SUB: Request to conduct 'World No Tobacco Day' Program on 1st June 2024

Respected Sir,

Each year as a part of commemorating '**World No Tobacco Day'**, the **Department of Public Health Dentistry of KMCT Dental College** organizes various awareness programs for the community to enlighten on the harmful effects of tobacco use. This year, we would like to commemorate **'World No Tobacco Day'** on June 1st 2024 by conducting Health awareness program for the Tribal community of **Payona colony**, residing in **Puthupadi panchayath**, in coordination with the Tribal development office.

The program plans to draw the attention of the Tribal community on importance of avoiding tobacco use and teach skills to take meaningful action to protect from harmful effects of tobacco. The program includes Anti-tobacco awareness classes, dental health screening and treatments along with interactive sessions with the faculty team and distribution of educative pamphlets for the members of the community.

We kindly request your permission to conduct the program and would be extremely pleased if you would grace the occasion with your presence.

Thanking you,

Your's sincerely,

Principal

Sir,

Greetings from the office of Indian Dental Association, Malabar branch.

The women dental council of our branch is arranging a screening /treatment camp at care home for elderly citizens catered by the District Social Justice and Welfare Society. on 24th June 2024.

KMCT Dental College has remained in the forefront always when it comes to associating with IDA. We are grateful to the management.

We seek active participation and cooperation from KMCT Dental College in this venture by involving the expert team from the Department of Public Health Dentistry and support us with mobile dental unit for this mission.

Seeking promising reply and necessary actions towards the same,

Thank you,

Warm Regards,

Sir,

KMCT management has stood with IDA in every big or small occasion of celebration as our host and in seasons of harvesting knowledge as our scientific partner.

Please accept our deepest gratitude to the KMCT Management, staff, and students for being part of dental check up and treatment camp for the inmates of old age home (social justice), near gender park, Vellimadukunnu, Kozhikode on Friday 24th May 2024 in observance with Mother's Day – Happiness program for the elderly mothers. The office of IDA Malabar branch acknowledges every KMCT member who has been part in materializing this camp. Your support and partnership played a key role in the success of our event, and we appreciate your participation.

With the prospect of collaborating with KMCT in future,

Subject: Request for Collaboration: Dental Camp at Pratheekshabhavan

Sir/Madam,

I hope this letter finds you in good health and high spirits. I am writing to you on behalf of Pratheekshabhavan, a care home for differently-abled men operated under the auspices of the Healthcare Foundation, with the support of the Social Justice Department, Kerala.

Pratheekshabhavan is dedicated to providing comprehensive care and support to its residents, ensuring their well-being and quality of life. As part of our commitment to holistic care, we recognize the importance of dental health in the overall health and comfort of our residents.

Currently, we have 22 residents at Pratheekshabhavan, each with their unique needs and challenges. Many of them require regular dental check-ups and treatments to maintain optimal oral health. However, due to various constraints, organizing such dental camps internally poses a significant challenge for us.

Understanding the expertise and resources available at KMCT Dental College, we are reaching out to you with a humble request for support. We kindly request your collaboration in organizing a dental camp at Pratheekshabhavan, where our residents can receive comprehensive dental check-ups, treatments, and preventive care under the supervision of qualified professionals.

Please feel free to contact me at +9 7293600400 or pbkarunyatheeram@gmail.com to discuss this proposal further or to address any questions or concerns you may have. Thank you for your attention to this matter, and we look forward to the opportunity to collaborate with you.

Subject: Expression of Gratitude for Conducting Dental Camp as the part of Mandahasam Program

Dear,

I hope this letter finds you in good health and high spirits. On behalf of Pratheeksha Bhavan, a care home dedicated to enhancing the lives of differently-abled individuals, I extend our deepest gratitude to the entire team at KMCT Dental College for their invaluable contribution to our dental health program, Mandahasam.

The dental camp organized for the 22 residents of Pratheeksha Bhavan proved to be a pivotal aspect of our ongoing healthcare initiatives. Your team's commitment to providing top-notch dental care in a compassionate and inclusive manner is truly commendable. The professionalism and expertise demonstrated by your staff during the camp were exemplary, ensuring that our residents received the best possible dental care tailored to their unique needs.

We are profoundly grateful for the time, effort, and resources invested by KMCT Dental College in supporting our mission to promote oral health and well-being among individuals with disabilities. Your partnership has significantly enriched the Mandahasam program and has had a lasting positive impact on the lives of our residents.

Once again, thank you for your unwavering support and dedication to the betterment of our community. We look forward to continued collaboration and shared success in our future endeavors.

Subject: Request for Permission to Conduct a Dental Camp at GUP School Manassery

I am writing to seek your kind permission to organize a dental camp at GUP School Manassery. As part of our commitment to promoting oral health awareness and providing preventive dental care to the community, we aim to extend our services to the students and staff of your esteemed institution. Our team of qualified dental professionals and students will ensure that the camp is conducted efficiently, maintaining the highest standards of care and hygiene. We would be grateful if you could suggest a convenient date for the camp, or we can propose dates based on your availability. We look forward to collaborating with you in this community outreach effort.

