KMCT
DENTAL COLLEGE

REPORT: WORLD ANTI-TOBACCO DAY 31st MAY 2024, KMCT DENTAL COLLEGE

On 31st May 2024, KMCT Dental College commemorated World Anti-Tobacco Day with a series of impactful events organized by the NSS unit in collaboration with the Public Health Department and college union . The day was dedicated to raising awareness about the hazards of tobacco use and promoting a tobacco-free lifestyle.The events commenced with a solemn pledge ceremony led by Dr. Harish Kumar, Head of the Department of Periodontics. Dr. Harish Kumar emphasized the importance of maintaining good health by avoiding tobacco use, encouraging attendees to pledge against its consumption. This ceremony set a positive tone for the day, inspiring participants to make a personal commitment to public health.100 NSS volunteers and 40 staff participated in programme

A thought-provoking mime performance followed, presented by the NSS Unit volunteers . This silent portrayal effectively conveyed the detrimental effects of tobacco on health, relationships, and society, leaving a powerful impression on the audience.

The highlight of the day was an awareness rally where students, interns, postgraduates, and staff marched through the local community carrying banners and placards adorned with anti-tobacco messages. The rally garnered significant attention and engaged the community in discussions about the risks associated with tobacco.

In a creative expression of advocacy, a live painting competition was held, allowing participants to artistically depict their perspectives on tobacco use and its consequences. The competition showcased a range of interpretations, from poignant reflections to abstract representations, reinforcing the message through artistic means.

The day concluded with a lively and educational treasure hunt competition. This interactive event not only provided entertainment but also imparted knowledge about public health issues related to tobacco use. Participants collaborated in teams to solve clues, fostering teamwork and reinforcing the importance of collective action in combating health challenges.

Overall, the success of World Anti-Tobacco Day at KMCT Dental College was a testament to the dedication and effort of all participants. The events not only educated and engaged the college community but also extended awareness to the broader local population. By promoting a tobacco-free lifestyle through various activities, the day underscored the significance of community-driven initiatives in tackling public health issues.

The impactful events organized on this occasion will undoubtedly leave a lasting impression, contributing to a healthier and more informed community regarding the dangers of tobacco use

WORLD NO TOBACCO DAY ACTIVITIES

1. Executive Summary

On accordance to the World No Tobacco Day 2024, KMCT Dental College had conducted various activities such as pamphlet distribution, No Tobacco Rally, An anti-tobacco pledge, an outdoor activity for the dental students, oral cancer screening camp and an awareness class session on the ill effects of tobacco use. The various events were conducted from 31st May 2024 till 4th June 2024 for the benefit of general public special group such as tribal people, patients, faculty and students.

An anti-tobacco pledge was undertaken by the students, teaching and non-teaching faculties of KMCT Dental College. This was done to express commitment and promise, to not use tobacco products and also encourage others to stop the habit of tobacco use. Following the pledge, everyone declared themselves to stay tobacco free by placing their finger prints on the no tobacco poster made by the union batch students. A No Tobacco Rally was conducted involving the dental students and teaching staffs of KMCT Dental College. The oral cancer screening camp was done at Puthupadi panchayat which is a tribal area located in Kozhikode. An awareness class was delivered to the residents of the tribal village by the dental students of KMCT Dental College on the same day. Pamphlets describing the ill effects of tobacco and its consumption were distributed at the camp venue and to the in patients of KMCT Dental College. In addition, various Screening and treatment camps were provided for the general public.

WORLD NO TOBACCO DAY ACTIVITIES

1. Promotive, Preventive and Screening Outreach Activities

KMCT Dental College has conducted screening and treatment camps for the residents across chathamangalampanchayat, villimadukunnu and puthupadi tribal colony. The camps provided treatments for the screened patients at the camp site and were also refered to the college for further treatments. The camp organized by the department of public health dentistry comprised of a panel of interns, teaching staffs and nonteaching staffs. Various treatments like oral prophylaxis, restorations, preventive restorations, extractions were done by the KMCT dental team. Oral health awareness class on maintaining good oral hygiene, demonstration of brushing techniques were provided to the patients by the interns along with the camp.

i. A screening camp at old age home, Vilimadukunnu

A screening camp was conducted by the Department of Public Health Dentistry in association with IDA Malabar Branch at an old age home at Vilimadukunnu, Kozhikode on 24th May 2024. The patients at the venue were screened and referred to KMCT Dental College for their treatments. Patients were provided awareness on maintaining good oral health and given knowledge on preventing oral diseases.

ii. A screening and treatment camp at chathamangalam panchayat

KMCT Dental College has adopted the chathamangalam panchayat inorder to improve the oral health status. A dental camp was held on the 30th May 2024, organized by the Department of Public Health Dentistry in association with the adopted village of Chathamangalam Gramapanchayath. The KMCT dental team provided screening and treatment modalities to the patients. Referral of the patients to the KMCT Dental College were also done for further procedures.

Camp at chathamangalam panchayat

iii. A screening and treatment camp for Payona Tribal Colony, Puthupadi

On 1st June 2024, KMCT Dental College had conducted a screening and treatment camp at Payona Samikarika Nilayam Puthupadi, which is a recognized tribal community. The camp was conducted by the Department of Public Health Dentistry in association with **Kozhikode tribal development office and tobacco cessation centre** on account of **World No Tobacco Day**. The camp was an oral cancer screening camp and further treatments were provided by the dental team of KMCT which involved faculty from Department of Oral Medicine and Oral and Maxillofacial Surgery. An awareness session on the ill effects of tobacco and its consumption were delivered to the inmates at Puthupadi. Proper brushing technique were also demonstrated to the patients gathered at the venue. Pamphlets were distributed to all the patients at the camp site.

2. IEC Activities

i. On accordance to the **World No Tobacco Day 2024**, Department of Public Health Dentistry and tobacco cessation centre of KMCT Dental College had initiated activities to provide information and educate the community on the harmful effects of tobacco usage. The KMCT Dental College had conducted a camp at the Payona Samikarika Nilayam Puthupadi, which is a recognized **tribal colony** in Kozhikode on 1st June 2024. Being a targeted population of tobacco use, KMCT Dental College provided pamphlets to the colony residents to educate them on the various diseases which may develop on using tobacco and other health problems.

ii. The pamphlets were also distributed to the OP patients of KMCT Dental college on 3.06.2024 and 4.06.2024, so that a greater population get to be aware on the diseases caused by the deleterious habit of using tobacco products. The primary goal of dental awareness sessions and pamphlet distribution were to educate the young budding population to never use tobacco and also targeted the population who use tobacco to be tobacco free.

3. Oral Cancer Screening Activities

KMCT Dental College had conducted an oral cancer screening camp at PayonaSamikarikaNilayamPuthupadi, which is a recognized tribal community in Kozhikode, Kerala. The camp was conducted by the Department of Public Health Dentistry in association with **Kozhikode tribal development office and tobacco cessation centre** on account of World No Tobacco Day 2024.

