Organized by HAPPINESS & WELLNESS DEPARTMENT &

IQAC, KMCT Dental College

DATE : 10/02/24 **Participants : 100** **Time : 11:00 am**

The program was held on 10th February 2024 in the Mini theatre of KMCT Dental College for the 1st year bds students. The Principal Dr. Manoj Kumar KP welcomed the gathering. The Guest speaker of the program, Mr. Muhammed Sajad C & Mrs. Zainab Amna Manzoor, addressed the gathering and spoke on the importance of mental health in academic success and personal growth as the students transition into professional education environment. The program emphasized on raising awareness about emotional well-being, equipping students with strategies to handle stress and anxiety & foster an environment of openness regarding mental health issues. Thus encouraging students to prioritize their mental health care first and create a supportive space for sharing concerns in the campus.

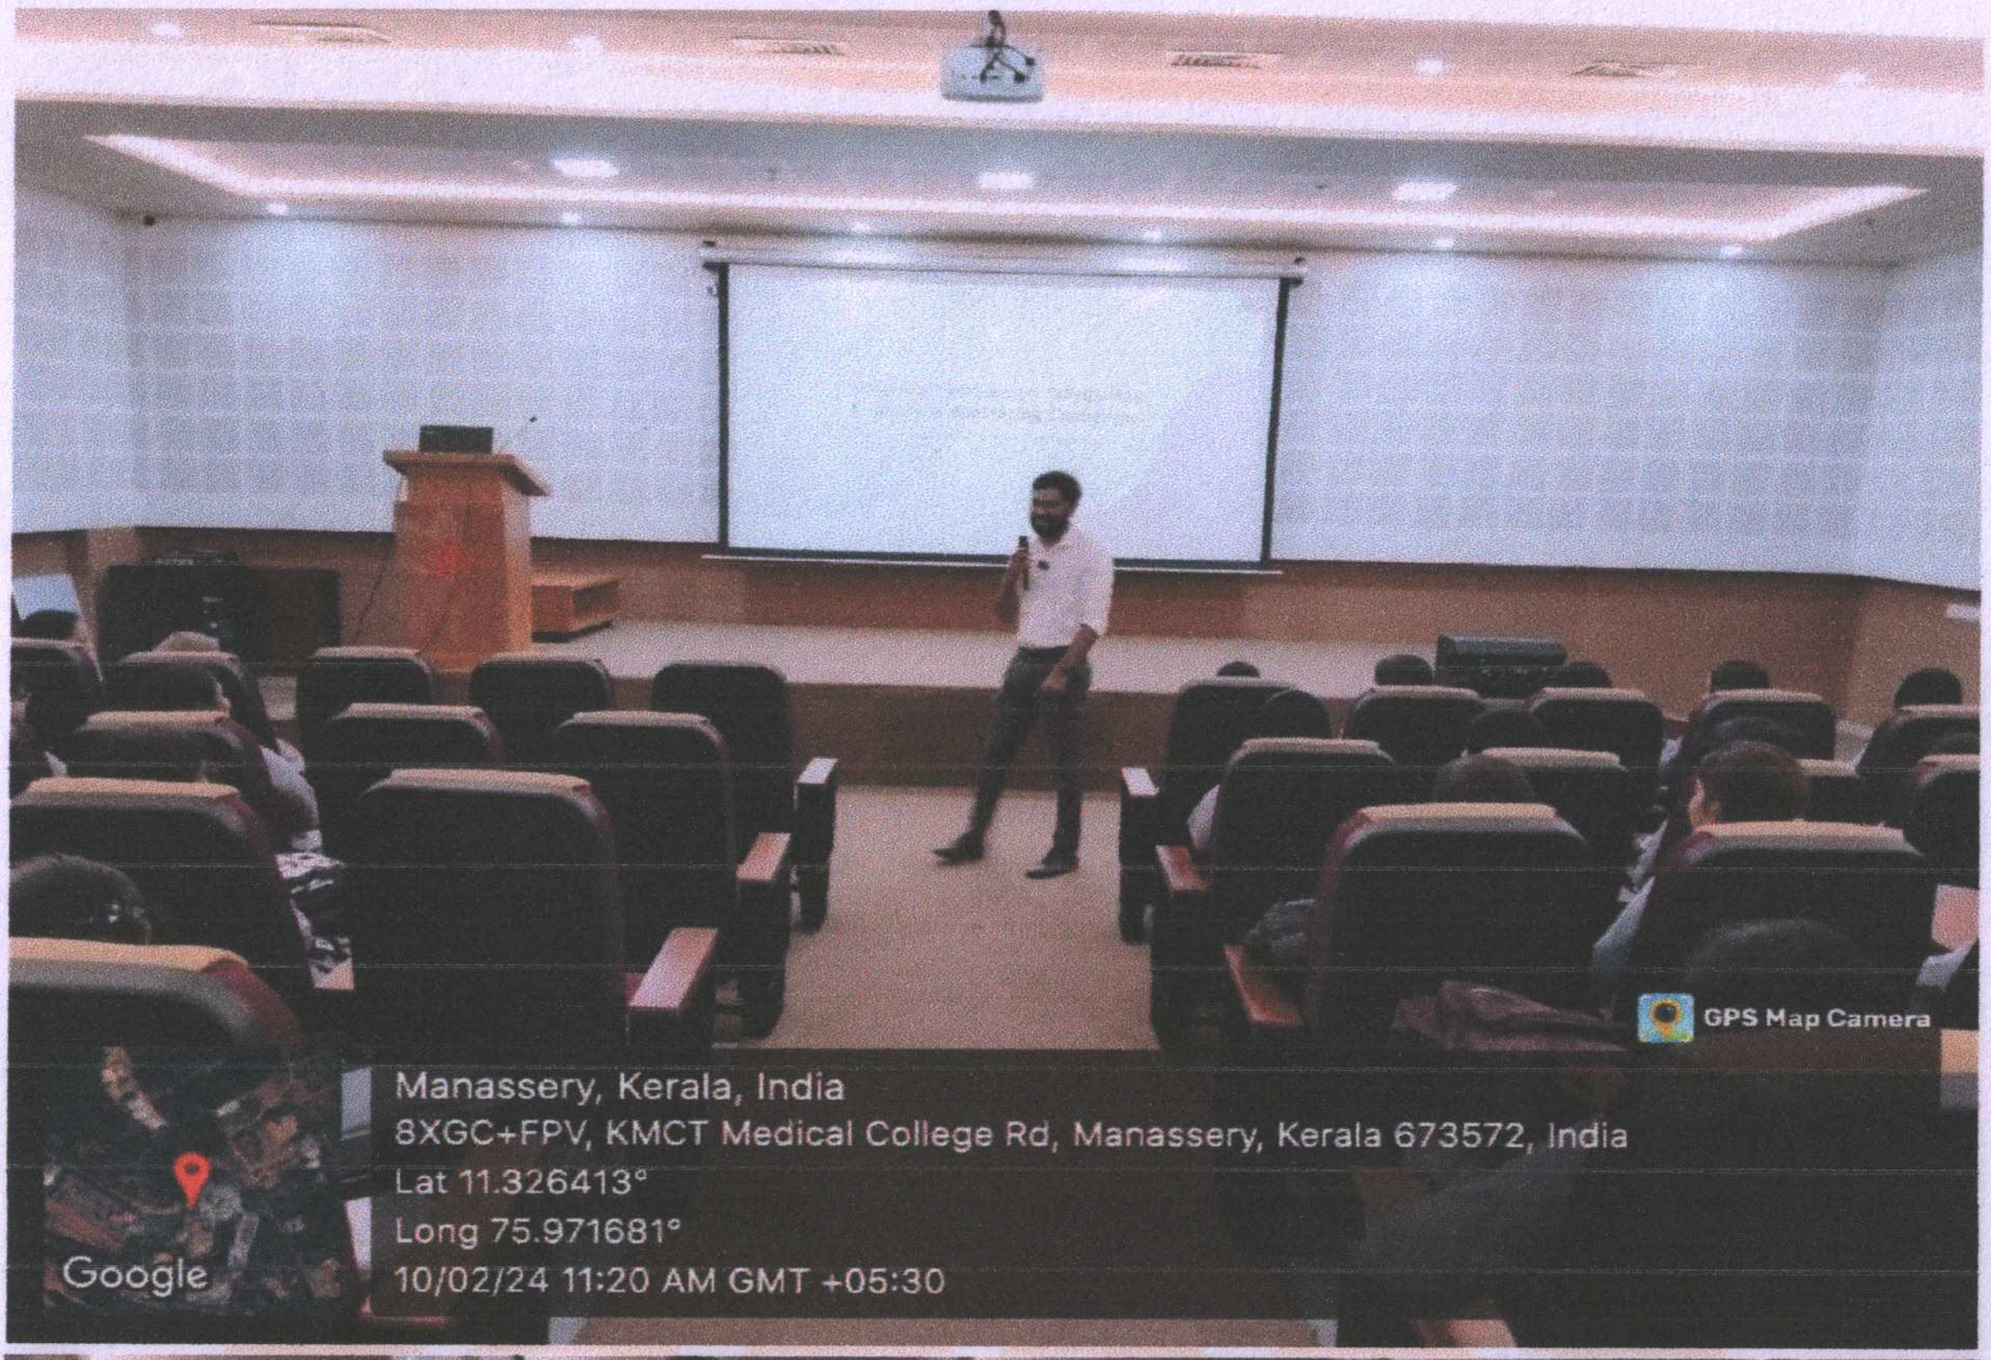

An interactive session was also conducted with the first year students by both speakers, where the students shared their experiences and provided feedback, highlighting the relevance of the session to their daily challenges. Participants expressed appreciation for the supportive environment and practical solutions provided during the session.

The program was concluded with the felicitation of the speakers & hand over of the certificates of appreciation to the guest speakers by Mrs. Sujatha. S, Administrative officer, Kmct dental college.

DATE : 24/10/23 Participants : 68 Time :09:00 AM

The program was inaugurated by Principal Dr. Manoj Kumar, held on 24th October 2023 at the Mini theatre of KMCT Dental College. Resource Person , Prof. Dr. Abdul Gafoor M, addressed the gathering and spoke on the importance of promoting the integration of Artificial Intelligence in both academic and clinical practice, transforming dental education and patient care.