Yours sincerely,

അരീക്കോട് ഉപജില്ലയിലെ ആയിരത്തിലധികം വിദ്യാർത്ഥികൾ പഠിക്കുന്ന വിദ്യാലയമാണ് മൂർക്കനാട് ഗവ.യു.പി. സ്കൂൾ. സ്കൂളിന്റെ 70-ാം വാർഷികം വിപുലമായ പരിപാടികളോടെ നടത്താൻ പി.ടി.എ കമ്മിറ്റി തീരുമാനിച്ചിട്ടുണ്ട്. കുട്ടികളിൽ ദന്താരോഗ്യപ്രശ്നങ്ങൾ വളരെ കൂടുതലായി കാണപ്പെടുന്നതിനാൽ വാർഷിക പരിപാടികളോടനുബന്ധിച്ച് കുട്ടികൾക്കായി ഒരു മെഡിക്കൽ ക്യാമ്പ് സംഘടിപ്പിക്കാൻ ഉദ്ദേശിക്കുന്നു. ഫെബ്രുവരി 21നാണ് വാർഷികം നടത്താൻ നിശ്ചയിച്ചിട്ടുള്ളത്. അതിനാൽ സൗകര്യപ്രദമായ ഒരു ദിവസം സ്കൂളിൽ മെഡിക്കൽ ക്യാമ്പ് നടത്തുന്നതിനാവശ്യമായ സജ്ജീകരണങ്ങൾ അനുവദിച്ചുതരണമെന്നപേക്ഷിക്കുന്നു.

On behalf of the students, staff and parents of this school, I extend heartfelt gratitude to KMCT Dental Medical College for organizing and conducting a free dental medical camp for our students.

The camp, which took place on 05-03-2024 was an immense success, thanks to the dedication, expertise, and compassion demonstrated by your team. Their commitment to providing quality dental care and education to our students is truly commendable.

We are immensely grateful for the generosity and support extended by KMCT Dental Medical College to our school and community. Your willingness to give back and make a positive impact on the lives of others is deeply appreciated.

We look forward to the possibility of future collaborations and partnerships that will further benefit the students and community of this school.

Thank you once again for your invaluable contribution and commitment to improving dental health and hygiene in our community.

Subject: Gratitude for Successful Dental Camp Collaboration

Sir,

We extend our heartfelt gratitude to KMCT Dental College for the successful collaboration in conducting the recent dental camp. The dental camp held at our premises was an exemplary display of professionalism, expertise, and dedication from the team at KMCT Dental College. We look forward to the opportunity to collaborate with KMCT Dental College on future initiatives aimed at promoting oral health and well-being in our community. Together, we can continue to make a positive impact and improve the quality of life for those we serve.

Once again, thank you for your invaluable partnership and for making a meaningful difference in the lives of our community members.

Subject: Request for Conducting a Dental Camp at Providence Women's College

Dear Sir,

On behalf of Providence Women's College, I am writing to request your esteemed institution's support in organizing a dental camp on our campus on **10th February 2024**.

The primary aim of this initiative is to promote oral health awareness and provide accessible dental check-ups to our students and staff. We believe that your team of qualified dental professionals will help make this event a success by offering valuable services and advice.

We are confident that such an event will mutually benefit both institutions, fostering collaboration while addressing an essential aspect of health and well-being. Kindly let us know the requirements or arrangements necessary to facilitate this program.

Looking forward to your positive response.

Sir,

Sub: Request to organize free dental treatment camp at our institution.

As part of the services we offer here at Madithattu, we regularly conduct free health checkups for our inmates with the support of prominent medical institutions. Considering the inconvenience of many of our inmates to travel, the health camps are usually held at our center itself. That being so, we now plan to organize a free denture treatment camp for our inmates at the center for which we seek your kind support. We request the services of your specialist doctors and supporting staff for the camp on 26/01/2024 at Vagbhatananda Mandiram, Karaparamb, Kozhikode starting from 9: AM onwards. Thank you in advance.

REPORT: WORLD ANTI-TOBACCO DAY 31st MAY 2024, KMCT DENTAL COLLEGE

On 31st May 2024, KMCT Dental College commemorated World Anti-Tobacco Day with a series of impactful events organized by the NSS unit in collaboration with the Public Health Department and college union . The day was dedicated to raising awareness about the hazards of tobacco use and promoting a tobacco-free lifestyle.The events commenced with a solemn pledge ceremony led by Dr. Harish Kumar, Head of the Department of Periodontics. Dr. Harish Kumar emphasized the importance of maintaining good health by avoiding tobacco use, encouraging attendees to pledge against its consumption. This ceremony set a positive tone for the day, inspiring participants to make a personal commitment to public health.100 NSS volunteers and 40 staff participated in programme

A thought-provoking mime performance followed, presented by the NSS Unit volunteers . This silent portrayal effectively conveyed the detrimental effects of tobacco on health, relationships, and society, leaving a powerful impression on the audience.

The highlight of the day was an awareness rally where students, interns, postgraduates, and staff marched through the local community carrying banners and placards adorned with anti-tobacco messages. The rally garnered significant attention and engaged the community in discussions about the risks associated with tobacco.

In a creative expression of advocacy, a live painting competition was held, allowing participants to artistically depict their perspectives on tobacco use and its consequences. The competition showcased a range of interpretations, from poignant reflections to abstract representations, reinforcing the message through artistic means.

The day concluded with a lively and educational treasure hunt competition. This interactive event not only provided entertainment but also imparted knowledge about public health issues related to tobacco use. Participants collaborated in teams to solve clues, fostering teamwork and reinforcing the importance of collective action in combating health challenges.

Overall, the success of World Anti-Tobacco Day at KMCT Dental College was a testament to the dedication and effort of all participants. The events not only educated and engaged the college community but also extended awareness to the broader local population. By promoting a tobacco-free lifestyle through various activities, the day underscored the significance of community-driven initiatives in tackling public health issues.

The impactful events organized on this occasion will undoubtedly leave a lasting impression, contributing to a healthier and more informed community regarding the dangers of tobacco use

Felicitations for Senior Teaching and Non-Teaching Staff: Acknowledging the contributions and dedication of senior staff members, fostering a sense of appreciation and respect within the institution.