The camp was inaugurated by the **ward member of PuthupadiGramapanchayath,** Mr. Denny Varghese. The welcome addresss was given by Dr Dhanya Muralidharan , Professor and HOD, Department of Public Health Dentistry , KMCT Dental college and the vote of thanks by Dr Arun Paul, Reader Department of Public Health Dentistry , KMCT Dental college.

Oral health awareness and tobacco cessation awareness class was taken by the interns.Proper brushing technique were also demonstrated to the patients gathered at the venue. Pamphlets were distributed to all the patients at the camp site. A special cancer screening was held as a part of the camp. Treatments were provided to the patients by the dental team of KMCT using portable dental chair. An awareness session on the ill effects of tobacco and its consumption were delivered to the inmates at Puthupadi.

A total of **50 tribal colony members** were screened and 30 patients were treated. Though no frank cases of oral cancer were identified, many precancerous lesions such as leukoplakia and oral submucous fibrosis were identified. Predominant habits identified among the tribal people were use of tobacco and areca nut.

4. Say No to Tobacco Rally by KMCT Dental Students and Faculty

On behalf of the World No Tobacco Day 2024, a No Tobacco Rally was conducted by KMCT Dental College on the 31st May 2024. Students of KMCT Dental College gathered at the college premises and the rally was initiated by the students around the campus and near by down of Manassery. The students of KMCT Dental College raised awareness about tobacco and its side effects using slogans which marked as a warning to the community to say no to tobacco and to set a tobacco free environment. Pamphlets were distributed by the students to the public as the rally were heading forward.

Women's Day Celebration at KMCT Dental College: Date: March 12, 2024

: On March 12, 2024, KMCT Dental College celebrated International Women's Day with great fervor and enthusiasm. The event aimed to acknowledge and celebrate the achievements of women in dentistry while highlighting the importance of gender equality and empowerment in the field.

The Women's Day celebrations organized by the NSS (National Service Scheme) unit at KMCT Dental College on 12/3/2024 seem to have been well-structured and impactful. The schedule indicates a diverse range of activities aimed at empowering and educating women

The Women's Day program at KMCT Dental College concluded successfully, enriching participants with knowledge, inspiration, and empowerment to strive for excellence in their respective fields.

Inauguration by Dr. Manoj Kumar K.P.: A formal commencement of the event, likely including speeches and acknowledgments.Prize Distribution for Photography Competition: Recognizing creativity and talent among participants, encouraging artistic expression.

Felicitations for Senior Teaching and Non-Teaching Staff: Acknowledging the contributions and dedication of senior staff members, fostering a sense of appreciation and respect within the institution.

As part of the **Women's Day celebrations**, KMCT Dental College organized a special **movie show focusing on women's stories and empowerment**. The screening aimed to raise awareness about the challenges women face while also celebrating their achievements, resilience, and strength.

The movie, chosen for its inspiring portrayal of women's lives, provided a platform for reflection on the journey of women in various spheres of life. It encouraged the audience to appreciate the diversity of women's experiences, from overcoming societal barriers to achieving their dreams.

The movie show was followed by an engaging discussion, where students and faculty members shared their thoughts and reflections on the themes portrayed in the film. This activity not only entertained but also empowered the community by raising important conversations about gender equality, respect, and women's rights.

Self-Defense: Class by Dr. Rekha Binu

The **Self-Defense Class**, conducted by **Dr. Rekha Binu**, was an essential part of the Women's Day celebrations. The session focused on equipping women with practical self-defense techniques, aiming to enhance their confidence, personal safety, and overall empowerment. Dr. Rekha Binu, with her expertise in self-defense, guided the participants through key strategies to protect themselves in real-life situations.

The importance of this session lies in its ability to empower women to feel more confident and secure in their daily lives. By learning essential skills, women were not only educated about

Breast Cancer Awareness Talk – March 12, 2024

On **March 12, 2024**, the **NSS unit** at **KMCT Dental College** organized a comprehensive talk on **breast cancer awareness**, delivered by **Dr. Hafsa Salim Daber**, Assistant Professor in the General Surgery Department. The session was aimed at educating the **teaching and non-teaching staff**, as well as **interns**, about the critical importance of early detection and preventive measures related to breast cancer.

Dr. Hafsa discussed various aspects of breast cancer, including the importance of self-examination, routine screenings, and identifying risk factors. The session also focused on dispelling myths and encouraging proactive health measures. The talk empowered participants with the knowledge needed to prioritize breast health and support efforts for early intervention and prevention.

Menstrual Hygiene Awareness Session – 24th February 2024

On **24th February 2024**, Dr. Anagha S. Vijayan, MD in Community Medicine, conducted an insightful and educational session on menstrual hygiene. The program was designed to raise awareness among participants, especially adolescent girls and women, about essential menstrual hygiene practices, effective menstrual cycle management, and the importance of using safe and hygienic menstrual products.

During the session, Dr. Anagha addressed common myths and taboos surrounding menstruation, fostering open conversations and breaking societal stigmas. The interactive session aimed to promote a culture of awareness and empower participants to take proactive steps in maintaining their health and well-being.

A REPORT ON SEVEN DAYS NSS SPECIAL CAMP 2023-2024

The NSS unit of KMCT Dental College conducted the 7 day special camp (from 19/02/2024 to 25/02/2024)

19/02/2024 to 25/02/2024 (7 days)

NATIONAL SERVICE SCHEME popularly known as NSS was launched in Mahatma Gandhi's Birth Centenary Year 1969, under the Ministry of Youth Affairs & Sports Govt. of India. The scheme was launched simultaneously in 37 Universities involving 40,000 students with primary focus on the development of personality of students through community service and promotion of National solidarity.

Special Camping forms an integral part of National Service Scheme. It has special appeal to the youth as it provides unique opportunities to the students for group living, collective experience sharing and constant interaction with community. The key objective of this camp was to begin the interface with community, rapport building with community leaders and members in the village 9and inculcate the moral values which can be achieved only through community interaction and empathy.

The main objectives of National Service Scheme (NSS) are:

- Understand the community in which they work.
- Understand themselves in relation to their community.
- Identify the needs and problems of the community and involve them in problem solving.
- Develop among themselves a sense of social and civic responsibility.
- Utilize their knowledge in finding practical solutions to individual and community problems.
- Develop competence required for group-living and sharing of responsibilities.
- Gain skills in mobilizing community participation.
- Acquire leadership qualities and democratic attitudes.
- Develop capacity to meet emergencies and natural disasters and
- Practice national integration and social harmony.

SPECIAL DAY NSS CAMPING: Special Camping forms an integral part of National Service Scheme. It has special appeal to the youth as it provides unique opportunities to the students for group living, collective experience sharing and constant interaction with community.

Special camping is an essential component of the National Service Scheme (NSS), offering unique opportunities for youth to engage in group living, collective experience sharing, and community interaction. The NSS unit of KMCT Dental College conducted a special camp from 19/02/2024 to 25/02/2024 in Poovaranthode, a village located in Koodaranji Panchayath. The chosen location, an underdeveloped area, presented an opportunity for volunteers to contribute to the overall development of the community, particularly the Government LP School.

