REPORT: WOMEN'S DAY CELEBRATION

12th MARCH 2024, KMCT DENTAL COLLEGE

The Women's Day celebration at KMCT Dental College on March 12, 2024, was an event that brought together students, interns, post graduates, teaching and non teaching staffs to celebrate the achievements and contributions of women in our society. The event was inaugurated by the Principal, Dr. Manoj Kumar and Dr. Swapna Honwad addressed the gathering.

The program commenced with a self-defense class conducted by Dr. Rekha Binu, empowering attendees with valuable skills and knowledge to ensure their safety and security. Following this, enlightening awareness talks were delivered on crucial topics such as breast cancer, entrepreneurship, and women empowerment, shedding light on issues affecting women's health, professional growth, and social status.

A photography competition was held as a part of the event, providing a platform for students to showcase their creativity and talent by capturing the essence of Women's Day, and prizes were distributed to the winners. In addition, the non-teaching staff members were honored for their dedication and hard work, acknowledging their invaluable contributions to the college community.

One of the most impactful sessions of the day was the introduction of a period pain simulator, where male students and faculty members had the opportunity to experience simulated muscle cramps similar to those experienced during menstruation. This innovative initiative aimed to foster empathy and understanding among male participants, raising awareness about menstrual health and breaking down stigmas surrounding menstruation. The session was met with great enthusiasm and proved to be a thought-provoking experience for all involved.

The Women's Day celebration at KMCT Dental College was a resounding success, thanks to the collaborative efforts of the Women's Cell, Union Batch, NSS, and IEDC Unit. Through a diverse range of programs, the event succeeded in promoting gender equality, empowering women, and fostering a culture of inclusivity and respect within the college community.