As part of the **Women's Day celebrations**, KMCT Dental College organized a special **movie show focusing on women's stories and empowerment**. The screening aimed to raise awareness about the challenges women face while also celebrating their achievements, resilience, and strength.

The movie, chosen for its inspiring portrayal of women's lives, provided a platform for reflection on the journey of women in various spheres of life. It encouraged the audience to appreciate the diversity of women's experiences, from overcoming societal barriers to achieving their dreams.

The movie show was followed by an engaging discussion, where students and faculty members shared their thoughts and reflections on the themes portrayed in the film. This activity not only entertained but also empowered the community by raising important conversations about gender equality, respect, and women's rights.

A REPORT ON SEVEN DAYS NSS SPECIAL CAMP 2023-2024

The NSS unit of KMCT Dental College conducted the 7 day special camp (from 19/02/2024 to 25/02/2024)

19/02/2024 to 25/02/2024 (7 days)

NATIONAL SERVICE SCHEME popularly known as NSS was launched in Mahatma Gandhi's Birth Centenary Year 1969, under the Ministry of Youth Affairs & Sports Govt. of India. The scheme was launched simultaneously in 37 Universities involving 40,000 students with primary focus on the development of personality of students through community service and promotion of National solidarity.

Special Camping forms an integral part of National Service Scheme. It has special appeal to the youth as it provides unique opportunities to the students for group living, collective experience sharing and constant interaction with community. The key objective of this camp was to begin the interface with community, rapport building with community leaders and members in the village 9and inculcate the moral values which can be achieved only through community interaction and empathy.

The main objectives of National Service Scheme (NSS) are:

- Understand the community in which they work.
- Understand themselves in relation to their community.
- Identify the needs and problems of the community and involve them in problem solving.
- Develop among themselves a sense of social and civic responsibility.
- Utilize their knowledge in finding practical solutions to individual and community problems.
- Develop competence required for group-living and sharing of responsibilities.
- Gain skills in mobilizing community participation.
- Acquire leadership qualities and democratic attitudes.
- Develop capacity to meet emergencies and natural disasters and
- Practice national integration and social harmony.

SPECIAL DAY NSS CAMPING: Special Camping forms an integral part of National Service Scheme. It has special appeal to the youth as it provides unique opportunities to the students for group living, collective experience sharing and constant interaction with community.

Special camping is an essential component of the National Service Scheme (NSS), offering unique opportunities for youth to engage in group living, collective experience sharing, and community interaction. The NSS unit of KMCT Dental College conducted a special camp from 19/02/2024 to 25/02/2024 in Poovaranthode, a village located in Koodaranji Panchayath. The chosen location, an underdeveloped area, presented an opportunity for volunteers to contribute to the overall development of the community, particularly the Government LP School.

The camp was under the supervision of dedicated faculty members:

Dr. Makal Madhav M.P (Programme Officer),Dr. Prajith (Senior Lecturer),Dr. Rohith (Senior Lecturer),Dr. Chanchalesh (Senior Lecturer),Dr. Tulasi (Tutor),Dr. Shyama (Senior Lecturer)

Dr .Aromal (Senior Lecturer),Dr Zainual (Tutor)

Camp Objectives:

- To facilitate group living and collective experience sharing among volunteers.

- To actively engage in community development activities, focusing on the improvement of the Government L P School.
- To foster a sense of social responsibility and civic engagement among participants.
- To promote holistic development through educational, health, and environmental initiatives.

Participant Involvement:

A group of 38 enthusiastic volunteers actively participated in the special camp, demonstrating their commitment to community service and social upliftment. Their energy and dedication were instrumental in driving the success of various camp activities.

Location Selection:

Poovaranthode in Koodaranji village was chosen as the camp location due to its underdeveloped status and the identified need for improvements in the Government LP School. The selection aligned with the NSS unit's mission to contribute meaningfully to communities in need of assistance.

Camp Activities:

School Development Initiatives: Volunteers engaged in a variety of activities aimed at enhancing the overall development of the Government LP School. This included infrastructure improvements, educational enhancements, and environmental initiatives.

Educational Enrichment: Educational sessions were conducted for students, covering topics such as academic support, career guidance, and life skills development. Interactive workshops and sessions facilitated engaging learning experiences for both volunteers and students.

Health Awareness Programs: Health camps and awareness sessions were organized to promote health and hygiene practices among students and the community. Topics such as dental care, menstrual hygiene, and nutrition were addressed to improve overall well-being.

The first day of the NSS special camp witnessed successful execution of dental treatment services for the community, coupled with a dedicated effort towards cleaning and beautifying the school premises. The enthusiastic participation of volunteers and the positive response from the community set a promising tone for the remaining days of the camp. The activities conducted on Day 1 reflected the commitment of KMCT Dental College towards promoting oral health and environmental consciousness in the community.

Lunch was served at 2pm and volunteers went for health survey in near by houses

Concurrently, volunteers conducted a health survey to assess the overall health status and healthcare needs of the community. The survey aimed to gather valuable data regarding prevalent health issues, lifestyle patterns, and access to healthcare facilities, which would inform future initiatives and interventions. Students returned to finish the survey in remaining houses, and returned back to the camp site by 5.00 pm.

Tea and snacks were provided to the students at 5.30 pm. After the refreshments students gathered at 7.30 pm for an interactive session by Dr Tulasi on **"Communication skills".** She emphasised the significance of having a trait which makes each student to accomplish the duties as a NSS volunteer. The importance of self motivation and and responsibilities too. Students asked various doubts regarding interpersonal relationship, social responsibility. Dinner was served at 8.00 pm. After dinner at 8.45 pm students organised cultural programmes like songs and dance.