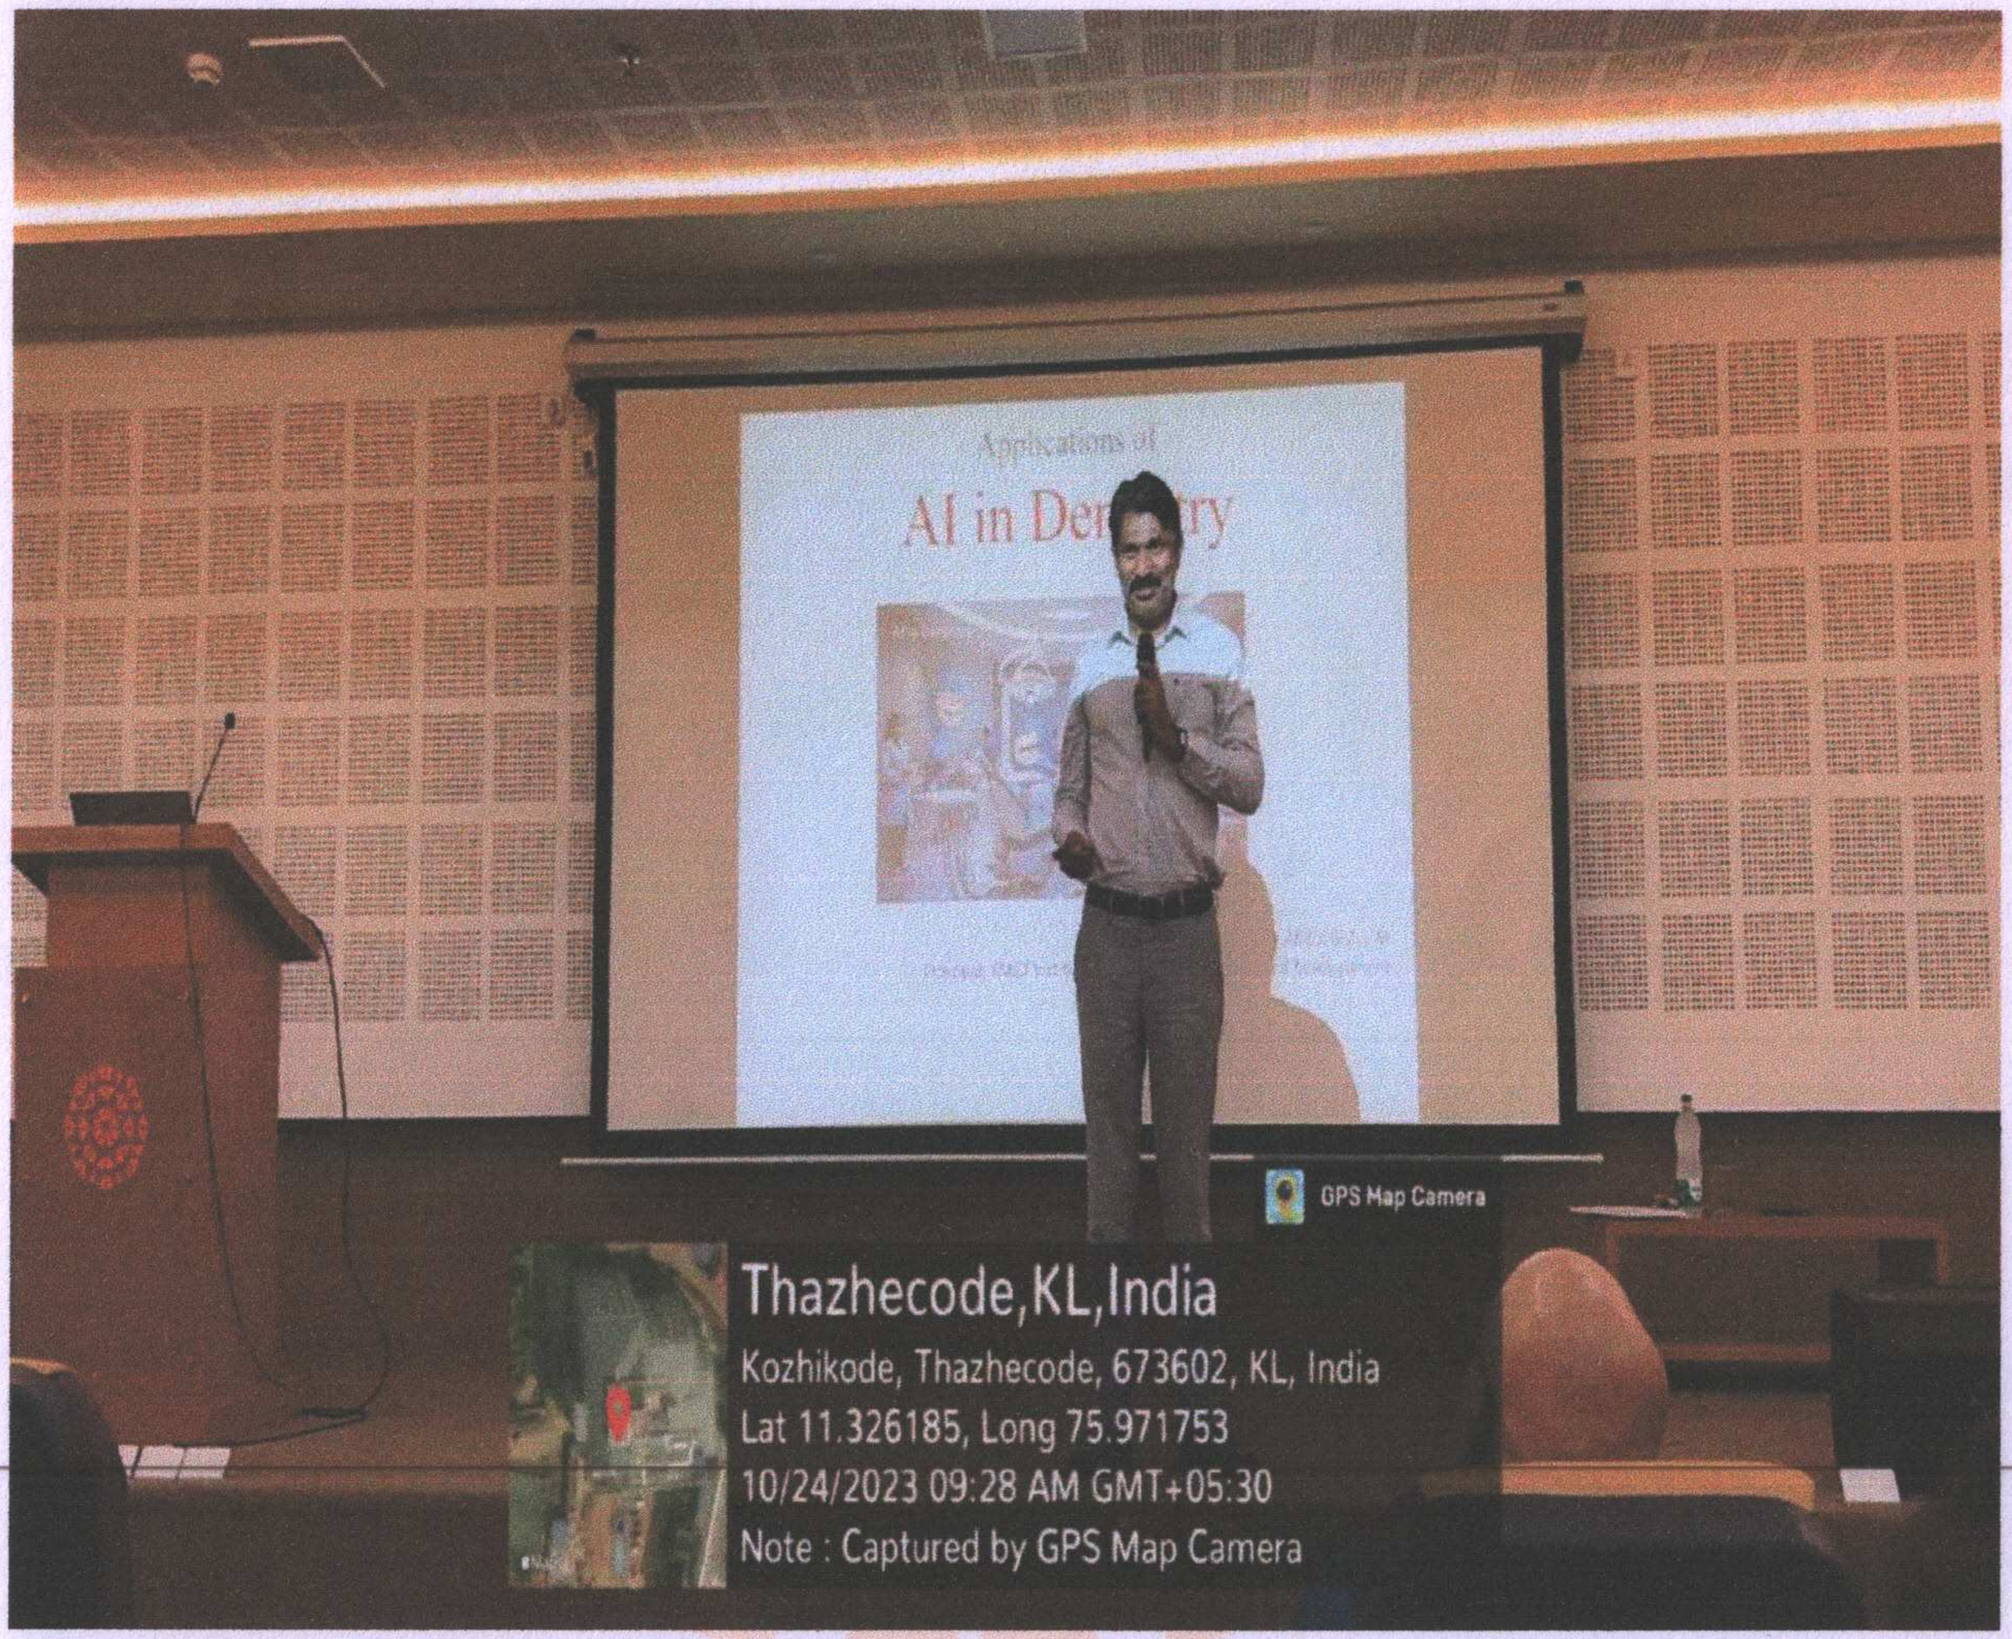

The program emphasized on the use of A.I driven tools in Academics for enhanced learning, data-driven research, individual personalized education for students & the application of A.I aids in diagnostics and imaging , treatment planning , as well as A.I driven robotics in automation & predictive analysis for disease progression, enabling preventive and personalized care strategies.

The initiative bridged the gap between academic learning and clinical efficiency by improving education quality, enabling evidence-based care, and enhancing accuracy, efficiency and patient outcomes. It is poised to play a vital role in personalized care and minimally invasive treatments in the future of dental healthcare.

REPORT: WOMEN'S DAY CELEBRATION

12th MARCH 2024, KMCT DENTAL COLLEGE

The Women's Day celebration at KMCT Dental College on March 12, 2024, was an event that brought together students, interns, post graduates, teaching and non teaching staffs to celebrate the achievements and contributions of women in our society. The event was inaugurated by the Principal, Dr. Manoj Kumar and Dr. Swapna Honwad addressed the gathering.

The program commenced with a self-defense class conducted by Dr. Rekha Binu, empowering attendees with valuable skills and knowledge to ensure their safety and security. Following this, enlightening awareness talks were delivered on crucial topics such as breast cancer, entrepreneurship, and women empowerment, shedding light on issues affecting women's health, professional growth, and social status.