The camp was under the supervision of dedicated faculty members:

Dr. Makal Madhav M.P (Programme Officer),Dr. Prajith (Senior Lecturer),Dr. Rohith (Senior Lecturer),Dr. Chanchalesh (Senior Lecturer),Dr. Tulasi (Tutor),Dr. Shyama (Senior Lecturer)

Dr .Aromal (Senior Lecturer),Dr Zainual (Tutor)

Camp Objectives:

- To facilitate group living and collective experience sharing among volunteers.

Dr. MANOJ KUMAR.K.P
Principal
KMCT Dental College
Manassery, Mukkam

KMCT Medical College Campus, Mukkam, Kozhikode - 673602
0495-2292000 dental@kmct.edu.in
www.kmctdentalcollege.org

- To actively engage in community development activities, focusing on the improvement of the Government L P School.
- To foster a sense of social responsibility and civic engagement among participants.
- To promote holistic development through educational, health, and environmental initiatives.

Participant Involvement:

A group of 38 enthusiastic volunteers actively participated in the special camp, demonstrating their commitment to community service and social upliftment. Their energy and dedication were instrumental in driving the success of various camp activities.

Location Selection:

Poovaranthode in Koodaranji village was chosen as the camp location due to its underdeveloped status and the identified need for improvements in the Government LP School. The selection aligned with the NSS unit's mission to contribute meaningfully to communities in need of assistance.

Camp Activities:

School Development Initiatives: Volunteers engaged in a variety of activities aimed at enhancing the overall development of the Government LP School. This included infrastructure improvements, educational enhancements, and environmental initiatives.

Educational Enrichment: Educational sessions were conducted for students, covering topics such as academic support, career guidance, and life skills development. Interactive workshops and sessions facilitated engaging learning experiences for both volunteers and students.

Health Awareness Programs: Health camps and awareness sessions were organized to promote health and hygiene practices among students and the community. Topics such as dental care, menstrual hygiene, and nutrition were addressed to improve overall well-being.

INSTITUTION'S INNOVATION COUNCIL

Environmental Conservation: Volunteers actively participated in environmental conservation activities, including tree plantation drives, waste management initiatives, and cleanliness campaigns. These efforts aimed to create a sustainable and eco-friendly environment in the community.

Cultural Exchange: Cultural exchange programs were organized to celebrate diversity and promote cultural understanding among volunteers and community members. Traditional performances, music, and dance brought people together in a spirit of unity and harmony.

Activities:

Garbage Collection: Volunteers systematically collected and disposed of litter and debris from the school premises, including classrooms, playgrounds, and surrounding areas.

Sweeping and Mopping: Teams of volunteers conducted thorough sweeping and mopping of floors to ensure cleanliness and hygiene within the school buildings.

Gardening and Beautification: Some volunteers participated in gardening activities, tending to the school garden to enhance the aesthetics of the surroundings.

At 8 pm dinner was made and served by kitchen team ,small meeting after dinner to plan things to do for tomorrow and after meeting small games was conducted

INSTITUTION'S INNOVATION COUNCIL

The first day of the NSS special camp witnessed successful execution of dental treatment services for the community, coupled with a dedicated effort towards cleaning and beautifying the school premises. The enthusiastic participation of volunteers and the positive response from the community set a promising tone for the remaining days of the camp. The activities conducted on Day 1 reflected the commitment of KMCT Dental College towards promoting oral health and environmental consciousness in the community.

Lunch was served at 2pm and volunteers went for health survey in near by houses

Concurrently, volunteers conducted a health survey to assess the overall health status and healthcare needs of the community. The survey aimed to gather valuable data regarding prevalent health issues, lifestyle patterns, and access to healthcare facilities, which would inform future initiatives and interventions. Students returned to finish the survey in remaining houses, and returned back to the camp site by 5.00 pm.

Tea and snacks were provided to the students at 5.30 pm. After the refreshments students gathered at 7.30 pm for an interactive session by Dr Tulasi on **"Communication skills".** She emphasised the significance of having a trait which makes each student to accomplish the duties as a NSS volunteer. The importance of self motivation and and responsibilities too. Students asked various doubts regarding interpersonal relationship, social responsibility. Dinner was served at 8.00 pm. After dinner at 8.45 pm students organised cultural programmes like songs and dance.

Day 2 of the NSS special camp witnessed the continuation of dental healthcare services for the community and students, complemented by educational sessions on oral hygiene and self-hygiene practices. Additionally, the conduct of a health survey facilitated a deeper understanding of the health needs of the community, paving the way for informed and targeted interventions in the future. The collective efforts of volunteers contributed to promoting health awareness and fostering a culture of preventive healthcare within the community.

Day 3

Garden Work:

The third day of the NSS special camp marked the commencement of garden work aimed at enhancing the environmental sustainability and aesthetic appeal of the local community. Volunteers enthusiastically engaged in various gardening activities to contribute to the beautification and greenery of the surroundings.

Garden Setup: Volunteers initiated the setup of a garden area, selecting suitable locations within the community premises for planting trees, shrubs, and flowering plants.

Saplings of indigenous tree species and ornamental plants were planted with care, ensuring proper spacing and alignment for optimal growth..

Vegetable Garden: In addition to ornamental plants, efforts were directed towards establishing a vegetable garden to promote sustainable agriculture and provide fresh produce to the community.

Health Counseling: In addition to medical treatments, attendees

Principal
KMCT Dental College
Manassery, Mukkam

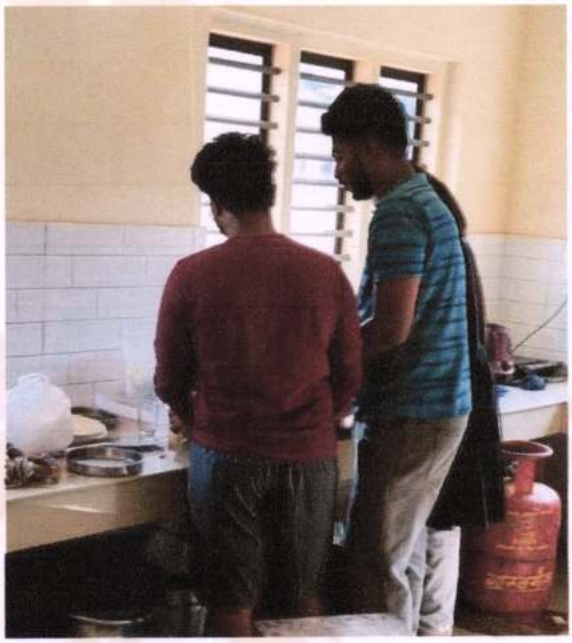

received health counseling sessions focusing on lifestyle modifications, dietary recommendations, and stress management techniques based on Ayurvedic principles.

Cleaning Building and Kitchen:

Simultaneously, volunteers undertook cleaning activities within the community premises, focusing on ensuring cleanliness and hygiene in buildings and kitchen areas.