Medical Camp was organized by NSS unit on 22/2/2024 at Poovaranthode Govt LP school in Koodaranji Panchayath.

The medical camp continued its operations, catering to the healthcare needs of the local community. The camp served as a vital platform for addressing prevalent health issues and providing essential medical services to community members.

Continuation of Medical Consultations: Qualified medical professionals, including doctors, nurses, and healthcare volunteers, conducted comprehensive medical consultations for individuals seeking healthcare services. Patients received personalized attention and treatment recommendations based on their health conditions.

Specialized Services: In addition to general medical consultations, specialized healthcare services such as eye examinations, blood pressure checks, and diabetes screenings were offered to attendees. These services aimed to detect and manage common health conditions prevalent in the community.

VEGETABLE GARDEN 20/2/24 to 24/2/24

Vegetable Garden Initiative by NSS Students

The NSS students took a significant step towards promoting sustainable living by initiating a vegetable garden. This project aimed to engage students and community members in environmentally friendly practices while promoting awareness about healthy, homegrown food.

The students actively participated in planning, planting, and maintaining a variety of vegetables, fostering teamwork, responsibility, and a sense of connection to nature. The vegetable garden not only provided fresh produce but also served as a valuable learning experience about gardening, sustainability, and the importance of consuming locally grown food.

Through this initiative, the NSS students contributed to both their personal development and the community's well-being, emphasizing the benefits of growing one's own food and taking care of the environment.

ANTI-TOBACCO AWARENESS PROGRAMME

The timing of the cancer awareness program, just a couple of days before World Cancer Day on February 4th, shows the college's commitment to raising awareness about this critical issue. Such initiatives play a vital role in educating people about cancer prevention, early detection, and treatment options. It's commendable that NSS unit KMCT Dental College took proactive steps to contribute to the global efforts in combating cancer. These programs not only educate but also inspire action and support for those affected by cancer.

KMCT Dental College on February 2nd Dr. Manoj Kumar KP, the principal, inaugurating the anti-tobacco slogan and signature campaign underscores the institution's commitment to promoting a tobacco-free environment. Involving all staff, non-teaching members, students, and even patients in taking the anti-tobacco oath and participating in the signature campaign demonstrates a unified effort in raising awareness about the harmful effects of

tobacco use. Such initiatives not only foster a healthier community within the college but also contribute to the larger goal of reducing tobacco-related illnesses and promoting public health.

Sneharamam project

On January 8, 2024 (Monday), the NSS unit of KMCT Dental College organized a cleanliness drive and Sneharamam project at Kambanimukku. This initiative likely aimed to improve the cleanliness of the area while also fostering a sense of community and compassion among the residents.

During the cleanliness drive, volunteers would have engaged in activities such as picking up litter, sweeping streets, and removing debris to enhance the overall cleanliness and hygiene of Kambanimukku. the inauguration of the Sneharamam project was a significant event, marked by the presence of key figures such as Dr. Manoj Kumar, the principal of KMCT Dental College, and Dr. Makal Madhav, the NSS programme officer 3staff members and 100 NSS volunteers . Having these respected individuals involved likely added a sense of legitimacy and importance to the initiative.

Additionally, the presence of ward members indicates local government support and community involvement, which are crucial for the success and sustainability of such projects. Their participation suggests a collaborative effort between the academic institution, the NSS, and the local community to address the needs of the area.

Sneharamam project, it's possible that the NSS unit of KMCT Dental College also organized activities related to planting saplings and beautification of the area during their initiative at Kambanimukku on January 8, 2024.

Transforming Waste Dump Areas: One significant aspect of the initiative could involve transforming waste dump areas into cleaner, more functional spaces. This might include waste management efforts such as proper disposal of garbage, recycling initiatives, and implementing measures to prevent littering and illegal dumping. By addressing waste management issues, the NSS unit contributes to creating a healthier and more sustainable environment for the community

Planting Saplings: This activity involves the planting of trees or saplings in the area to enhance greenery and contribute to environmental conservation. Trees provide numerous benefits such as oxygen production, air purification, shade, and habitat for wildlife. Planting saplings not only beautifies the area but also helps mitigate climate change and improve the overall quality of life for residents.

Beautification of the Area: This may include various efforts to improve the aesthetic appeal and functionality of public spaces in Kambanimukku. Beautification activities could involve painting murals, installing decorative elements like benches or flower beds, repairing infrastructure, and overall enhancing the visual appeal of the surroundings. Beautifying the area not only makes it more pleasant for residents and visitors but also instills a sense of pride and ownership in the community.

By incorporating these activities alongside the cleanliness drive and Sneharamam project, the NSS unit demonstrates a comprehensive approach to community development, focusing on environmental sustainability, social well-being, and the overall improvement of Kambanimukku.

WORLD AIDS DAY DEC 1ST -PROGRAMME REPORT

Celebrating World AIDS Day is crucial for raising awareness about HIV/AIDS, combating stigma, and promoting prevention and treatment efforts. It's wonderful to hear that the National Service Scheme of KMCT Dental College took the lead in organizing activities around the college premises. Having participation from 35-teaching staff, 15- non-teaching staff, and 100 NSS volunteer students demonstrates a collective effort towards raising awareness about HIV/AIDS. It's excellent that Dr. Harish Kumar, the Head of the Department of Periodontics, inaugurated the program. Handing out ribbons and administering an oath adds a personal touch and reinforces the commitment of everyone involved to support those affected by HIV/AIDS and work towards prevention and education efforts.

