Sir,

Sub: Request to organize free dental treatment camp at our institution.

As part of the services we offer here at Madithattu, we regularly conduct free health checkups for our inmates with the support of prominent medical institutions. Considering the inconvenience of many of our inmates to travel, the health camps are usually held at our center itself. That being so, we now plan to organize a free denture treatment camp for our inmates at the center for which we seek your kind support. We request the services of your specialist doctors and supporting staff for the camp on 26/01/2024 at Vagbhatananda Mandiram, Karaparamb, Kozhikode starting from 9: AM onwards. Thank you in advance.
