowledge in fundamentals of Research Methodology. The workshop aims at building capacity among researchers regarding scientific ways of formulating research questions, adopting proper study designs, sampling tools, learning data management in broader perspective along with rules and regulations of protocol writing. It will enable the Researchers to develop the most appropriate methodology for their Research Studies.

TOPICS COVERED

1. Introduction to research
2. Literature search
3. Developing research question and hypothesis
4. Study designs
5. Developing research protocol
6. Sample size estimation
7. Data management
8. Research ethics
9. Biostatistics- Basic to advanced
10. Hands on Research software- SPSS
11. Evidence based dentistry