Building Cleaning: Teams of volunteers conducted thorough cleaning of buildings, including classrooms, administrative offices, and common areas. Dusting, sweeping, and mopping were carried out to maintain cleanliness and hygiene standards.

Kitchen Cleaning: Special attention was given to the kitchen area, where food preparation and cooking took place. Volunteers cleaned kitchen surfaces, utensils, and equipment, ensuring compliance with food safety regulations and standards.

Waste Management: Proper waste segregation and disposal practices were implemented to manage kitchen waste and maintain a clean environment.

Dr. MANOJ KUMAR.K.P
Principal
KMCT Dental College
Manassery, Mukkam

Dinner was served at 8.00 pm. After dinner at 8.45 pm students organised cultural programmes like songs and dance.

Day 3 of the NSS special camp witnessed multifaceted efforts aimed at community development and healthcare provision. Volunteers engaged in garden work to promote environmental sustainability, organized an Ayurveda medical camp to address healthcare needs using traditional healing methods, and undertook cleaning activities to ensure hygiene and cleanliness within the community premises. These collective efforts underscored the commitment of KMCT Dental College and its NSS unit towards holistic community welfare and sustainable development.

Day 4

Garden Progress:

Meanwhile, garden work progressed steadily, with volunteers actively engaged in nurturing and maintaining the green spaces within the community premises.

Activities:

Plant Care: Volunteers diligently watered and tended to the planted saplings, ensuring their healthy growth and development. Pruning, weeding, and mulching activities were undertaken to promote plant vigor and resilience.

Vegetable Garden Maintenance: Efforts were directed towards the maintenance of the vegetable garden, where volunteers cultivated and harvested fresh produce for community consumption. Organic farming practices were followed to minimize environmental impact and promote sustainable agriculture.

Beautification: Volunteers focused on enhancing the aesthetic appeal of the garden area by planting seasonal flowers, arranging decorative elements, and creating inviting spaces for community members to relax and enjoy nature.

Washing of Walls:

In addition to medical and gardening activities, volunteers undertook the task of washing walls within the community premises to improve cleanliness and visual aesthetics.

Surface Preparation: Volunteers prepared the walls for washing by removing surface dirt, stains, and debris using brushes, sponges, and cleaning solutions.

Washing Process: wash the walls thoroughly, ensuring the removal of accumulated dirt and grime. Water was used judiciously to conserve resources and minimize wastage.

Finishing Touches: Upon completion of the washing process, volunteers inspected the walls for any remaining spots or stains, making necessary touch-ups to achieve uniform cleanliness and appearance.

Day 4 of the NSS special camp witnessed the continued provision of essential medical services to the local community, alongside the progress of garden work and the initiative to wash walls within the community premises. These collective efforts reflected the dedication and commitment of volunteers towards community welfare, environmental conservation, and cleanliness. The collaborative spirit and active participation of both volunteers and community members contributed to the success of the camp activities, fostering a sense of shared responsibility and solidarity.

Day 5

Morning Cleaning:

The fifth day of the NSS special camp began with a renewed focus on cleanliness within the community premises. Volunteers, recognizing the importance of maintaining a clean environment for overall well-being, engaged in thorough cleaning activities to ensure hygiene and tidiness.

After breakfast students resumed the and Vegetable Work:

Following the morning cleaning session, volunteers resumed their efforts in garden and vegetable work, nurturing the green spaces and promoting sustainable agriculture practices

Premises Cleaning: Teams of volunteers diligently swept, mopped, and tidied up the premises, including classrooms, corridors, and outdoor spaces. Dusting of furniture, window cleaning, and waste disposal were carried out systematically to maintain cleanliness standards.

Kitchen Cleanup: Special attention was given to the kitchen area, where volunteers ensured the cleanliness of cooking surfaces, utensils, and storage areas. Proper sanitation practices were followed to uphold food safety and hygiene.

Waste Management: Volunteers implemented waste segregation and disposal measures to manage garbage effectively. Biodegradable and non-biodegradable waste was separated for proper recycling and disposal.

Garden Maintenance: Ongoing garden maintenance activities included watering, weeding, and pruning of plants to promote healthy growth and vitality. Volunteers collaborated to ensure the upkeep of garden infrastructure and landscaping features.

Vegetable Cultivation: In the vegetable garden area, volunteers tended to the cultivation of seasonal crops, ensuring proper soil preparation, planting, and irrigation practices. Organic farming methods were employed to enhance soil fertility and minimize environmental impact.

Token of Appreciation: As a gesture of gratitude and appreciation, gifts were presented to participating students and volunteers, acknowledging their contributions and commitment to the camp's objectives.

Mrs. Sujatha Sarma provided an overview of the concept of women empowerment, emphasizing the importance of gender equality, access to education, and economic independence for women's progress. Various areas of skill development and enhancement were introduced to the participants, including entrepreneurship, digital literacy, vocational training, and leadership development. Students were encouraged to explore their interests and talents to pursue self-employment opportunities. An open discussion was held on the challenges faced by women in the current world, including gender discrimination, limited access to resources, societal expectations, and cultural barriers. Participants shared their experiences and perspectives on overcoming these challenges.

Utilization of Scholarships: Participants were informed about various scholarships and financial assistance programs available specifically for women. Mrs. Sujatha Sharma highlighted the importance of utilizing these resources to support educational and career advancement.Encouragement for Entrepreneurship Female students were encouraged to explore entrepreneurship as a pathway to economic empowerment. Mrs. Sujatha Sharma shared success stories of women entrepreneurs and provided guidance on starting and managing businesses.

Completion of Vegetable Garden Work:

Efforts were directed towards completing the establishment of the vegetable garden. Volunteers ensured that all necessary tasks, including planting, mulching, and irrigation setup, were completed to facilitate the growth of nutritious vegetables. The vegetable garden represented a sustainable source of fresh produce for the community, promoting food security and healthy dietary practices.

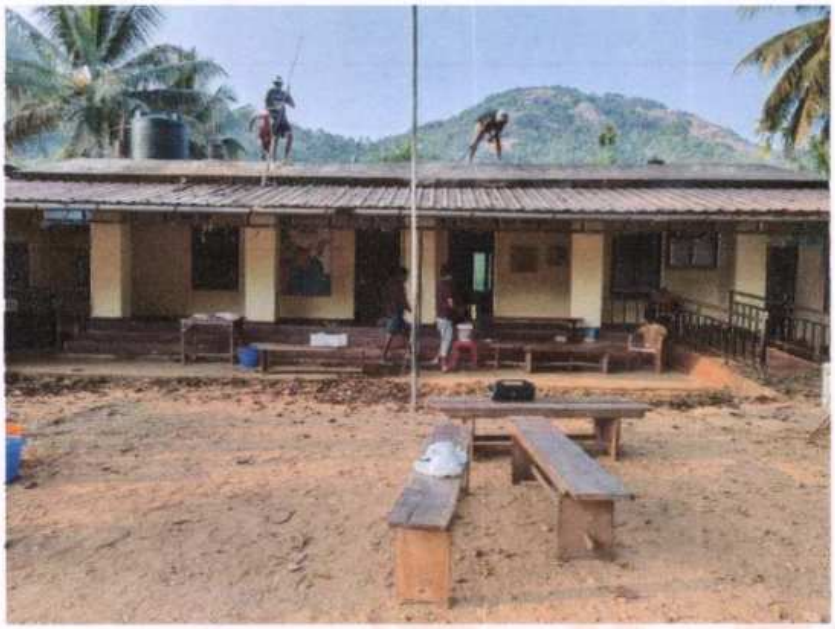

Wall Painting Preparation:

Preparations began for painting the walls of the main school building, a significant endeavor aimed at enhancing the visual appeal and ambiance of the premises. Volunteers engaged in cleaning and priming the walls, ensuring a smooth and even surface for painting. The preparation phase laid the foundation for the subsequent painting activities.