A photography competition was held as a part of the event, providing a platform for students to showcase their creativity and talent by capturing the essence of Women's Day, and prizes were distributed to the winners. In addition, the non-teaching staff members were honored for their dedication and hard work, acknowledging their invaluable contributions to the college community.

One of the most impactful sessions of the day was the introduction of a period pain simulator, where male students and faculty members had the opportunity to experience simulated muscle cramps similar to those experienced during menstruation. This innovative initiative aimed to foster empathy and understanding among male participants, raising awareness about menstrual health and breaking down stigmas surrounding menstruation. The session was met with great enthusiasm and proved to be a thought-provoking experience for all involved.

The Women's Day celebration at KMCT Dental College was a resounding success, thanks to the collaborative efforts of the Women's Cell, Union Batch, NSS, and IEDC Unit. Through a diverse range of programs, the event succeeded in promoting gender equality, empowering women, and fostering a culture of inclusivity and respect within the college community.

WORKSHOP ON DENTAL PHOTOGRAPHY - REPORT

Organized by Department of Prosthodontics & Crown & Bridge,

KMCT Dental College

DATE : 15/02/24 Participants : 43 Time :09:00 AM

The program was inaugurated by Head of department of Prosthodontics & Crown & Bridge, Dr Sheejith M . Resource Person, Dr Sai Kiran, addressed the gathering and spoke on the importance of how dental photography is an essential tool for routine academic & clinical practice documentation process. The workshop provided participants with enhanced photography skills to capture high-quality dental photographs for routine case presentations, clinical documentation, patient communication and treatment planning.

The afternoon session involved a hands-on experience for the participants

with the latest DSLR camera equipment. An overview of basic principles of photography, understanding cameras, lenses and accessories (i.e; ring lights, mirrors, retractors) , recommended settings using various techniques for best results were demonstrated by Dr Sai Kiran .Under his guidance , the participants captured excellent images for both intraoral and extraoral photography .

The workshop combined theoretical insights with practical demonstrations & a hands-on experience as well, thus encouraging the participants to incorporate with confidence, professional photography into their academic routine & clinical practice more effectively.