Focusing on AIDS awareness, especially in the context of oral manifestations and treatment considerations for AIDS patients, is incredibly important, especially within a dental college setting. Oral manifestations of HIV/AIDS can have significant implications for diagnosis, treatment, and overall patient care.

Educating students, faculty, and staff about the oral manifestations of HIV/AIDS helps them recognize potential signs and symptoms early on, enabling timely diagnosis and appropriate referral for treatment. It's crucial to emphasize the importance of a thorough oral examination as part of the overall health assessment for AIDS patients.

Additionally, discussing specific considerations for treating AIDS patients in a dental setting is essential. These may include:

Infection control protocols: Strict adherence to infection control measures, including proper sterilization of instruments and use of personal protective equipment, is critical to prevent cross-contamination and ensure the safety of both patients and healthcare providers.

Immunocompromised status: Recognizing that AIDS patients are immunocompromised and may have increased susceptibility to infections and complications is vital. This awareness informs treatment decisions and precautions to minimize the risk of adverse outcomes.

Collaboration with healthcare providers: Coordinating care with other healthcare providers involved in the patient's treatment, such as infectious disease specialists or primary care physicians, ensures comprehensive and integrated care for AIDS patients.

Patient education and support: Providing AIDS patients with information about oral hygiene practices, potential oral complications, and available support services empowers them to manage their oral health effectively and enhances their overall well-being.

By raising awareness about these aspects of HIV/AIDS within the dental college community, the National Service Scheme of KMCT Dental College is not only contributing to the professional development of its members but also promoting compassionate and inclusive healthcare practices. It's a commendable effort that aligns with the broader goal of combating HIV/AIDS stigma and improving the quality of care for affected individuals.

PROGRAMME REPORT

PLANTING SAPLING GIFT FROM UNION BANK –10th Nov 2023

The importance of planting trees has been emphasized time and again. This is because of the numerous benefits they offer. One of the main benefits of planting trees is that they provide us with the life giving oxygen. Without the presence of oxygen the survival of living beings is not possible.

Planting trees is also essential because they have the power to absorb the harmful gases. The growing pollution caused due to carbon mono-oxide, sulphur dioxide and other harmful gases and smoke emitted by vehicles and industries is controlled and purified to a large extent because of the presence of trees.

The National Service Scheme of **KMCT Dental College** planting sapling gifted by union bank of India **Manassery branch on November 10 th 2023.** Dr Manoj Kumar KP, Principal KMCT Dental college welcomed the dignitaries. The principal Dr Manoj Kumar, NSS unit Programme officer Dr Makal Madhav and 100 NSS volunteers together planted the sapling.

PROGRAMME REPORT

SWACHH BHARATH MISSION -AT MUKKOM COMMUNITY HEALTH CENTRE - 17th OCTOBER 2023

Swachh Bharat is acampaign was aimed for making the streets, roads and offices clean from filth and garbage. One of the main objectives of the drive is to make India Open Defecation Free (ODF). The campaign also targets raising public awareness about cleanliness through rigorous media campaigns and to institute door to door garbage collection in rural/urban household and ensuring its safe disposal.

Swachh Bharat Mission is very important considering the condition of sanitation, cleanliness and hygiene in India. Millions of deaths in India have been reported in previous years due to diseases resulting from poor sanitation and hygiene. Also, people were not fully aware of the need for cleanliness and its impact on their health and social life. strengthen the local bodies for proper door to door efficient collection of waste and its disposal.".

The National Service Scheme of **KMCT Dental College** took the initiative to clean premises and plant saplings **at Mukkom Community Health Centre - 17th october 2023**

Amrit Kalash Yatra -PROGRAMME REPORT

The Amrit Kalash Yatra conducted by KMCT Dental College NSS unit on October 13th sounds like a wonderful initiative. It's great to hear about students actively participating in such events, especially when they involve environmental conservation efforts like planting saplings. These kinds of activities not only contribute to the beautification of surroundings but also promote a sense of responsibility towards nature among the participants. It's heartening to see young people taking an interest in such meaningful endeavors.

The "Meri Maati Mera Desh" campaign at KMCT Dental College sounds like a significant endeavor. Such campaigns often aim to promote environmental awareness and a sense of belongingness to one's homeland. They usually involve various activities like tree plantation drives, cleanliness campaigns, and awareness programs on sustainable living practices.

At KMCT Dental College, this campaign could involve 100 NSS volunteers students and 2-faculty members coming together to work on projects that benefit the environment and the local community. This might include organizing clean-up drives in nearby areas, creating green spaces on campus, and conducting workshops or seminars on topics related to environmental conservation and patriotism.

By actively participating in the "Meri Maati Mera Desh" campaign, students not only contribute to the betterment of their surroundings but also develop a deeper appreciation for their country and its natural resources. It's an excellent way to instill values of environmental stewardship and civic responsibility among the student body.

PROGRAMME REPORT

MERI MAATI MERA DESH - 2023

"Meri Maati Mera Desh" campaign is envisaged from 9th August 2023 as a culminating event of 'Azadi Ka Amrit Mahotsav'. It is a tribute to the Veers and Veeranganas who have made the supreme sacrifice for the country.

Dedication of Shilaphalakam (Memorial)

A fundamental aspect of the program is to express heartfelt gratitude to all the bravehearts (Veers and Veeranganas) who have made the supreme sacrifice.

Panch Pran' Pledge

At the memorial site, people will take a solemn pledge covering Panch Pran of the Hon'ble Prime Minister, affirming their commitment to the country.

Vasudha Vandhan

Panchayats/villages/urban local bodies will replenish Mother Earth by planting 75 saplings of indigenous species and develop the 'Amrit Vatika'

Veeron Ka Vandan

Felicitation ceremonies shall be held for honouring the freedom fighters and the families of deceased freedom fighters.