Day 6 of the NSS special camp was marked by a blend of physical activity, education, and community engagement. The morning began with a lively Zumba class, followed by an informative session on menstrual hygiene. Garden work and completion of the vegetable garden underscored the commitment to environmental sustainability and food security. Preparations for wall painting and room cleaning demonstrated the dedication to enhancing the infrastructure and aesthetics of the community premises. The collective efforts of volunteers contributed to creating a cleaner, greener, and more vibrant environment for the benefit of all.

Day 7:

Warm-up Exercise:

The final day of the NSS special camp began with a collective warm-up exercise session involving all volunteers. The session aimed to invigorate participants, prepare them for the day's activities, and promote physical fitness and well-being.

Conclusion Meeting:

A concluding meeting was held to reflect on the achievements and experiences of the 7-day camp. Participants, including volunteers, community members, and local authorities, gathered to share their insights, lessons learned, and future aspirations.

Tea and Snacks:

As a gesture of gratitude tea and snacks were served to all attendees during the conclusion meeting. The refreshments provided an opportunity for informal interaction and bonding among participants.

Community Visit to Anakkallumpara Waterfall:

To conclude the camp on a memorable note, a visit to the nearby Anakkallumpara Waterfall was organized. Participants enjoyed the natural beauty of the waterfall, engaged in photography, and relished moments of relaxation amidst serene surroundings.

Reflection and Insights:

The 7-day camp provided invaluable insights into the importance of community service and personal responsibility. Participants gained a deeper understanding of the needs and challenges faced by the community, and the role they could play in addressing them. The camp served as a platform for personal growth, fostering empathy, leadership, and a spirit of service among volunteers. As the camp concluded, participants left with a renewed commitment to serving their community and striving to be better and more responsible individuals.

Conclusion

The 7-day NSS special camp at KMCT Dental College concluded successfully, leaving a lasting impact on participants and the community alike. Through a diverse range of activities, including painting, drawing, cleaning, cooking, and community engagement, the camp embodied the spirit of service, collaboration, and holistic development. As volunteers departed with cherished memories and valuable lessons, the legacy of the camp continued to inspire positive change and collective action in the community

The special camping experience provided a platform for volunteers to make meaningful contributions to the development of Poovaranthode village, particularly the Government LP School making of flower garden, vegetable garden,painting wall, drawing cartoons on walls etc. Through collective efforts and dedicated service, the NSS unit of KMCT Dental College demonstrated its commitment to social responsibility and community engagement. The camp served as a transformative experience for both volunteers and community members, fostering bonds of friendship, learning, and mutual respect. As the camp concluded, its impact continued to resonate, inspiring participants to carry forward the spirit of service and contribute positively to society.

Dental camp

Building upon the success of the previous day's Dental camp organized by NSS Unit at Poovaranthode Govt LP school on 20/2/2024 , in Koodaranji Panchayath, the volunteers were eager to continue their efforts in promoting oral health and hygiene.

Continuation of Dental Treatment Camp: The dental treatment camp resumed its operations, catering to individuals from the surrounding community who required dental care. Volunteers ensured the efficient flow of patients, maintaining a balance between treatment quality and quantity.

Extended Services for Students: In addition to community members, special attention was given to students of the school hosting the camp. Dental check-ups and treatments were provided to students, addressing any dental issues they may have been facing.

Dental Check-ups: Qualified dental professionals conducted thorough dental check-ups for each patient, assessing their oral health status and identifying any dental issues requiring attention.

Treatment Procedures: Basic dental treatments such as scaling, cleaning, and minor extractions were performed on-site to alleviate dental pain and improve oral health.

Patient Counseling: After treatment, patients were provided with personalized oral health counseling sessions, emphasizing the importance of regular dental care and hygiene practices.

DENTAL COLLEGE

Dental camp was organized by NSS unit at Poovaranthode Govt LP school ,on 19/2/2024 in Koodaranji Panchayath.

A dental treatment camp in the premises of a Poovaranthode Govt LP school, the volunteers, comprising students and faculty members from KMCT Dental College, assembled early in the morning to organize the camp efficiently. The camp aimed to provide essential dental healthcare services to the underprivileged community residing in the area

Activities:

Camp Setup: The volunteers meticulously arranged the dental equipment and treatment stations to ensure a smooth workflow. Portable dental chairs, sterilized instruments, and necessary supplies were arranged systematically.

Patient Registration: A registration desk was set up to facilitate the smooth flow of patients. Volunteers assisted in registering individuals seeking dental treatment, maintaining proper records for follow-up care.

Wall Painting

The NSS unit of KMCT Dental College undertook a vibrant wall-painting project from February 19 to 25, 2024. This creative initiative involved painting walls with colorful and engaging cartoon designs, adding a touch of joy and creativity to the surroundings. The project not only showcased the artistic skills of the volunteers but also aimed to create a cheerful environment for the community.

Washing of Walls:

In addition to medical and gardening activities, volunteers undertook the task of washing walls within the community premises to improve cleanliness and visual aesthetics.

Oral and Personal Hygiene Awareness Sessions

Recognizing the importance of health education, the NSS unit organized interactive sessions on oral hygiene and personal hygiene at Poovaranthode, Kerala. These workshops, held on **20th February 2024**, focused on equipping students with practical knowledge to maintain cleanliness and overall health.

The sessions were led by experienced faculty members and student volunteers who demonstrated key techniques such as proper brushing, tongue cleaning, and the necessity of regular dental check-ups. Active participation by the students ensured they practiced the skills on the spot and understood their significance.

The engaging atmosphere encouraged questions and discussions, fostering awareness about maintaining good hygiene practices.

Recognizing the significance of education in promoting health and hygiene, the NSS unit organized classes focusing on oral hygiene and self-hygiene practices. These sessions aimed to empower participants with knowledge and skills essential for maintaining personal hygiene and overall well-being.

Experienced faculty members and student volunteers conducted workshops on various aspects of oral hygiene, including brushing techniques, tongue cleaning, and the importance of regular dental check-ups.Students were encouraged to actively participate and practice the techniques demonstrated.

