Detailed program report on total number of Collaborative activities with Institute of Palliative Medicine, Medical College, Kozhikode for research, faculty exchange, student exchange for the year 2023-2024

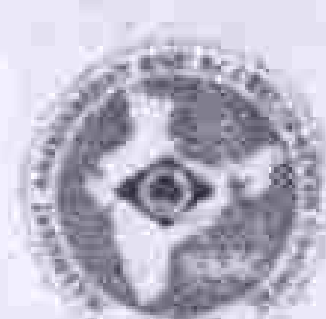

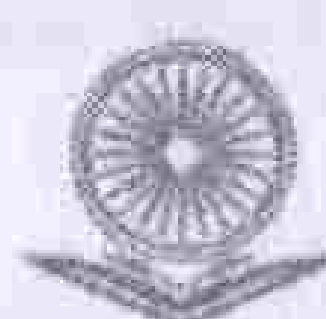

KMCT Dental college (KMCTDC) is collaborated with Institute of palliative medicine (IPM), Kozhikode since 2018. IPM is the pioneer of palliative care movement in South East Asia and the first World Health Organisation Collaborating Centre for Community Participation in Palliative Care and Long Term Care (WHOCC) in developing countries. IPM is the training, research and outreach arm of Pain and Palliative Care Society (PPCS).

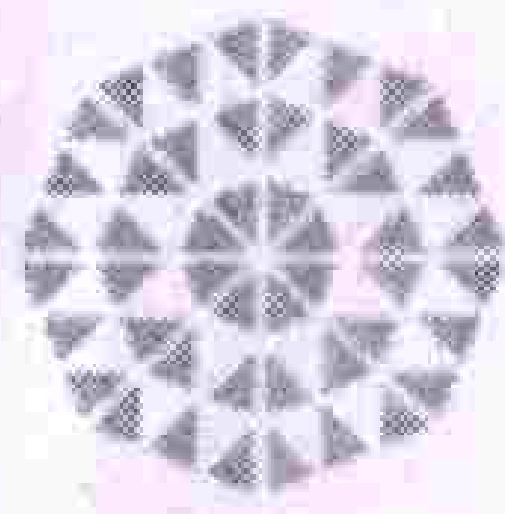

Both Under graduate students and faculties are getting advantages of this collaboration by attending their observership postings. Students get exposure to OP, IP and home care programs at IPM. This is an ongoing collaboration activity between KMCTDC and IPM. One teaching faculty is collaborated with IPM for her PhD Programme.

Detailed program report on total number of Collaborative activities with Malabar Cancer Center, Thalassery for research, faculty exchange, student exchange year-wise during the years 2023-2024

KMCT Dental college (KMCTDC) is collaborated with Malabar Cancer Center, Thalassery (MCC) since 2015. MCC is an autonomous institution under the Health and Family Welfare Department, Government of Kerala. The main objective of the Centre is not only to provide comprehensive cancer care but also to develop as a Research and Training Centre of international standards. MCC is providing a full spectrum of oncological care as an autonomous not-for-profit institution funded by the State Government and other sources.

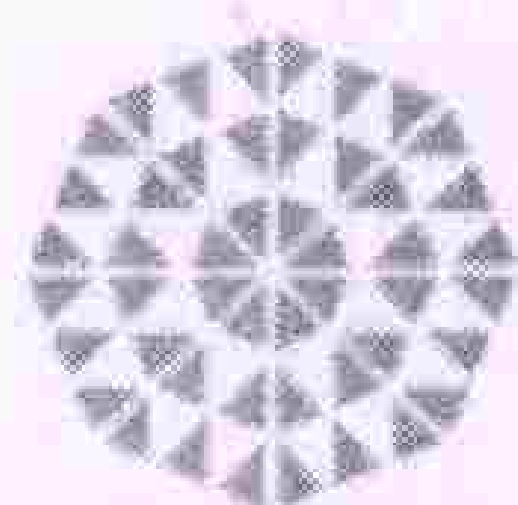

Post graduate students are getting advantages of this collaboration by attending their observership postings. Students are posted at department of Radio Diagnosis, Radio Oncology and Surgical Oncology for their peripheral postings. This is an ongoing collaboration activity between KMCTDC and MCC. Sample certificates and posting orders as proof for each year are attached at Document support.