Amrit Kalash Yatra

Youth volunteers and other people from all corners of the country would collect Mitti from Panchayats/Villages and bring it to the Block level.

The National Service Scheme of **KMCT Dental College** took the initiative to plant saplings in the adopted village. NSS volunteers actively participated by planting the saplings and developed a Amrit Vatika. Dr. Mani Kumar KP, Principal KMCT Dental college welcomed the dignitaries, 2-staffs, 100 NSS volunteer students, house surgeons, non teaching staffs and patients to the occasion and inaugurated the function. PROGRAMME REPORT

INTERNATIONAL DAY OF YOGA- June 21st 2023

Yoga is a 5,000-year-old physical, mental and spiritual practice Having its origin in India, Which Aims to transform both body and mind. **On December 11 in 2014, the United Nations General Assembly declared June 21st as the International Day of Yoga.** Yoga is an invaluable gift of India's ancient tradition . It embodies unity of mind and body; thought and action; restraint and fulfillment; harmony between man and nature; a holistic approach to health and well-being. It is not about exercise but to discover the sense of oneness with yourself, the world and the nature.

The National Service Scheme of **KMCT Dental College** organised yoga demonstration session in accordance with International Yoga Day on 21/06/23. The programme started at 9.00 am by a silent prayer. REPORT: WORLD ANTI-TOBACCO DAY 31st MAY 2024, KMCT DENTAL COLLEGE

On 31st May 2024, KMCT Dental College commemorated World Anti-Tobacco Day with a series of impactful events organized by the NSS unit in collaboration with the Public Health Department and college union . The day was dedicated to raising awareness about the hazards of tobacco use and promoting a tobacco-free lifestyle.

The events commenced with a solemn pledge ceremony led by Dr. Harish Kumar, Head of the Department of Periodontics. Dr. Harish Kumar emphasized the importance of maintaining good health by avoiding tobacco use, encouraging attendees to pledge against its consumption. This ceremony set a positive tone for the day, inspiring participants to make a personal commitment to public health.

A thought-provoking mime performance followed, presented by the NSS Unit volunteers . This silent portrayal effectively conveyed the detrimental effects of tobacco on health, relationships, and society, leaving a powerful impression on the audience.

The highlight of the day was an awareness rally where students, interns, postgraduates, and staff marched through the local community carrying banners and placards adorned with anti-tobacco messages. The rally garnered significant attention and engaged the community in discussions about the risks associated with tobacco.

In a creative expression of advocacy, a live painting competition was held, allowing participants to artistically depict their perspectives on tobacco use and its consequences. The competition showcased a range of interpretations, from poignant reflections to abstract representations, reinforcing the message through artistic means.

The day concluded with a lively and educational treasure hunt competition. This interactive event not only provided entertainment but also imparted knowledge about public health issues related to tobacco use. Participants collaborated in teams to solve clues, fostering teamwork and reinforcing the importance of collective action in combating health challenges.

Overall, the success of World Anti-Tobacco Day at KMCT Dental College was a testament to the dedication and effort of all participants. The events not only educated and engaged the college community but also extended awareness to the broader local population. By promoting a tobacco-free lifestyle through various activities, the day underscored the significance of community-driven initiatives in tackling public health issues.

The impactful events organized on this occasion will undoubtedly leave a lasting impression, contributing to a healthier and more informed community regarding the dangers of tobacco use

PROGRAMME REPORT

WORLD ENVIRONMENT DAY - June 5th 2023

A platform for action World Environment Day is the United Nations day for encouraging worldwide awareness and action to protect our environment. Since it began in 1974, the event has grown to become a global platform for public outreach that is widely celebrated in over 100 countries.

Each World Environment Day is organized around a theme that draws attention to a particularly pressing environmental concern. The theme for 2023 is "#BeatPlasticPollution".

The National Service Scheme of **KMCT Dental College** took the initiative to plant saplings around the premises of college. NSS unit took the initiative to start organic farming by planting seeds in grow bags. Dr Manoj Kumar KP, Principal KMCT Dental college welcomed the dignitaries, 30-staffs, 100 NSS volunteer students, house surgeons, 20- non teaching staffs and patients to the occasion and inaugurated the function. Students representatives together with the faculty planted the sapling. NSS volunteers also participated in a programme called "Thanaloram" an afforestation initiative by Mr Linto Joseph MLA Thiruvambady constituency.

Vote of thanks was delivered by the NSS unit Programme Officer Dr Arun paul.

Sir,

Greetings from the office of Indian Dental Association, Malabar branch.

The women dental council of our branch is arranging a screening /treatment camp at care home for elderly citizens catered by the District Social Justice and Welfare Society. on 24th June 2024.

KMCT Dental College has remained in the forefront always when it comes to associating with IDA. We are grateful to the management.

We seek active participation and cooperation from KMCT Dental College in this venture by involving the expert team from the Department of Public Health Dentistry and support us with mobile dental unit for this mission.

Seeking promising reply and necessary actions towards the same,

Thank you,

Warm Regards,

Sir,

KMCT management has stood with IDA in every big or small occasion of celebration as our host and in seasons of harvesting knowledge as our scientific partner.

Please accept our deepest gratitude to the KMCT Management, staff, and students for being part of dental check up and treatment camp for the inmates of old age home (social justice), near gender park, Vellimadukunnu, Kozhikode on Friday 24th May 2024 in observance with Mother's Day – Happiness program for the elderly mothers. The office of IDA Malabar branch acknowledges every KMCT member who has been part in materializing this camp. Your support and partnership played a key role in the success of our event, and we appreciate your participation.