Medical Camp

Medical Camp was organized by NSS unit on 22/2/2024 at Poovaranthode Govt LP school in Koodaranji Panchayath.

The medical camp continued its operations, catering to the healthcare needs of the local community. The camp served as a vital platform for addressing prevalent health issues and providing essential medical services to community members.

Continuation of Medical Consultations: Qualified medical professionals, including doctors, nurses, and healthcare volunteers, conducted comprehensive medical consultations for individuals seeking healthcare services. Patients received personalized attention and treatment recommendations based on their health conditions.

Specialized Services: In addition to general medical consultations, specialized healthcare services such as eye examinations, blood pressure checks, and diabetes screenings were offered to attendees. These services aimed to detect and manage common health conditions prevalent in the community.

VEGETABLE GARDEN 20/2/24 to 24/2/24

Vegetable Garden Initiative by NSS Students

The NSS students took a significant step towards promoting sustainable living by initiating a vegetable garden. This project aimed to engage students and community members in environmentally friendly practices while promoting awareness about healthy, homegrown food.

The students actively participated in planning, planting, and maintaining a variety of vegetables, fostering teamwork, responsibility, and a sense of connection to nature. The vegetable garden not only provided fresh produce but also served as a valuable learning experience about gardening, sustainability, and the importance of consuming locally grown food.

Through this initiative, the NSS students contributed to both their personal development and the community's well-being, emphasizing the benefits of growing one's own food and taking care of the environment.

ANTI-TOBACCO AWARENESS PROGRAMME

The timing of the cancer awareness program, just a couple of days before World Cancer Day on February 4th, shows the college's commitment to raising awareness about this critical issue. Such initiatives play a vital role in educating people about cancer prevention, early detection, and treatment options. It's commendable that NSS unit KMCT Dental College took proactive steps to contribute to the global efforts in combating cancer. These programs not only educate but also inspire action and support for those affected by cancer.

KMCT Dental College on February 2nd Dr. Manoj Kumar KP, the principal, inaugurating the anti-tobacco slogan and signature campaign underscores the institution's commitment to promoting a tobacco-free environment. Involving all staff, non-teaching members, students, and even patients in taking the anti-tobacco oath and participating in the signature campaign demonstrates a unified effort in raising awareness about the harmful effects of

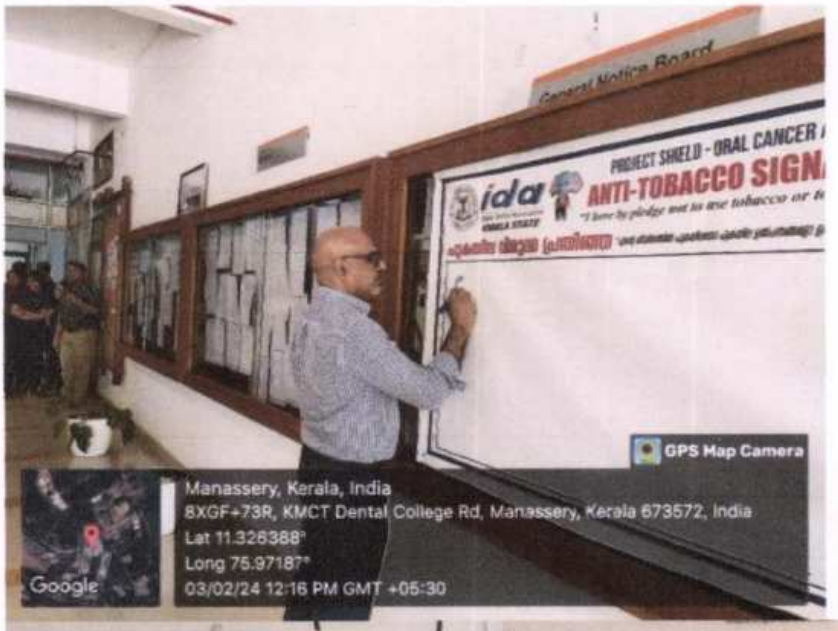

tobacco use. Such initiatives not only foster a healthier community within the college but also contribute to the larger goal of reducing tobacco-related illnesses and promoting public health.

Sneharamam project

On January 8, 2024 (Monday), the NSS unit of KMCT Dental College organized a cleanliness drive and Sneharamam project at Kambanimukku. This initiative likely aimed to improve the cleanliness of the area while also fostering a sense of community and compassion among the residents.

During the cleanliness drive, volunteers would have engaged in activities such as picking up litter, sweeping streets, and removing debris to enhance the overall cleanliness and hygiene of Kambanimukku. the inauguration of the Sneharamam project was a significant event, marked by the presence of key figures such as Dr. Manoj Kumar, the principal of KMCT Dental College, and Dr. Makal Madhav, the NSS programme officer 3staff members and 100 NSS volunteers . Having these respected individuals involved likely added a sense of legitimacy and importance to the initiative.

Additionally, the presence of ward members indicates local government support and community involvement, which are crucial for the success and sustainability of such projects. Their participation suggests a collaborative effort between the academic institution, the NSS, and the local community to address the needs of the area.

Sneharamam project, it's possible that the NSS unit of KMCT Dental College also organized activities related to planting saplings and beautification of the area during their initiative at Kambanimukku on January 8, 2024.

Transforming Waste Dump Areas: One significant aspect of the initiative could involve transforming waste dump areas into cleaner, more functional spaces. This might include waste management efforts such as proper disposal of garbage, recycling initiatives, and implementing measures to prevent littering and illegal dumping. By addressing waste management issues, the NSS unit contributes to creating a healthier and more sustainable environment for the community

Planting Saplings: This activity involves the planting of trees or saplings in the area to enhance greenery and contribute to environmental conservation. Trees provide numerous benefits such as oxygen production, air purification, shade, and habitat for wildlife. Planting saplings not only beautifies the area but also helps mitigate climate change and improve the overall quality of life for residents.

Beautification of the Area: This may include various efforts to improve the aesthetic appeal and functionality of public spaces in Kambanimukku. Beautification activities could involve painting murals, installing decorative elements like benches or flower beds, repairing infrastructure, and overall enhancing the visual appeal of the surroundings. Beautifying the area not only makes it more pleasant for residents and visitors but also instills a sense of pride and ownership in the community.

By incorporating these activities alongside the cleanliness drive and Sneharamam project, the NSS unit demonstrates a comprehensive approach to community development, focusing on environmental sustainability, social well-being, and the overall improvement of Kambanimukku.

WORLD AIDS DAY DEC 1ST -PROGRAMME REPORT

Celebrating World AIDS Day is crucial for raising awareness about HIV/AIDS, combating stigma, and promoting prevention and treatment efforts. It's wonderful to hear that the National Service Scheme of KMCT Dental College took the lead in organizing activities around the college premises. Having participation from 35-teaching staff, 15- non-teaching staff, and 100 NSS volunteer students demonstrates a collective effort towards raising awareness about HIV/AIDS. It's excellent that Dr. Harish Kumar, the Head of the Department of Periodontics, inaugurated the program. Handing out ribbons and administering an oath adds a personal touch and reinforces the commitment of everyone involved to support those affected by HIV/AIDS and work towards prevention and education efforts.

Focusing on AIDS awareness, especially in the context of oral manifestations and treatment considerations for AIDS patients, is incredibly important, especially within a dental college setting. Oral manifestations of HIV/AIDS can have significant implications for diagnosis, treatment, and overall patient care.

Educating students, faculty, and staff about the oral manifestations of HIV/AIDS helps them recognize potential signs and symptoms early on, enabling timely diagnosis and appropriate referral for treatment. It's crucial to emphasize the importance of a thorough oral examination as part of the overall health assessment for AIDS patients.

Additionally, discussing specific considerations for treating AIDS patients in a dental setting is essential. These may include:

Infection control protocols: Strict adherence to infection control measures, including proper sterilization of instruments and use of personal protective equipment, is critical to prevent cross-contamination and ensure the safety of both patients and healthcare providers.

Immunocompromised status: Recognizing that AIDS patients are immunocompromised and may have increased susceptibility to infections and complications is vital. This awareness informs treatment decisions and precautions to minimize the risk of adverse outcomes.

Collaboration with healthcare providers: Coordinating care with other healthcare providers involved in the patient's treatment, such as infectious disease specialists or primary care physicians, ensures comprehensive and integrated care for AIDS patients.

Patient education and support: Providing AIDS patients with information about oral hygiene practices, potential oral complications, and available support services empowers them to manage their oral health effectively and enhances their overall well-being.

By raising awareness about these aspects of HIV/AIDS within the dental college community, the National Service Scheme of KMCT Dental College is not only contributing to the professional development of its members but also promoting compassionate and inclusive healthcare practices. It's a commendable effort that aligns with the broader goal of combating HIV/AIDS stigma and improving the quality of care for affected individuals.

PROGRAMME REPORT

PLANTING SAPLING GIFT FROM UNION BANK –10th Nov 2023

The importance of planting trees has been emphasized time and again. This is because of the numerous benefits they offer. One of the main benefits of planting trees is that they provide us with the life giving oxygen. Without the presence of oxygen the survival of living beings is not possible.

Planting trees is also essential because they have the power to absorb the harmful gases. The growing pollution caused due to carbon mono-oxide, sulphur dioxide and other harmful gases and smoke emitted by vehicles and industries is controlled and purified to a large extent because of the presence of trees.

The National Service Scheme of **KMCT Dental College** planting sapling gifted by union bank of India **Manassery branch on November 10 th 2023.** Dr Manoj Kumar KP, Principal KMCT Dental college welcomed the dignitaries. The principal Dr Manoj Kumar, NSS unit Programme officer Dr Makal Madhav and 100 NSS volunteers together planted the sapling.

PROGRAMME REPORT

SWACHH BHARATH MISSION -AT MUKKOM COMMUNITY HEALTH CENTRE - 17th OCTOBER 2023

Swachh Bharat is acampaign was aimed for making the streets, roads and offices clean from filth and garbage. One of the main objectives of the drive is to make India Open Defecation Free (ODF). The campaign also targets raising public awareness about cleanliness through rigorous media campaigns and to institute door to door garbage collection in rural/urban household and ensuring its safe disposal.

Swachh Bharat Mission is very important considering the condition of sanitation, cleanliness and hygiene in India. Millions of deaths in India have been reported in previous years due to diseases resulting from poor sanitation and hygiene. Also, people were not fully aware of the need for cleanliness and its impact on their health and social life. strengthen the local bodies for proper door to door efficient collection of waste and its disposal.".

The National Service Scheme of **KMCT Dental College** took the initiative to clean premises and plant saplings **at Mukkom Community Health Centre - 17th october 2023**

NSS unit took the initiative to clean Garden premises and plant saplings Students 100 NSS volunteers and 3 staff together with the NSS unit Programme officer Dr Makal Madhav planted the saplings.

Amrit Kalash Yatra -PROGRAMME REPORT

The Amrit Kalash Yatra conducted by KMCT Dental College NSS unit on October 13th sounds like a wonderful initiative. It's great to hear about students actively participating in such events, especially when they involve environmental conservation efforts like planting saplings. These kinds of activities not only contribute to the beautification of surroundings but also promote a sense of responsibility towards nature among the participants. It's heartening to see young people taking an interest in such meaningful endeavors.

The "Meri Maati Mera Desh" campaign at KMCT Dental College sounds like a significant endeavor. Such campaigns often aim to promote environmental awareness and a sense of belongingness to one's homeland. They usually involve various activities like tree plantation drives, cleanliness campaigns, and awareness programs on sustainable living practices.

At KMCT Dental College, this campaign could involve 100 NSS volunteers students and 2-faculty members coming together to work on projects that benefit the environment and the local community. This might include organizing clean-up drives in nearby areas, creating green spaces on campus, and conducting workshops or seminars on topics related to environmental conservation and patriotism.

By actively participating in the "Meri Maati Mera Desh" campaign, students not only contribute to the betterment of their surroundings but also develop a deeper appreciation for their country and its natural resources. It's an excellent way to instill values of environmental stewardship and civic responsibility among the student body.

INDEPENDENCE DAY-2023

Independence day is celebrated every year on August 15th . **Independence Day** is celebrated annually on 15 August as a national holiday in India commemorating the nation's independence from the United Kingdom on 15 August 1947, the day when the provisions of the Indian Independence Act 1947, which transferred legislative sovereignty to the Indian Constituent Assembly, came into effect.

National Service Scheme of **KMCT Dental College** commemorated the day by hoisting the flag following the protocols.. Principal hoisted the flag and delivered the welcome address. A total of 100 students and 45 faculties participated in the program.

Patriotic song competitions were conducted by students also poster making competition.

Prizes were distributed for best performances.

Programmes we concluded by National anthem.

OUTREACH & EXTENSION ACTIVITY REPORT

Name of the student: DEVIKA SHAJI

Year: FINAL YEAR PART 1

Report of outreach activity participated:

We had a one day programme 'Know your country' organized by milma in collaboration with KMCT Dental college and MRDF on 15th August 2023 as part of 77th independence day celebration. We visited the milma - Kalicut, dairy plant, and got to see the production of milk and ice-creams. We then got to see the historical, 1498 built mother of God Cathedral, Mishkal morgue and 1907 beach light house. We were also provided with certificate and milma products. It was a life changing experience.

PROGRAMME REPORT

MERI MAATI MERA DESH - 2023

"Meri Maati Mera Desh" campaign is envisaged from 9th August 2023 as a culminating event of 'Azadi Ka Amrit Mahotsav'. It is a tribute to the Veers and Veeranganas who have made the supreme sacrifice for the country.

Dedication of Shilaphalakam (Memorial)

A fundamental aspect of the program is to express heartfelt gratitude to all the bravehearts (Veers and Veeranganas) who have made the supreme sacrifice.

Panch Pran' Pledge

At the memorial site, people will take a solemn pledge covering Panch Pran of the Hon'ble Prime Minister, affirming their commitment to the country.