With the prospect of collaborating with KMCT in future,

Subject: Request for Collaboration: Dental Camp at Pratheekshabhavan

Sir/Madam,

I hope this letter finds you in good health and high spirits. I am writing to you on behalf of Pratheekshabhavan, a care home for differently-abled men operated under the auspices of the Healthcare Foundation, with the support of the Social Justice Department, Kerala.

Pratheekshabhavan is dedicated to providing comprehensive care and support to its residents, ensuring their well-being and quality of life. As part of our commitment to holistic care, we recognize the importance of dental health in the overall health and comfort of our residents.

Currently, we have 22 residents at Pratheekshabhavan, each with their unique needs and challenges. Many of them require regular dental check-ups and treatments to maintain optimal oral health. However, due to various constraints, organizing such dental camps internally poses a significant challenge for us.

Understanding the expertise and resources available at KMCT Dental College, we are reaching out to you with a humble request for support. We kindly request your collaboration in organizing a dental camp at Pratheekshabhavan, where our residents can receive comprehensive dental check-ups, treatments, and preventive care under the supervision of qualified professionals.

Please feel free to contact me at +9 7293600400 or pbkarunyatheeram@gmail.com to discuss this proposal further or to address any questions or concerns you may have. Thank you for your attention to this matter, and we look forward to the opportunity to collaborate with you.

Subject: Expression of Gratitude for Conducting Dental Camp as the part of Mandahasam Program

Dear,

I hope this letter finds you in good health and high spirits. On behalf of Pratheeksha Bhavan, a care home dedicated to enhancing the lives of differently-abled individuals, I extend our deepest gratitude to the entire team at KMCT Dental College for their invaluable contribution to our dental health program, Mandahasam.

The dental camp organized for the 22 residents of Pratheeksha Bhavan proved to be a pivotal aspect of our ongoing healthcare initiatives. Your team's commitment to providing top-notch dental care in a compassionate and inclusive manner is truly commendable. The professionalism and expertise demonstrated by your staff during the camp were exemplary, ensuring that our residents received the best possible dental care tailored to their unique needs.

We are profoundly grateful for the time, effort, and resources invested by KMCT Dental College in supporting our mission to promote oral health and well-being among individuals with disabilities. Your partnership has significantly enriched the Mandahasam program and has had a lasting positive impact on the lives of our residents.

Once again, thank you for your unwavering support and dedication to the betterment of our community. We look forward to continued collaboration and shared success in our future endeavors.

അരീക്കോട് ഉപജില്ലയിലെ ആയിരത്തിലധികം വിദ്യാർത്ഥികൾ പഠിക്കുന്ന വിദ്യാലയമാണ് മൂർക്കനാട് ഗവ.യു.പി. സ്കൂൾ. സ്കൂളിന്റെ 70-ാം വാർഷികം വിപുലമായ പരിപാടികളോടെ നടത്താൻ പി.ടി.എ കമ്മിറ്റി തീരുമാനിച്ചിട്ടുണ്ട്. കുട്ടികളിൽ ദന്താരോഗ്യപ്രശ്നങ്ങൾ വളരെ കൂടുതലായി കാണപ്പെടുന്നതിനാൽ വാർഷിക പരിപാടികളോടനുബന്ധിച്ച് കുട്ടികൾക്കായി ഒരു മെഡിക്കൽ ക്യാമ്പ് സംഘടിപ്പിക്കാൻ ഉദ്ദേശിക്കുന്നു. ഫെബ്രുവരി 21നാണ് വാർഷികം നടത്താൻ നിശ്ചയിച്ചിട്ടുള്ളത്. അതിനാൽ സൗകര്യപ്രദമായ ഒരു ദിവസം സ്കൂളിൽ മെഡിക്കൽ ക്യാമ്പ് നടത്തുന്നതിനാവശ്യമായ സജ്ജീകരണങ്ങൾ അനുവദിച്ചുതരണമെന്നപേക്ഷിക്കുന്നു.

On behalf of the students, staff and parents of this school, I extend heartfelt gratitude to KMCT Dental Medical College for organizing and conducting a free dental medical camp for our students.

The camp, which took place on 05-03-2024 was an immense success, thanks to the dedication, expertise, and compassion demonstrated by your team. Their commitment to providing quality dental care and education to our students is truly commendable.

We are immensely grateful for the generosity and support extended by KMCT Dental Medical College to our school and community. Your willingness to give back and make a positive impact on the lives of others is deeply appreciated.

We look forward to the possibility of future collaborations and partnerships that will further benefit the students and community of this school.

Thank you once again for your invaluable contribution and commitment to improving dental health and hygiene in our community.

With warm regards

Subject: Request for Conducting a Dental Camp at Providence Women's College

Dear Sir,

On behalf of Providence Women's College, I am writing to request your esteemed institution's support in organizing a dental camp on our campus on **10th February 2024**.

The primary aim of this initiative is to promote oral health awareness and provide accessible dental check-ups to our students and staff. We believe that your team of qualified dental professionals will help make this event a success by offering valuable services and advice.

We are confident that such an event will mutually benefit both institutions, fostering collaboration while addressing an essential aspect of health and well-being. Kindly let us know the requirements or arrangements necessary to facilitate this program.

Looking forward to your positive response.

Sir,

Sub: Request to organize free dental treatment camp at our institution.

As part of the services we offer here at Madithattu, we regularly conduct free health checkups for our inmates with the support of prominent medical institutions. Considering the inconvenience of many of our inmates to travel, the health camps are usually held at our center itself. That being so, we now plan to organize a free denture treatment camp for our inmates at the center for which we seek your kind support. We request the services of your specialist doctors and supporting staff for the camp on 26/01/2024 at Vagbhatananda Mandiram, Karaparamb, Kozhikode starting from 9: AM onwards. Thank you in advance.