Vasudha Vandhan

Panchayats/villages/urban local bodies will replenish Mother Earth by planting 75 saplings of indigenous species and develop the 'Amrit Vatika'

Veeron Ka Vandan

Felicitation ceremonies shall be held for honouring the freedom fighters and the families of deceased freedom fighters.

Amrit Kalash Yatra

Youth volunteers and other people from all corners of the country would collect Mitti from Panchayats/Villages and bring it to the Block level.

The National Service Scheme of **KMCT Dental College** took the initiative to plant saplings in the adopted village. NSS volunteers actively participated by planting the saplings and developed a Amrit Vatika. Dr. Manoj Kumar KP, Principal KMCT Dental college welcomed the dignitaries, 2-staffs and 100 NSS volunteer students, house surgeons, non teaching staffs and patients to the occasion and inaugurated the function. Students representatives

PROGRAMME REPORT

INTERNATIONAL DAY OF YOGA- June 21st 2023

Yoga is a 5,000-year-old physical, mental and spiritual practice Having its origin in India, Which Aims to transform both body and mind. **On December 11 in 2014, the United Nations General Assembly declared June 21st as the International Day of Yoga.** Yoga is an invaluable gift of India's ancient tradition . It embodies unity of mind and body; thought and action; restraint and fulfillment; harmony between man and nature; a holistic approach to health and well-being. It is not about exercise but to discover the sense of oneness with yourself, the world and the nature.

The National Service Scheme of **KMCT Dental College** organised yoga demonstration session in accordance with International Yoga Day on 21/06/23. The programme started at 9.00 am by a silent prayer. Principal Dr. Manoj Kumar (HOD,Dept OMFS) gave the welcome addressee. Programme officer Dr.Arun Paul introduced the chief instructors DR Sijna and Dr Nayana, 100 NSS volunteers and 20 staff participated .The demonstration started by introducing the importance of yoga to the students. Various yoga postures which are essential for a peaceful mind, good posture, digestion, sleep and anxiety were explained. Various asanas like Tadasana,Vrikshasan,Trikonasana, Paschimottanasana, Sukhasna etc were demonstrated. Vote of thanks was delivered by NSS volunteer Varun.

REPORT: WORLD ANTI-TOBACCO DAY 31st MAY 2024, KMCT DENTAL COLLEGE

On 31st May 2024, KMCT Dental College commemorated World Anti-Tobacco Day with a series of impactful events organized by the NSS unit in collaboration with the Public Health Department and college union . The day was dedicated to raising awareness about the hazards of tobacco use and promoting a tobacco-free lifestyle.

The events commenced with a solemn pledge ceremony led by Dr. Harish Kumar, Head of the Department of Periodontics. Dr. Harish Kumar emphasized the importance of maintaining good health by avoiding tobacco use, encouraging attendees to pledge against its consumption. This ceremony set a positive tone for the day, inspiring participants to make a personal commitment to public health.

A thought-provoking mime performance followed, presented by the NSS Unit volunteers . This silent portrayal effectively conveyed the detrimental effects of tobacco on health, relationships, and society, leaving a powerful impression on the audience.

The highlight of the day was an awareness rally where students, interns, postgraduates, and staff marched through the local community carrying banners and placards adorned with anti-tobacco messages. The rally garnered significant attention and engaged the community in discussions about the risks associated with tobacco.

In a creative expression of advocacy, a live painting competition was held, allowing participants to artistically depict their perspectives on tobacco use and its consequences. The competition showcased a range of interpretations, from poignant reflections to abstract representations, reinforcing the message through artistic means.

The day concluded with a lively and educational treasure hunt competition. This interactive event not only provided entertainment but also imparted knowledge about public health issues related to tobacco use. Participants collaborated in teams to solve clues, fostering teamwork and reinforcing the importance of collective action in combating health challenges.

Overall, the success of World Anti-Tobacco Day at KMCT Dental College was a testament to the dedication and effort of all participants. The events not only educated and engaged the college community but also extended awareness to the broader local population. By promoting a tobacco-free lifestyle through various activities, the day underscored the significance of community-driven initiatives in tackling public health issues.

The impactful events organized on this occasion will undoubtedly leave a lasting impression, contributing to a healthier and more informed community regarding the dangers of tobacco use

PROGRAMME REPORT

WORLD ENVIRONMENT DAY - June 5th 2023

A platform for action World Environment Day is the United Nations day for encouraging worldwide awareness and action to protect our environment. Since it began in 1974, the event has grown to become a global platform for public outreach that is widely celebrated in over 100 countries.

Each World Environment Day is organized around a theme that draws attention to a particularly pressing environmental concern. The theme for 2023 is "#BeatPlasticPollution".

The National Service Scheme of **KMCT Dental College** took the initiative to plant saplings around the premises of college. NSS unit took the initiative to start organic farming by planting seeds in grow bags. Dr Manoj Kumar KP, Principal KMCT Dental college welcomed the dignitaries, 30-staffs, 100 NSS volunteer students, house surgeons, 20- non teaching staffs and patients to the occasion and inaugurated the function. Students representatives together with the faculty planted the sapling. NSS volunteers also participated in a programme called "Thanaloram" an afforestation initiative by Mr Linto Joseph MLA Thiruvambady constituency.

Vote of thanks was delivered by the NSS unit Programme Officer Dr Arun paul.

Each batch of interns during their clinical posting in the Department of Public Health Dentistry are posted in the Satellite centers' of Pannicode, Meenchanda and Mavoor of KMCT Dental College. All the interns are posted for a period of 1 to 2 weeks at these centers on rotation. The Satellite centers' posting is meant to help interns receive additional clinical training and exposure as well as training in provision of comprehensive Dental Care for the community. The focus of this care is for rural community who have limited access to Dental Care. On **June 2nd 2023** the current batch of **162 interns** began their postings at these centers on rotation. They are guided by deputed BDS and MDS faculty from the Department of Public Health Dentistry posted in these centers.

DEPARTMENT OF PUBLIC HEALTH DENTISTRY-INTERNSHIP REPORT

PALLIATIVE CARE INTERNSHIP PROGRAMME AT INSTITUTE OF PALLIATIVE MEDICINE, KOZHIKODE- June 2nd 2023

A special program for interns **'Palliative Care Internship Program'** was initiated by the **Dept of Public Health Dentistry**, KMCT Dental College. The program was initiated in collaboration with **Institute of Palliative Medicine, Kozhikode**, a WHO recognized center providing palliative care. The program intended to provide the interns an opportunity to get exposure and training in Community based palliative care. On June 2nd 2023 the fresh batch of **101** Interns during their clinical posting in Dept of Public Health Dentistry, were posted for a period of one week at Institute of Palliative Medicine, Kozhikode, on rotation. The program included discussions, O.P and I.P care for patients, Home visits with palliative care team, Volunteer services, News breaking and other interactive sessions designed to help students understand their role in alleviating the difficulties of terminally ill and chronically debilitated persons.