Sub:Letter of appreciation and Gratitude

Dear Sir,

I am writing to express our heartfelt appreciation and gratitude to KMCT Dental College for their invaluable contribution to the recent exhibition(2023 November 21,22) held at UHHSS Chaliyam. Your involvement, particularly through the installation of stalls and the provision of various medical tests and consultations, greatly enriched the event and made it a resounding success. The Platinum Jubilee celebration of our institution was a momentous occasion, and your active participation played a pivotal role in enhancing the overall experience for our students, staff, and visitors. The commitment and professionalism demonstrated by KMCT Dental College were truly commendable. The medical tests and consultations provided by your team were not only informative but also instrumental in promoting health awareness within our community.

Once again, thank you for your generosity, commitment, and support in making the Platinum Jubilee celebration a memorable and meaningful event for everyone involved

Yours Faithfully

HOLISTIC MONTESSORI

Dear Sir/Ma'am

I hope this letter finds you in good health and high spirits. I am writing to request your esteemed department to organize a dental check up for the students of Ripples Kindergarten Montessori School Puthiyangadi Calicut, on the 17th of November.

As a principal which caters to the educational needs of 285 KG students, I strongly believe in the importance of maintaining good oral health.

Hence, we seek your assistance in conducting an organized dental check up for our students.

We propose that the dental checkup be scheduled preferably during school hours in order to minimize disruption to the student's routine. We kindly you to allocate an adequate number of professionals to cater to the needs of all our students. Should your department require staff or support from our end, please inform s in advance, and we will make the necessary arrangements.

Should you require any further information or have any queries, please do not hesitate to contact us. We eagerly look forward to receiving a positive response to our request.

Thank you for your attention to this matter.

Dear Sir/Ma'am,

I am writing to express my deepest gratitude on behalf of Ripples kindergarten Holistic Montessori School, Puthiyangadi Calicut, for the exceptional dental checkup service provided by your institution. The way in which you conducted the check-up for our students was commendable, and we truly appreciate the systematic approach you followed.

Additionally, we would like to extend our appreciation for the referrals you made for further check-ups. Identifying students who may require additional dental care and pointing them towards your institution demonstrates your commitment to providing comprehensive dental services.

Respected Sir,

Subject: Request for conducting dental camp at juvenile detention centre, Kozhikode.

As part of the children's day celebration, we would like to organize an oral health awareness program at Juvenile Detention Centre- Vellimadukunnu, Calicut on 11th November 2023 (Saturday). The program is organized by Department of Pediatric and Preventive Dentistry in association with the Department of Public Health Dentistry of KMCT Dental College .

We are aware of the unique challenges and needs of individuals residing in juvenile homes, and we wish to contribute to their overall health and well-being by providing dental care services. Our proposed Dental Treatment Camp would aim to offer the following services:

- Comprehensive Dental Check-ups: We will conduct thorough oral examinations to identify any existing dental issues, which will be documented for future reference.
- Dental Hygiene Education: Our team will provide educational sessions to the residents, teaching them the importance of oral hygiene and how to maintain it.
- Dental Treatments: We will provide necessary dental treatments, including cleanings, fillings, and minor extractions with consent letter.
- Dental Care Kits: Each participant will receive a dental care kit containing a toothbrush and toothpaste, to encourage and support their daily oral care routines.

Hoping for your kind consideration of our request and permission to conduct the program.

Thanking you

Yours faithfully

Subject : Conducting dental treatment camps for differently abled children in and around Mukkam

Sir,

We, the Rotary Club of Mukkam, are interested to cooperate with KMCT Dental College to conduct dental treatment camps for differently abled children in and around Mukkam.Even though they have lot of dental diseases we failed to provide them proper attention and treatments.So this year Rotary club is giving maximum priority for dental care among differently abled kids .Since your institution is providing exemplary services in dental care for the people of Mukkam ,We request you to associate with us in this venture. Since the Rotary Club has strong roots in this area , our cooperation will be a boon to affected societies. So please take this request seriously and associate with the Rotary Club of Mukkam .

Thanking You,

Yours faithfully,

Nandakumar K

SUB: Request to adopt Village-Chathamangalam Panchayath as part of Community Oral Health Care Program of Department of Public Health Dentistry

Respected Sir,

The Department of Public Health Dentistry organizes various programs to improve the Oral health status of the community. As part of Community Oral health Care Program of the Department, we would like to adopt Village- Chathamangalam Grama Panchayath, located 4.2 km from KMCT Dental College. Chathamangalam Panchayath belongs to Kunnamangalam Block, has a population of 90,402 individuals,and 23 wards under its administration.
The CommunityOral health Care Program includes the following:

1. Conducting Oral Health Survey to assessthe needs of the population
2. Provision of necessary treatments based on surveys conducted
3. Awareness programs and preventive measures
4. Referral to KMCT Dental College for specialized treatment procedures
5. Environment sanitation programs and other NSSvolunteer activities organized along with NSS unit of KMCT Dental College

We plan to implement the Oral health care program by periodic monthly Dental screening and treatment camps including 2-3 wards at a time by coordinating with the CDS Chairperson and Panchayath President of Chathamangalam Grama Panchayath.
For patients who need specialized treatment procedures they can be treated as part of Comprehensive Dental treatmentprogram in the Department of Public Health Dentistry on direct referral to the Department.

Kindly requesting your permission to adopt Chathamangalam Grama Panchayath and implement the village adoption as part of Community Oral Health Care Program of Department of Public Health Dentistry.

Thanking you,

Your's sincerely,
